Packing and Packaging

CAREY, L. C. Some changes in the package situation for 1943. Md. State Hort. Soc. Proc. 1943: 13-15. 1943. 81 M36

KRAFT "fruit cradle" developed by California container corporation: using new packing methods and wooden frame, Western concern creates an apple box that not only relieves wartime wood shortage but proves superior to old-fashioned containers. Pacific Pulp & Paper Indus. 17(7): 28-29. July 1943. 302.8 P11

SANBORN, J. R., and HUCKER, G. J. Packaging requirements for dehydrated vegetables. Fibre Containers 28(7): 58-64. July 1943. 286.8 F44

SUMMER pies in winter. Mod. Packaging 16(12): 58-59, 110. Aug. 1943. 309.8 M72

Discussion of the packaging of frozen rhubarb.

U. S. OFFICE OF PRICE ADMINISTRATION. Used fruit and vegetable containers. Fed. Register 8: 10086-10089. July 21, 1943. 169 F31
 Maximum Price Regulation 434.

Prices, Price Control, and Rationing

OPA COMPLETES ceiling prices; revises existing ceilings, names maximum prices for asparagus, greens and gives formula for pricing miscellaneous group of canned vegetables. Canning Trade 65(50): 7-12, 26-27. July 12, 1943. 286.83 T67

PEARSON, F. A., MYERS, W. I., and NICHOLSON, V. H. Potato prices in the spring of 1943. N. Y. Agr. Col. (Cornell) Farm Econ., no. 136, p. 3461-3464. June 1943. 280.8 C812

U. S. OFFICE OF PRICE ADMINISTRATION. Dry edible beans, sales except at wholesale and retail. Fed. Register 8: 9335. July 8, 1943. 169 F31

Revised Maximum Price Regulation 270, Amendment 6.

U. S. OFFICE OF PRICE ADMINISTRATION. Fresh fruits and vegetables for table use; sales except at retail. Fed. Register 8: 9727. July 15, 1943. 169 F31

Maximum Price Regulation 426, Amendment 2.

Correction in Fed. Register 8: 10571. July 29, 1943.

Amendment 3 in Fed. Register 8: 10673-10674.

July 31, 1943.
 U. S. OFFICE OF PRICE ADMINISTRATION. Imported fresh bananas, sales except at retail. Fed. Register 8: 10659. July 31, 1943. 169 F31
 Maximum Price Regulation 285, Amendment 3.

K86

- U. S. OFFICE OF PRICE ADMINISTRATION. Peanuts and peanut butter. Fed. Register 8: 10264. July 22, 1943. 169 F31
Revised Maximum Price Regulation 335, Amendment 1.
- U. S. OFFICE OF PRICE ADMINISTRATION. Potatoes and onions. Fed. Register 8: 9995. July 20, 1943. 169 F31
Revised Maximum Price Regulation 271, Amendment 4.

AGRICULTURAL ECONOMICS AND RURAL SOCIOLOGYGENERAL

- BAGUE, JAIME.** Riqueza agrícola de la Isla de Puerto Rico. *Almanaque Agr. de Puerto Rico* 1942: 288-292. San Juan, 1942. 8 AL62
Collection of agricultural statistics from the 1940 Census of the United States giving data for Puerto Rico.
- BAGUE, JAIME.** La riqueza agrícola de su pueblo. *Almanaque Agr. de Puerto Rico* 1942: 297-458. San Juan, 1942. 8 AL62
A compilation of statistics relating to agriculture for each municipality in Puerto Rico, taken from the last United States Census.
- BASIC Data sheet for Washington counties.** *Northwest Indus.* 2(9): 23-28. June 1943. 280.8 N812
Agricultural statistics for Pacific, Pend Oreille, Pierce, San Juan, Skagit, and Skamania Counties.
- BONNE, A.** Economic research in Palestine; major issues; official prophecies. *Palestine and Middle East* 15: 73-75. Apr. 1943. 286.8 F172
The subjects of research include: "1. The Absorptive Capacity; 2. The Land Issue; 3. Forms of Settlement; 4. The Relation of Agriculture to Industry."
- CARRILLO, ALFONSO.** Aspectos generales de la economía centroamericana. *Economista (Mexico)* 9(103): 16-22; (104): 17-22. June 1, 16, 1943. 280.8 Ec793
A review of the Central American economies, with particular attention to Guatemala, touching upon the land system and establishment of credit institutions including the system of agricultural credit.
- COLON, I. A.** Lo que Puerto Rico hace en agricultura. *Almanaque Agr. de Puerto Rico* 1942: 37-48. San Juan, 1942. 8 AL62
A survey of official action on behalf of agriculture in Puerto Rico, which includes instruction, research, extension work, fiscal services, and agricultural credit.
- DIÁZ PONCE de LEÓN, H.** Nuestro Negociado de Comercio al servicio del agricultor. *Almanaque Agr. de Puerto Rico* 1942: 144-146. San Juan, 1942. 8 AL62
The work of the Commerce Division of the Puerto Rican Department of Agriculture and Commerce in aid of the farmer, such as the compilation of statistics on production and prices, the preparation of studies for opposing harmful tariff concessions, and the opening of new markets.
- GARCÍA del ROSARIO, L. A.** Sinopsis de la legislación agrícola vigente. *Almanaque Agr. de Puerto Rico* 1942: 245-283. San Juan, 1942. 8 AL62
An outline survey of the legislation in Puerto Rico relating to agriculture.
- GOLDBERG, ABRAHAM.** The I.L.O. plans new world. *Palestine and Middle East* 15: 49-51. Mar. 1943. 286.8 F172
Discusses the activities of the International Labour Office, including its study of migration problems.
- HOROWITZ, D.** Palestine in 1942; economic analysis; transition to war economy. *Palestine and Middle East* 15: 9-11, 18. Jan. 1943. 286.8 F172
Includes mention of the shortage of agricultural labor and agricultural expansion.
- ILIN, MIKHAIL.** Science in Kazakhstan. *Soviet Russia Today* 12(4): 15-16. Aug. 1943. 280.8 So89
Brief mention of scientific developments in agriculture and livestock breeding.

L53

- INTERNATIONAL CO-OPERATIVE ALLIANCE. ECONOMIC RESEARCH.** Economic problems in a period of transition. III. Economic control in New Zealand in peace and war. *Rev. Internatl. Co-op.* 36(5): 68-72. May 1943. 280.28 In2B
Control of prices, imports and exports in New Zealand after 1936.
- KENDRICK, B. B.** The colonial status of the South. *Jour. South. Hist.* 8: 3-22. Feb. 1942. 134.8 J82
In the old days investments in the South were made by out-siders, and were largely in agricultural real estate, trapping and fur trading enterprises, and companies for exploitation of timber and wealth.
- LEAGUE OF NATIONS.** The transition from war to peace; economy. Report of the Delegation on Economic Depressions, Part 1. League of Nations. Pub. Ser. II. Econ. and Financ. 1943, II, A. 3, 118 p. Geneva, 1943. 280.9 L47P 1943, II, A. 3
Includes discussion of prices and currency, the domestic debt situation, control of demand, international demand for capital and credit and raw materials, international aspects of rationing, and commercial policy. Occasional reference is made to agriculture.
- NAGRIMULAE, R. B.** The tiller of the soil in a South Kanara village (ii). *Madras Jour. Co-op.* 34: 537-540. May 1943. 280.28 M26
Discussion of the economic aspects of farming including the relation of the farmer's plight to the system of land tenure.
- NEWMAN, ELLEN.** Roots of democracy are in the soil. *Farm Impl. News* 64(15): 14-15. July 22, 1943. 58.8 F22
- U. S. BUREAU OF THE CENSUS.** Analysis of specified farm characteristics for farms classified by total value of products. Summary. U. S. Bur. Census. Tech. Release 9, 11 p., processed. Washington, D.C. 1943? 157.41 T22
In cooperation with the Bureau of Agricultural Economics and the Farm Security Administration. Based on a 2-percent sample from the 1940 Census of Agriculture.
- U. S. BUREAU OF THE CENSUS.** Analysis of specified farm characteristics for farms classified by total value of products: Tenure of operator, color of operator in the South, occupancy of farm buildings in 1939 or 1940. U. S. Bur. Census. Tech. Release 8, 9 p. Washington, D. C., 1943? 157.41 T22
In cooperation with the U.S. Bureau of Agricultural Economics and U. S. Farm Security Administration. A statistical study, based on a 2-percent sample from the 1940 Census of Agriculture.
- VILK, J. M.** Contribución del Negociado de Comercio a la agricultura. *Almanaque Agr. de Puerto Rico* 1942: 148-150. San Juan, 1942. 8 AL62

AGRICULTURAL FINANCEGeneral

- ALMEIDA, J. L. de.** O financiamento e a evolução dos negócios internacionais do algodão. *Ouro Branco* 8(2): 10-11. June 1942. 72.8 Ou7
The effect of financing of Brazilian cotton upon the domestic and foreign cotton markets.
- SERRES, J. R.** El régimen de "arrendamientos agrícolas"; su influencia sobre la radicación del poblador rural; a propósito de la reforma del código civil y de las declaraciones de la quinta Conferencia Nacional de Abogados. *Buenos Aires. Univ.*

L54

Facult. de Agron. y Vet. Inst. de Econ. y Legis. Rural, [Pub.] v. 4, no. 1, 27 p. Buenos Aires, 1942. 281.9 B86

Study of the Argentine system of agricultural rents, the legislation in force relating to it, recommendations made in the reform of the Civil Code presented in 1936, and proposals made by the National Lawyers' Conference which met in September 1940.

SOLE, MILLARD. Effect of land purchase by FSA standard loan borrowers on agricultural production in Northern Great Plains. Jour. Land and Pub. Util. Econ. 19: 231-233. May 1943. 282.8 J82

Banks and Banking

MYSOORE CENTRAL CO-OPERATIVE LAND MORTGAGE BANK. Bombay Co-op. Quart. 25: 295-297. Mar. 1942. 280.28 B63

Credit

DOIG, T. W. 4,000,000 credit union members [in North America]; how loans are made - and repaid - by co-operative credit organizations in 44 states and nine provinces. Country Guide [Winnipeg] 62(7): 7, 45. July 1943. 7 G76

Rural credit unions.

KLINGE, GERARDO. Crédito agrícola. (Cont.) Vida Agr. Lima, 20: 49, 51-58, 211-216. Jan., Mar. 1943. 9.8 V66

First and third installments of a report presented to the Agricultural Bank of Peru on various aspects and problems of agricultural credit, particularly as it relates to smallscale farming.

MOYANO, OSMAN. Crédito ganadero. Campo [Buenos Aires] 27(318): 12, 47. Apr. 1943. 9 G15

Description of livestock credit in Argentina.

STEPHENS, P. H. What farmers do about debt. West. Farm Life 45(13): 3, 13. July 1, 1943. 6 R153

Regarding the value of farm real estate and the farm mortgage debt situation in Colorado.

U. S. COMMODITY CREDIT CORPORATION. Rye, barley, and grain sorghums loans. Fed. Register 8: 10340-10343. July 24, 1943. 169 F31

Income

HISCOCK, J. The man on the land. Tasmanian Farmer 6(9): 1, 2. June 1943. 23 T186

Discussion of figures recently issued by the State Treasurer, E. Dwyer-Gray, on income of primary producers in Tasmania, and of vesting of food-production control in the hands of the Federal Minister of Agriculture.

McGILLVRA, G. "Adequate returns essential"; Chief of Dairy Division reviews needs of industry. Primary Prod. [Sydney] 20(22): 7. June 4, 1943. 23 P93

NELSON, PETER, and EDEN, A. B. Cash farm income in Oklahoma. Okla. Agr. Expt. Sta. Current Farm Econ. 16: 95-97. June 1943. 100 Ok4

Statistics by selected commodities, 1928 to 1942; chart on cover page.

Inflation and Deflation

CARVER, T. N. The farmer's post war plight. (To be cont.) Farm Bur. Monthly (Sutter-Yuba County, Calif.) 23(6): 8, 18. July 1943. 275.293 California.

How to prevent post-war deflation.

HARPER, F. A., and CURTISS, W. M. Inflation is on our doorstep. Natl. Indus. Conf. Bd. Conf. Bd. Econ. Rec. 5: 201-212. July 1943. 280.8 N214E
Agriculture's responsibility in the problem of inflation is brought out.

L55

WESTCOTT, G. W. Inflation and the farmer. East. States Co-op. 19(7): 5-8. July 1943. 280.28 Ea7
A general discussion on price control and on the effectiveness of our price-control program, with special reference to the New England farmer.

Insurance

LEIPOLDT, GEORGE. Compulsory crop insurance against hail [in South Africa]; snags in voluntary system and benefits possible from general cover; suggested experiment with wheat. Farmer's Weekly [Bloemfontein] 65: 490-491. May 26, 1943. 24 F225

SAFIER, FRED, USEEM, JOHN, and QUINN, WALTER. Farmers and farm laborers in employment covered by old-age and survivors insurance. U. S. Social Security Bd., Social Security Bul. 6(6): 18-24. June 1943. 173.2 SolSoc

Based on a field survey by the Agricultural Marketing Service and the Works Progress Administration in 1941, in Iowa and Arkansas.

THIS business of agriculture. News from Home 3(4): 8-9. Summer 1942. 284.6 T34

Quotes from an address by G. C. Cundiff on farm fire insurance.

Interest Rates

PAARLBERG, DON. Returns to farm capital, 1913-1939. N.Y. Agr. Col. (Cornell) Farm Econ., No. 136, p. 3477-3480. June 1943. 280.8 C812

Taxation

"En Colaboración con el Práctico Agrícola Manuel Silva King."

This installment is a survey of the agriculture of the Conocoto and Amaguana zone of the Province of Pichincha, Ecuador.

WAR CHANGES in British farming; an official survey. Farming News and North Brit. Agr. 95(26): 7. June 18, 1943. 10 N82

WAR EFFORT on the land in Great Britain. An increase of 70 per cent in food output. Land Union Jour. 40: 221-222. July 1943. 282.8 L22

WARD, A. L. Food production. Cotton and Cotton Oil Press 44(16): 6-7. July 31, 1943. 304.8 C822

A criticism of the Government's agricultural policy.

WERTZ, V. R. 1943 crop prospects are cause for concern. Ohio Farm Bur. News 23(1): 24-25. Aug. 1943. 6 Oh34

WHEAT'S doing in all-India: Madras, by G. Vijayaraghavan; The Punjab, by Malik Amanat Khan; Assam, by S. Chakrabarti; Mysore, by M. Vasudevamurthy. Indian Farming 3: 648-655, Dec. 1942. 22 In283

Chiefly reports of steps being taken to increase and encourage food production.

Agriculture, Post-War

ASTOR, VISCOUNT. The future of farming. Land Union Jour. 40: 214-217. July 1943. 282.8 L22

A post-war agricultural policy for Great Britain.

BEVER, W. F. Policy of the Tasmanian Primary Producers Union; for far reaching plans for the future. Tasmanian Fruitgrower and Farmer 28(240, i.e. 330): 12. June 7, 1943. 23 T185

The aims of the Union are to put agriculture on an economic level with other industries.

BUILDING for the future of the wool industry. Primary Prod. Perth 28(23): 1, 2. June 10, 1943. 23 P932

A statement presented by F. Eric Hitchins on behalf of the Australian Wool Producers' Federation before

the Rural Reconstruction Commission in Melbourne. It brought out the need for a just price for producers and advised a long-term policy for the future.

HARVEY, J. R. A nutritional policy. Scot. Farmer 51: 754. July 3, 1943. 10 Sco8

Notes the two policies for post-war British agriculture and points out that poultry producers' interests lie in the so-called "nutritional policy" which would attempt to raise the country's standard of living.

J., A. H. Aan elk sy regmatige plek. Com. Opinion 21(244): 16. May 1943. 287 C73

Discussion of post-war social and economic reconstruction, with slight mention of agriculture.

LEHMAN, H. H. Relief and rehabilitation. Foreign Policy Rpts. 19: 102-105. July 15, 1943. 280.8 F76R

Points out the decline in agricultural production in Europe and discusses the measures which will need to be taken in reconstruction.

Following this article is an Agreement for United Nations Relief and Rehabilitation Administration, with Introductory Note by Winifred Nelson Hadsel, p. 105-108.

The address is also published in Vital Speeches of the Day 9: 621-624, Aug. 1, 1943 (280.8 V83); in Amer. Federationist 50(7): 26-28, July 1943 (283.8 Am); and in Nulaid News 21(4): 7-9. July 1943 (47.8 N917)

A PRACTICAL plan for post-war progress. Canad. Business 16(7): 28-31, 122, 124, 126. July 1943. 287 C162

A series of questions with answers taken from the Brief presented by the National Board of Directors of the Canadian Chamber of Commerce to the Joint Parliamentary Committees on Reconstruction. Farming methods and markets for agricultural products are included.

SEIFERT, H. A. Pitfalls of planning are discovered in N. Z. Stock and Land 33(25): 5. June 23, 1943. 49 St63

Brings out problems of post-war control of commodity production, distribution, and price-fixing in New Zealand.

WIGAN, FRANK. Future demands planning now; Federal export supervisor's view of dairying problems; forecast of strong post-war competition. Primary Prod. Sydney, 20(22): 8, 10. June 4, 1943. 23 P93

WILLIAMS, G. T. Post war poultry planning; 12 months training on practical farms essential for beginners. Poultry Farmer, July 30, p. 3. 47.8 F312

Discusses capital outlay for going into poultry farming in Great Britain.

ZOHARI, M. Future of Near East deserts; desert plant life; agricultural prospects. Palestine and Middle East 15: 5-5. Jan. 1943. 286.8 P172

The term "desert" is used in a broad sense to include the steppes.

Subsidies

BULLOCK, EARL. Subsidies opposed and roll-back clarification requested. Amer. Milk Rev. 5(7): 218. July 1943. 44.8 Am38

Resolution of the Indiana Manufacturers of Dairy Products Association.

FOOD SUBSIDIES and inflation. Fed. Reserve Bank of Atlanta. Monthly Rev. 28: 49-51. July 1943. 284.8 F31A

Subsidies "are a necessary and inevitable weapon against inflation if efforts at stabilization are to be anything more than a pretense."

KING, W. I. What about food subsidies? Farm Bur. and Co-op. News 21(9): 10. Aug. 1943. 280.28 C7892

L62

THE PRICE rollback idea and how it works. East. Milk Prod. 19(12): 3. July 1, 1943. 280.28 Sh3
Effect on farm products of price control by means of subsidies.

SHOULD subsidies to farmers be adopted as government policy? Coop. Digest 4(1): 24-25. July 1943. 280.28 C7896

Remarks condensed from addresses by Donald Montgomery and Albert S. Goss.

SUBSIDIES. Canada at War, no. 25, p. 9-11. June 1943. 280.8 C163

Outlines the story behind Canadian subsidies and the purposes to be achieved, and lists the domestic and imported products on which subsidies are paid.

SULLIVAN, LAWRENCE. The quagmire of food, subsidies. Nation's Business 31(8): 32, 34, 64. Aug. 1943. 286.8 N212

WHEAT about food subsidies? Mich. Milk Messenger 25(3): 3. July 1943. 44.8 M582

From a statement by Willford I. King.

Considers the cost, how it would be met, and its effect.

WHEAT price subsidies? Amer. Federationist 50(7): 6-7, 8, 31. July 1943. 283.8 Am

COST AND STANDARD OF LIVING

ULMER, M. J. Living costs since beginning of retail price control. U. S. Bur. Labor Statis. Monthly Labor Rev. 57(1): 66-81. July 1943. 158.6 B87M

Discussion is included of prices of farm products and food. Table 4 shows Progress of CPA Price Controls for Farm Products and Foods.

WILLIAMS, F. M. Bureau of Labor Statistics cost-of-living index in wartime. U. S. Bur. Labor Statis. Monthly Labor Rev. 57(1): 82-95. July 1943. 158.6 B87M

Notes rationing of consumers' goods and disappearances of these goods as a result, the food-cost index, and problems of pricing in wartime.

FARM MANAGEMENT AND LAND ECONOMICS

ARIDICULTURA o dry-farming. Vida Agr. [Lima, 20: 35-39, 41-42. Jan. 1943. 9.8 V66

A discussion of dry-land farming and its advantages and disadvantages, particularly as it is followed in the United States. Also brings out its possibilities for Peru.

DU TOIT, ROSCAR. How to avoid waste on the farm. So. Africa Dept. Agr. and Forestry. Publicity Ser. 103, 2 p. Pretoria, Apr. 20, 1943. 24 So82P

Suggestions for the efficient use of materials, time, and animals.

NESIUS, E. J., and MacFARLANE, D. L. War production plans for individual farms in the Pennyroyal area. Ky. Agr. Col. Farm Econ. Dept. Farm Econ. Misc. 112, 13 p., processed. Lexington, 1942. 281.9 K41

"The data used in this report were derived from a farm organization study being carried out jointly by the Kentucky Agricultural Experiment Station and the Bureau of Agricultural Economics, and from a farm account book project of the Kentucky Agricultural Experiment Station."

"The Bureau of Agricultural Economics, United States Department of Agriculture, cooperating."

OYS, G. J. C. Waste on the farm. So. Africa Dept. Agr. and Forestry. Publicity Ser. 37, 2 p. Pretoria, Nov. 10, 1942. 24 So82P

Examples of various types of wastefulness in farming.

Cost of Production

BIEBLY, I. E. Factors affecting costs and returns in producing milk - size of business. N. Y. Agr. Col. (Cornell) Farm Econ. No. 136, p. 3474-3476. June 1943. 280.8 C812

"This is the third in a series of articles on this general topic."

A summary of a study of dairy farms in New York.

DARRAH, L. B. The cost of producing eggs--light breeds versus heavy breeds. N. Y. Agr. Col. (Cornell) Farm Econ., No. 136, p. 3465-3469. June 1943. 280.8 C812

GARCIA-MATA, RAFAEL, and FRANCHELLI, R. A. El costo de la cosecha mecánica del algodón. Argentina. Junta Nac. del Algodón. Bol. Mens., No. 93, p. 15-22. Jan. 1943. 72.9 Ar3

Gives details of costs of mechanical harvesting of cotton.

WARD, G. H. The rising cost of producing milk. Va. Farm Econ. 53: 783. July 1943. 275.29 V813

Farm Bookkeeping and Records

CARTA de un ganadero. Rev. Ganad. [Habana, 3(4/5): 7-8. Apr./May 1943. 49 R321

Text of a letter from a cattle grower who gives a statement of his financial operations for the year.

DOBIE, J. F. When cowman bookkeeping was simple. Cattleman 30(2): 34-35. July 1943. 49 C29

Farms - Number and Size

ACRES of rare fruits. Hawaii Farm and Home 6(7): 7. July 1943. 25 H3191

Describes the tropical crops grown by David T. Fleming of Maui and notes his theory that acre-sized homesteads should be made available for city workers and plantation employees.

ALLRED, C. E., BONSER, H. J., and LEBRUN, E. J. Significant changes in agriculture of Cumberland County, Tennessee. Tenn. Agr. Expt. Sta. Rural Res. Ser. Monog. 139, 38 p., processed. Knoxville, 1942. 173.2 W89C6

Area in farms and size of farms have decreased, while the number of farms has increased since 1860.

GREENSHIELDS, E. L. Changes in size of farms. U.S. Bur. Agr. Econ. Agr. Situation 27(7): 19-21. July 1943. 1 Ec7Ag

HARTARD E., MAURICIO. Propiedad agrícola. II. Distribución de las tierras. Campesino [Santiago, Chile, 75: 245-246. Apr. 1943. 9.3 Sol2

Second installment of an article on agricultural property in Chile, discussing distribution of agricultural and arable lands throughout the various zones and arable area by size-of-holding groups.

PRICE, W. T. The agricultural unit in relation to the small farm. Bath and West and South. Counties Soc. Pam. 6, 23 p. Bath, Aug. 1942. 10 B32P

Discusses future agricultural policy for Great Britain, with particular attention to the question of private versus national ownership of land and size of holdings.

Land Settlement and Colonization

FRUMKIN, H. Youth settlements in Palestine; breaking new ground; homes for young refugees. Palestine and Middle East 15: 71-72. Apr. 1943. 286.8 P172

A description of the independent agricultural communities established by young settlers and their achievements.

GARDINER, ROLF. Preliminaries of post-war land settlement; a memorandum drawn up for discussion by an informal group studying the question. Trees 7(1): 24-26. July/Sept. 1943. 99.8 T714

"Reprinted from 'The New English Weekly,' March 18th, 1943."

- GRANOVSKY, A. Ruppini: builder of a homeland; architect of reconstruction, thinker and man of action. *Palestine and Middle East* 15: 24-25. Feb. 1943. 286.8 P172
- Arthur Ruppini's part in the land-settlement movement in Palestine.
- GURION, D. B. The future of Palestine; reconstruction or new ghetto; humanity's duty. *Palestine and Middle East* 15: 64-68. Apr. 1943. 286.8 P172
- MELTZER, J. L. A colony from the new world; from Catskill Mountains to Kfar Menachem. *Palestine and Middle East* 15: 33, 25. Feb. 1943. 286.8 P172
- Land-settlement experiences of a group of colonists from near Liberty, New York State, who went to Palestine.
- STATE country party [Western Australia?]; Publicity committee. Land settlement and interest rates; avoiding past methods. *Primary Prod.* [Perth] 28 (24): 1. June 17, 1943. 23 P932
- Urges that the party should not approve any schemes for settlement in Western Australia in which agricultural advances had to be paid for at a rate of over two percent.

Land Tenure

- CHARDON, C. E. La autoridad de tierras. *Almanaque Agr. de Puerto Rico* 1942: 54-67. San Juan, 1942. 8 AL62
- Briefly traces the history of land-tenure legislation since colonial times in Puerto Rico, leading up to the Lands Law of 1941.
- EASTERBROOK, L. F. If the State owned the land. *Home Farmer* 10(7): 11. July 1943. 280.344 H75
- Brief discussion of effects.
- FARM land tenancies; proclamation of Agricultural Holdings Act on July 1; provisions and purposes explained. *Primary Prod.* [Sydney] 20(22): 4. June 4, 1943. 23 P93
- The features of the Act as explained by A.W.S. Moodie.
- MASON, J. E., and BERTRAND, A. L. Tenure status of new-ground settlers in Louisiana. *Jour. Land and Pub. Util. Econ.* 19: 233-238. May 1943. 282.8 J82
- MOODIE, A. W. S. Farm tenancy in New South Wales; the Agricultural Holdings Act, 1941, and its application. (to be cont.) *Agr. Gaz. N.S. Wales* 54: 206-211. May 1943. 23 N472
- Describes "the facts of tenancy and share farming in New South Wales and their influence on the trend towards the development of soil exhausting practices."
- THE OWNERSHIP of land. *Economist* [London] 145: 35-36. July 10, 1943. 286.8 Ec7
- Sets forth the case for nationalization of land in Great Britain as a requisite of national land planning.
- OWSLEY, F. L., and OWSLEY, H. C. The economic structure of rural Tennessee, 1850-1860. *Jour. South. Hist.* 8: 161-182. May 1942. 134.8 J82
- Distribution of land and slave ownership among the agricultural families.
- STREETER, C. P. Should you get a farm? *Jour. Living* 9(2): 42-47. Aug. 1943. 389.8 J822
- The advantages and disadvantages of owning a farm.
- TIMMONS, J. F. Land tenure policy goals. *Jour. Land and Pub. Util. Econ.* 19: 165-179. May 1943. 282.8 J82
- Discusses past and present tenure policy with special reference to the Report of the President's Committee on Farm Tenancy, February, 1937, and lists six goals to be striven for in land tenure.

Land Utilization

- CHARTERED SURVEYORS' INSTITUTION. The Uthwatt report. First memorandum by the Council of the Chartered Surveyors' Institution on the Report of the Expert Committee on Compensation and Betterment. (Presented to the Minister of Works and Planning and the Minister without portfolio in January, 1943.) *Chartered Surveyors' Inst. Jour.* 23(1): 22-26. July 1943. 282.9 C38J
- CHARTERED SURVEYORS' INSTITUTION. The Uthwatt report. Second memorandum by the Council of the Chartered Surveyors' Institution on the Report of the Expert Committee on Compensation and Betterment. (Presented to the Minister of Town and Country Planning and the Minister without portfolio in June, 1943.) *Chartered Surveyors' Inst. Jour.* 23(1): 27-32. July 1943. 282.9 C38J
- CHARTERED SURVEYORS' INSTITUTION'S, criticisms of the Uthwatt report. *Land Union Jour.* 40: 218-220. July 1943. 282.8 L22
- Discussion of the two memoranda issued by the Institution and listed above.
- LEE, A. T. M., and HAUCK, J. F. Excessive land subdivision in the New Jersey Pine Area. *Jour. Land and Pub. Util. Econ.* 19: 207-221. May 1943. 282.8 J82
- MEMORANDUM on the report of Lord Justice Scott's committee prepared by the Joint Committee of the Commons, Open Spaces and Footpaths Preservation Society and Ramblers' Association and approved by the executive committees of those organisations. Commons, Open Spaces and Footpaths Preserv. Soc. *Jour.* 7:167-175. July 1943. 98.9 G73
- Comments on the parts of the report dealing with public rights of way.
- OLIPHANT, J. W. The land-use movement in West Africa. *Forestry Abs.* 4(4): 205-210. 1943. Ref. 241.01 In7
- Discusses the administrative approach to the problem.
- STAMP, J. D. Planning. *Trees* 7(1): 13-14. July/Sept. 1943. 99.8 T714
- A plea for proper land use in Great Britain.
- TAYLOR, M. H. Selective selling and leasing of county land in North Dakota. *Jour. Land and Pub. Util. Econ.* 19: 238-242. May 1943. 282.8 J82
- Deals with the land use policy law of 1941 with special reference to the Sioux County land management program.

Land Values and Valuation

- COLON, E. D. Una oportunidad de racionalización. *Almanaque Agr. de Puerto Rico* 1942: 68-70. San Juan, 1942. 8 AL62
- Discussion of a system of land valuation for taxation set forth in a book issued by the Federal Department of Agriculture and entitled: *Estudio de los Suelos de Puerto Rico*.
- MURRAY, W. G. Land boom ahead? *Iowa Farm Econ.* 9 (7): 7, 16. July 1943. 275.28 I92
- Increases in the number of sales and in the price of Iowa farm land indicate the approach of another land boom. A boom-control program is outlined.

POPULATION

- HERRING, ELIZABETH. Democratic issues in food production. *Social Action* 9(4): 2-47. April 15, 1943. 280.8 S912
- A discussion of the social and economic conditions of the farm population, with special reference to the various farm organizations and to the power politics of the Farm Bloc.

165

L66

- MANGUS, A. R. Wartime migration of farm youth. Ohio Agr. Expt. Sta. Bimo. Bul. 28: 105-107. May/June 1943. 100 Oh38
Findings of a survey based upon "information given by the Federal Census enumeration of the Ohio farm population in 1940 and on estimates provided by a field survey of farm youths in... 17 representative Ohio counties in January 1943."
- MYER, D. S. Relocating a farm population. U. S. Ext. Serv., Ext. Serv. Rev. 14: 100-101. July 1943. 1 Ex892Ex
Resettlement of farmers and farm workers of Japanese ancestry who were evacuated from the Pacific coast.

RURAL SOCIAL ORGANIZATION

Institutions

- DONEY, V. The food and clothing of the people; the place of rural industries in reconstructed Australia. Primary Prod. [Perth], 28(24): 1. June 17, 1943. 23 P932
DESCRIPCION DE LA ESCUELA NACIONAL DE AGRONOMIA "Mariscal Estigarribia." Agr. Com. e Indus. [Asunción], 2(8): 7-11. Jan. 1943. 9.7 Ag8R
Description of the National School of Agronomy "Mariscal Estigarribia" in Paraguay and its purposes, organization (including an organizational chart), and plan of studies.
- FITZGIBBON, R. H. Currents of change down under - a survey. So. Atlantic Quart. 42: 270-281. July 1943. 110 So82
Discussion of social changes in Latin America.
- GREGG, G. E. Young farmers' clubs in Worcestershire County. Worcestershire Agr. Chron. 11: 199, 201. May 1943. 10 W892
- HYDRICK, J. L. Intensive rural hygiene work in the Netherlands East Indies. With an intro. by Prof. J. Snapper. Booklets of The Netherlands Inform. Bur. 7, 83 p. New York, 1942. Ref. 449.15 H99
- KINOSHITA, V. M. Victory fairs. Hawaii Farm and Home 6(7): 18. July 1943. 25 H3191
Describes the agricultural exhibit at the fair held at the Spreckelsville School, Maui, Hawaii.
- KIRKLAND, J. B. Getting farmers to adopt improved practices. Agr. Ed. Mag. 16(1): 10, 12. July 1943. 275.8 Ag8
Teaching hints.
- LOFTUS, P. C. The future of our smaller boroughs. Nineteenth Cent. and After 134: 85-88. Aug. 1943. 280.8 M62
Discusses proposals for the abolition of non-county boroughs and urban districts below a certain population and recommends that instead they be made larger by decentralization of industry and absorb the surrounding Rural District Council areas. This would "retain the ancient charters and self government, while greatly enlarging its boundaries."
- MENDOZA, AQUILERO. Para tener una agricultura próspera, ayudemos al campesino. Vida Campesina [Bucaramanga], 2(4): 7-8. Sept. 1942. 9.4 V662
Text of a lengthy letter written by the author to the magazine "Calibán" describing the poverty of the Colombian peasant and making ten recommendations to improve his condition.
- NICOL, M. J. Wartime adjustments in agricultural education. Agr. Ed. Mag. 16(1): 8-9. July 1943. 275.8 Ag8
Changes in curricula, activities, and accomplishments of students of the Community High School at Marengo, Ill., in the interest of increased food production.

- ORMOND, J. M., and others. Land and human welfare. Christian Rural Fellowship Bul. 82, 5 p., processed. May 1943. 281.29 C46
- OUR MINORITY groups: 2. Spanish-speaking people. Building Amer. 8: 130-160. Feb. 1943. Ref. 280.8 B86
History and background of the Spanish-speaking peoples in the United States and description of their present social condition, including conditions among the Mexican migratory workers.
- PEREZ, M. A. Condiciones de vida entre los pequeños agricultores de Puerto Rico. Almanaque Agr. de Puerto Rico 1942: 152-162. San Juan, 1942. 8 AL62
Summary, translated into Spanish, of a work in English published as number 2 of a series of Bulletins of Agricultural Investigations (Boletines de Investigaciones Agro-Pecuarías) by the Puerto Rican Department of Agriculture and Commerce. It is a study of 3,069 families of small farmers who work farms of from 5 to 34 cuerdas.
- RAMIREZ V., ADOLFO. Una escuela vocacional agrícola en Suaita. Vida Campesina [Bucaramanga], 2(4): 45-46. Sept. 1942. 9.4 V662
Notes the opening of the first vocational agricultural school in the Department of Santander, Colombia, and describes the work of the school.
- TEXAS AGRICULTURAL AND MECHANICAL COLLEGE. Adult farmer education. Tex. Agr. and Mech. Col. Spec. Helps Bul. 10, 19 p. College Station, 1942. 276 T3122S
School of Agriculture, Department of Agricultural Education, in cooperation with the State Board for Vocational Education.
- THOMPSON, E. T. Comparative education in Colonial areas, with special reference to plantation and mission frontiers. Amer. Jour. Sociol. 48: 710-721. May 1943. 280.8 Am3
Study of the influences of the plantation or agricultural-mission type of social-economic organization on education, inventiveness, and social and political control, in the Southern States, and other countries or areas of the world.
- THOMPSON, J. I. Methods and measurements in farm planning and swine production. Agr. Ed. Mag. 16(1): 6-7. July 1943. 275.8 Ag8
How to give vocational agriculture students sound training in farm planning. Describes the procedure on hog and dairy farms.

Human Ecology

- COUTURE, C. E. Abitibi... a pioneer market. Canad. Milling 24(7): 18-19, 24, 25. July 1943. 298.8 C162
Description of the Abitibi region, generally "referred to as the Clay Belt of northern Quebec," where settlement is increasing and where there are great possibilities for the establishment of further rural communities.
- GEDDES, J. A. Modification of the early Utah farm village. Assoc. Pacific Coast Geog. Yearbook 8: 15-22. 1942. 331.9 As7
- JENKINS, W. J. Village developmental projects in Bombay Province. Poona Agr. Col. Mag. 34: 173-178. Feb. 1943. 22 P79
Describes the "Bombay Dry Farming System" and a scheme of land development which is to include introduction of this system, financed by a trust fund left by Sir Guesrow Wadia.
- LOMAX, K. S. The Tennessee Valley Authority; an experiment in regionalism. Nature 151: 592-593. May 22, 1943. 472 N21

L68

- SAYERS, LUCILE. The village as it might be. Country Life, London, 93: 876-877. May 14, 1943. 80 C83
Village improvement with the "object of lightening the everyday routine."

Rural Organizations and Movements

- AGRICULTURAL co-operation and post-war reconstruction: problems discussed at London conference. Rev. Internatl. Co-op. 36: 72-77, 92-96. May, June 1943. 280.28 In8B
Extracts and summary of addresses at the conference on "Co-operative Systems in European Agriculture" organized by the Division for the Social and International Relations of Science of the British Association for the Advancement of Science.
BOWLES, C. E. Farmers' cooperatives in the business world. Prod. Consumer 9(1): 6. Aug. 1943. 280.28 P942
FABRA RIBAS, A. The cooperative movement in Latin America: its significance in hemisphere solidarity; translated from the Spanish by Ann Light with an introduction by Richard F. Behrendt. Inter-Americana Short Papers 3, 62 p. Albuquerque, Univ. of New Mexico press. 1943. 280.8 In86
FERGUSON, J. S. The Grange and farmer education in Mississippi. Jour. South. Hist. 8: 497-512. Nov. 1942. 134.8 J82
HARVEY, C. A further note on the Nausori Fijian co-operative market. Fiji. Dept. Agr. Agr. Jour. 14: 36. June 1943. 25 F47Ag
Notes organization, management, membership, and importance of the market which "was originated by exempted Fijian farmers in September 1939, for the disposal of fresh vegetables, fruit and other produce."
HEDGES, HAROLD. Cooperatives at war. Coop. Digest 4(1): 30-31. July 1943. 280.28 C7896
Condensed from 1943 Blue Book of the National Council of Farmer Cooperatives.
KALE, V. G. Economists look at co-operation. Bombay Co-op. Quart. 25: 291-295. Mar. 1942. 280.28 B63
Discussion of papers read at the Bombay meeting of the Indian Economic Association, in which rural co-operation was dealt with.
LAGUNA, F. Uniones agrarias. Almanaque Agr. de Puerto Rico 1942: 101-105. San Juan, 1942. 8 A162
Discussion of so-called agricultural unions, or cooperatives for small farmers, in Puerto Rico.
MCCONNELL, J. A. Farm co-op movement will never fail if the farmer - has the fortitude, patience, courage, and persistence to work out his own salvation, through his own organizations. Pa. Co-op Rev. 10(9): 10-13. Aug. 1943. 280.28 P38
PANTULU, V. R. Co-operation and post-war economic reconstruction. Indian Co-op. Rev. 8: 397-405. Oct./Dec. 1942. 280.28 In2
Includes the effects of the war on the Indian co-operative movement, particularly industrial, consumers', and credit societies.

- SCHROEDER, W. P. Fremont, Mich.; F.F.A. co-operative orchard project. Agr. Ed. Mag. 16(1): 16-17. July 1943. 275.8 Ag8
This project of Future Farmers of America covers pruning and spraying, harvesting, marketing, and the keeping of accurate records.
SHERMANTINE, R. W. Why cooperate? Md. Farmer 27 (7): 7, 11. July 1943. 6 M362
A discussion on objectives of cooperatives, with special reference to the Maryland Dairymen's Co-operative Milk Producers, Inc.
SINGH CHAUDARY, RISAL. Liquidation of cooperative societies in India. Madras Jour. Co-op. 34: 541-543. May 1943. 280.28 M26
VOORHIS, JERRY. Cooperatives aid world's problems. Mo. Farmer 35(14): 4. July 15, 1943. 6 M696
Why the cooperative method offers the most solid single hope for a better post-war world. Presented in an address before the Dairymen's League Food Forum.

RURAL SOCIAL PSYCHOLOGY

- MOORE, ARTHUR. Why farmers fear the peace. Atlantic 172(2): 52-55. August 1943. 110 At
Discusses farmer attitudes toward subsidies, trade agreements, Lend-Lease, and the Good Neighbor policy, which center "around the single theme of cheap food" and "reveal a solid core of farm obstruction to international cooperation and the possible starting point of a rigid economic nationalism."

TRADE, FOREIGN AND INTERNATIONAL

- ALARCON M., ADOLFO. La guerra y el comercio de exportación de productos agropecuarios de Latinoamérica. Estadística 1(1): 119-131. Mar. 1943. 251.8 Es8
Studies the effect of the World War upon the agricultural exports of the Latin American countries, particularly for the years 1939 and 1940.
BIRKETT, C. B. New Zealand's trade with Canada in 1942. Canada. Dept. Trade and Com., Com. Intel. Jour. 69: 1-4. July 3, 1943. 286.8 C16
Includes agricultural products.
BOVEY, WILFRID. Canada trades with the Belgian Congo. Canad. Business 16(8): 26-29. Aug. 1943. 287 C162
Mention is made of the agricultural products of the Belgian Congo, trade relations of the Belgian Congo with Canada, and post-war possibilities for trade.
ROVENSKY, J. C. Postwar trade with the Americas. Mfrs. Rec. 112(8): 42-43, 66. Aug. 1943. 297.8 M31
The present war has brought out the vital need for a much higher production of their basic requirements.
STILL scope for exports: The Central American States. Textile Rec. 61(723): 26-27. June 1943. 304.8 T311
Brings out the beneficial effects of the war on the economies of the Central American States, and discusses the potentialities for trade in agricultural products and textiles in each of them.
TRADE with Turkey: Great Britain's favoured position. Leather Trades' Rev. 76: 850, 852-854. July 21, 1943. 303.8 L48

SUBJECT

Numbers refer to columns. When several minor subdivisions of a subject occur in one column, reference is made only to the general subject of the column.

- | Column | | Column | | Column |
|------------------|---------------------------------------|--------------------|--|--------|

U. S. D. A. Miscellaneous Publication 337, Abbreviations Used in the Department of Agriculture for Titles of Publications, is followed in this publication.

Items marked with an asterisk (*) are ordinarily available in microfilm or photoprint only.

Except for printed publications of the Department of Agriculture, which are usually available in limited supply for free distribution, the publications listed herein are not available for free distribution from the Department. However, photoprint or microfilm copies of any publication listed may be obtained from the Library at the following prices:

MICROFILMS: 50 cents for any single article, from any single volume of a periodical. Books and Serial Publications.—50 cents for each 50 pages or fraction thereof.

PHOTOPRINTS: 10 cents for each page of text, with a minimum charge of 50 cents per item.

I. PUBLICATIONS OF THE UNITED STATES DEPARTMENT OF AGRICULTURE, STATE AGRICULTURAL EXPERIMENT STATIONS, STATE AGRICULTURAL EXTENSION SERVICES, AND BOOKS AND PAMPHLETS FROM OTHER SOURCES

A47

U. S. D. A. PUBLICATIONS

Includes printed and processed publications of the Department, received in the library during the preceding month, except classified publications, forms, and periodical articles, such as those in the Agricultural Situation and Journal of Agricultural Research which are listed under subject in the section on Periodical and Serial Literature.

Printed publications may be obtained free upon application to the Office of Information, United States Department of Agriculture, Washington 25, D. C., as long as the Department's supply lasts. After this supply is exhausted, publications may be obtained from the Superintendent of Documents, Government Printing Office, Washington 25, D. C., by purchase.

Processed publications may ordinarily be obtained free of charge from the issuing bureau as long as the supply lasts.

Publications preceded by an asterisk (*) are ordinarily available only in microfilm or photostat.

Agricultural War Information

AWI. 15 nos. Folder, 1943. 1 Ag84Aw
AWI-40. Insecticides are ammunition - use them wisely; AWI-47. Dried beans & peas in wartime meals; AWI-49. Legume seed production in the North, by E. A. Hollowell; AWI-50. Women's land army needs workers; AWI-51. 4-H... and the war; AWI-52. Victory farm volunteers of the U.S. crop corps need 500,000 boys and girls; AWI-53. Do you need additional farm help?; AWI-54. Green vegetables in wartime meals; AWI-55. Market your range cattle in the best condition; AWI-56. How to make standard containers from second-hand boxes; AWI-57. Mr. Farmer - send your logs to war; AWI-58. Victory gardeners can prevent earworms [Heliothis armigera] from entering their corn [by use of white mineral oil]; AWI-59. Oven drying one way to save victory garden surplus; AWI-60. Wanted: 14 million acres more wheat for '44; AWI-61. Canning tomatoes.

General Departmental Circulars

GENERAL departmental circular. 5 nos., processed. 1943. 1.90 A2G28
No. 3. Safety programs. 1 p.; No. 5. Board of Review on Efficiency Ratings designation of Department representative. 1 p.; No. 6. Designation of administrative or supervisory employees of the Department to administer oaths of office, oaths to personnel affidavits, and other oaths required in connection with employment. 6 p.; No. 7. Limitation of travel. 1 p.; No. 8. USDA clubs in wartime. Objectives of the clubs; list as of July 1943. 3 p.

Leaflets

WHITE, W. H. Cutworms in the garden. U. S. D. A. Leaflet 2, slightly rev., 2 p. 1943. 1 Ag84L

Miscellaneous Publications

CHILTON, S. J. P., HENSON, L., and JOHNSON, H. W. Fungi reported on species of Medicago, Melilotus, and Trifolium. U. S. D. A. Misc. Pub. 499, 152 p. 1943. 1 Ag84M
SPILLERS, A. R., and ELDREDGE, I. F. Georgia forest resources and industries. U. S. D. A. Misc. Pub. 501, 70 p. 1943. 1 Ag84M
Mensurational analyses in charge of P. R. Wheeler.

A48

WINTERS, R. K., WARD, G. B., JR., and ELDREDGE, I. F. Louisiana forest resources and industries. U. S. D. A. Misc. Pub. 519, 44 p. 1943. 1 Ag84M
Mensurational analyses in charge of P. R. Wheeler.
ZIMMERMAN, F. L. List of available publications of the United States Department of Agriculture. U. S. D. A. Misc. Pub. 60, ed. 2, abridged. 32 p. 1943. 1 Ag84M [Abridged]

Periodicals

AGRICULTURE decisions. Monthly. 1943. 1 Ag84Ad
Issue received: v. 2, no. 6, June.
Decisions issued under the regulatory laws administered in the United States Dept. of Agriculture.
CROPS and markets. Quarterly. 1943. 1 Ag84Wcm
Issue received: v. 20, no. 3, July.
Contains statistics of crop and livestock production, farm wage rates, farm income, marketing, farm prices.
JOURNAL of agricultural research. Semimonthly. 1943. 1 Ag84J
Issues received: v. 67, no. 2, July 15; no. 3, Aug. 1; no. 4, Aug. 15; no. 5, Sept. 1.
USDA. Semimonthly. 1943. 1 Ag84U
Issues received: Aug. 21.

Radio Broadcasts, National Farm and Home Hour (Processed)

DUMARS, M. L., and CARPENTER, STANLEY. I've got to go back to school. 2 p. Sent. 9, 1943. 1.914 R2R11
Chores of a 14-year old school boy on a Maryland farm.

- WATTS, L. F. Forests for war -- and peace. 2 p.
Sept. 8, 1943. 1.962 A2R11
WELDEN, W. C., and KADDERLY, W. L. Our milk supplies.
3 p. Aug. 31, 1943. 1.9422 A2R11

Radio Broadcasts.Victory Garden Programs (Processed)

- MOORE, ERNEST, DuMARS, M. L., and HEMPHILL, JOSEPHINE.
Compost for the victory garden. 6 p. Aug. 23, 1943.
1.914 R2R11 (no. 30)
MOORE, ERNEST, DuMARS, M. L., and HEMPHILL, JOSEPHINE.
Cover crops for the victory garden. 5 p. Aug. 16,
1943. 1.965 A2R11 (no. 29)
MOORE, ERNEST, YOUNGMAN, W. H., and DuMARS, M. L.
Plant now for next year's victory garden, (spinach,
onions, lettuce, parsley). 6 p. Aug. 30, 1943.
1.965 A2R11 (no. 31)

U. S. D. A. War Board

WAR BOARD memorandum. 47 nos., processed. 1943.

1.90 A5W19

Contents:Construction:

23. Revision in procedure for assigning AA-2 ratings for lumber. (War Production Board Directive 26, of June 12, 1943, is attached) 2 p.; 24. Procedure for distributing copper wire for farmstead wiring and summary of procedure for securing power line connections. (Memo. 390). 7 p.; 24 (Sup.1). Form CW-200--Application for copper wire for farmstead wiring and/or power line connection. (Memo. 390). 1 p.; 24 (Sup. 2). Form CW-204 - Copper wire distribution report for the period (Memo. 390). 1 p.; 25. I. Extension of additional authority to Regional W. P. B. Offices; II. New L-41 and utility forms. (Memo. 391). 1 p.; 26. Supplemental information on the AA-2 farm lumber procedure. (Memo. 404). 5 p

Credit:

7. Procedure for the collection of RACC loans. (Memo. 385). (Letter by the secretary of the Regional Agricultural Credit Corporation attached) 1 p.

Information:

- 71XX. Elimination of errors in the execution of application forms for priority assistance. (Memo SD) 1 p.; 71XXX. Campaign to improve the grade of cotton through better picking and ginning. (Memo. SD). 1 p.; 71XXXX. Harvesting roughage for feed. (Memo. SD). 1 p.; 71 - 5X. Saving alfalfa seed. (Memo SD). 1 p.; 72. Sharing farm machinery. (Memo. 413). 1 p.

Labor:

23. Clearance with Selective Service local boards of essential migratory farm workers. (Memo. 387). 1 p.

Machinery:

- 99 (Sup. 1). Amendments to State and County USDA War Board procedure for requisitioning idle farm machinery. (Memo. 357). 2 p.

Machinery rationing:

105. Requisitioning of idle farm machinery. (Memo. 378). 1 p.; 106. Amendment 4 to Food Production Order 3, releasing the remaining 10 percent reserve on domestic water systems, and the 20 percent reserve on windmill pumps and pump jacks. (Order attached) (Memo. 380). 1 p.; 107. 1944 milk can distribution program. (Amendment 3 to FPO-3 attached) (Memo. 381) 1 p.; 108. Revised distribution of pressure cookers. (Memo. 394). 2 p. (1 - p. correction issued July 17); 109. Interim order providing for the distribution of farm machinery produced under L-257. (Memo. 397). 2 p. (FPO 3, Sup. 5, attached); 110. Procedure for issuing preference ratings for engines for farm use. (Memo. 407) 3 p.; 113. Appeal for milk cans from manufacturers' reserves - more adequate information requested. (Memo. 417.) 2 p.

Operations:

22. Transmission of correspondence. (Memo 383). 1 p. July 6.

Production:

- 46, Sup. 2. Technical instructions for the issuance of permits and the review of petitions under FDO 27, slaughtering permits, (Memo. 375). 6 p.; 48. Amendment 1 to FDO 27-2. Monthly quotas for beef and pork. (Memo. 382). 1 p.; 49. Handling the 1943 sweetpotato crop. (Memo. 392). 2 p.; 50. Butcher cattle quotas under Food Distribution Order 27.2, amendment 1. (Memo. 395) 1 p.; 50X. Handling the 1943 potato crop. (Memo. SD). 2 p. (Attachments); 50 XX. Storage facilities for sweetpotatoes. (Memo. SD). 1 p.; 50XXX. Sweet Potatoes. (Memo. SD). 1 p.; 51. Weekly reports from slaughterers. (Memo. 396). 1 p.; 53X. Certification of processors for payment under CCC vegetable purchase program. (Memo. SD). 2 p.; 55. Program for increased production of forest products by farmers. (Memo. 409). 12 p.; 55X. 1943 sweetpotato program. (Memo. SD). 3 p.; 56. Slaughterers' permits and surrendering of ration stamps for 4-H Club Livestock. (Memo. 411). 1 p.; 57. War meat program - County war meat committees. (Memo. 418). 1 p.

Reports:

34. Progress reports on processing of slaughter permits. (Memo. 379). 1 p.; 35. Monthly report covering June War Board activities. (Memo. 389). 1 p.; 38. Information to reflect demand for certain key items of farm machinery. (Memo. 416). 1 p.

Supplies:

- 26, Sup. 1. Limited expansion of frozen food locker plants. (Memo. 187). 1 p. (Attachments); 35X. Distribution of imported animal and marine proteins. (Memo. SD) 1 p.; 36. Distribution of copper wire for farmstead wiring. (Memo. 384) 1 p.; 37. Policy regarding critical materials, farm machinery, equipment, and farm labor; for new land development. (Memo. 398) 1 p.; 39. Supplemental sugar allowance for feeding bees. (Memo. 412). 1 p.; 40. Ammunition. (Memo. 414). (Making it available for civilian use, including farmers, for the control of predatory animals and birds.) 3 p.

Transportation:

32. Agricultural tires, current situation with regard to tire needs, (Memo. 393). 2 p.; 32X. Need to hold 1943 wheat on farms and in local storage. (Memo. SD). 2 p. (Shortage of railroad box cars delays movement of the newly harvested 1943 crop from six Northwestern wheat growing States); 33. Non-highway gasoline rations. (Memo. 419). 3 p. (Regarding the issuance of non-highway rations to farmers)

WAR BOARD summary. [Weekly] Processed. 1943. 1.90 A5D36

For administrative use.

Issues received: No. 64, July 13; No. 66, July 28; No. 68, Aug. 10; No. 69, Aug. 17; No. 71, Aug. 31.

Unnumbered Publications

FARM FLASHES. 49 nos. 1 p. each, processed. 1943.

1.9 In3F

For broadcast use only.

Agreements with volunteers; Armed forces need clean-picked cotton; Big acreage in field crops; Careful cotton pickers!; Clean cotton for victory; Cotton situation; Crisis in stock hauling; Don't nick hides; Farmers like volunteers; Fewer lambs in sight; The general meat plan; Handle sweetpotatoes carefully; Handling sweetpotatoes; Hog protein supplements; Insuring volunteer workers; Long life to fans! [electric]; Longer market for chickens; Marketing cattle early; More chickens on farms; Mother Beck, farm warrior (activities of a farm woman); Need for sweetpotato storage; New meat slaughter rules; New poultry rations; Pay for victory volunteers; Pays to hold

A51

sweetpotatoes; Picking cotton damp; Planning saves labor; Play safe with fuses; Round up old beeswax; Sailor farms by chart; Salvage wax now; Save all sweetpotatoes; Save your hides; Stock feed for winter; Streamlined sweetpotato storage; Stretching hog proteins; Supervised volunteer workers; Take care of motors; They sweetened food plans; Training victory volunteers; Turkey dinner for our boys; Urgent need for beeswax; Values in cover crops; Victory tomatoes from waste land; Warning to new workers; Wartime hog rations; What about shearling market? When to harvest peanuts; "Workshops" step-up crops.

FOOD and home notes. Weekly. Processed. 1943.

1.90 A5F73

Issues received: July 31; Aug. 7; 14; 21; 28; Sept. 4.

Contains material formerly included in the "Market Basket," prepared in the Bureau of Human Nutrition and Home Economics.

HOMEMAKERS' Chat. 17 nos., 3 p. each, processed. 1943. 1.9 In3Hh

For use in non-commercial broadcasts only.

Contents:

Breakfast for school children. Sept. 8; Fall clothes for the family. Sept. 15; Grain dishes in wartime meals. Sept. 13; K-P Tips for your kitchen. Sept. 17; Making a wartime spending plan. Sept. 10; Making sauerkraut and sauer rüben. Aug. 30; On-job food for workers. Sept. 6; Question box: Leave leaves on lawns? Begin compost heap now? Ashes in garden soil? How prevent weevils in dry beans? Sept. 14; Question box: Leftover meat fat in cake? Cook fall garden greens? Dry root vegetables? Aug. 31; Question box: Why canned apples shrink? How restore dried vegetables? How make wartime chop suey? Sept. 16; Question box: Why canned tomatoes spoil? How feed laying pullets? Wash or dry-clean wool clothes? Sept. 2; Question box: Why crystals in grape juice? Why tomato juice separates? How make catsup? Can in small pressure cooker? Sept. 7; Question box: Sulfur apples for drying? Burn unseasoned wood? Sept. 9; Rationing, alternates, and good diet. Sept. 1; "Three C's for food safety." Sept. 3; Tomatoes for summer and winter use. n.d.; Wartime canning cautions. Aug. 6.

QUESTIONS and answers. 14 nos., processed. 1943. 1 F733F

Contents:

Bakery products (FDO No. 1). 2 p.; Butter (FDO No. 2). 7 n.; Cheese (FDO No. 15, as amended). 9 p. (Revised questions and answers); Cocoa beans (No. 25) 2 p.; Dry beans and peas (Amend. 1 to FDO No. 45). 4 p.; Fish and shellfish (No. 44, Amend. 1) 6 p.; Honey (FDO No. 47, and 47-1). 3 n.; Meat (No. 61. Formerly Meat Restriction Order No. 1). 3 n.; Rice (No. 10, as amended). 6 p.; Spices (FDO No. 19, as amended, and 19-2). 4 n.; Tea (FDO No. 18, as amended). 2 n.; Tea (No. 21) 2 p.; Turkeys (FDO No. 71). 3 n.; Turkeys (No. 71 as amended). 4 p.

RADIO round-up on food; a service for directors of women's radio programs. Distributed weekly from 7 regional offices. Processed. 1943. 1.942 F3R11N

Issues received from the New York Office: Aug. 7, 14, 21.

REPORT of agricultural commodities delivered at ship-side during May for export to the United Nations. 6 n., processed. 1943. 1.9422 A8R29

REPORT of agricultural commodities purchased during June for lend-lease, territorial emergency, Red Cross and other purposes. 16 p., processed. 1943. 1.9422 A8R292

RICE, stocks and movement. Monthly. Processed. 1943. 1.9 Ec712R1

Issues received: California Mills, July 10, Aug. 9, Sept. 6; Southern Mills, July 16, Aug. 13.

ROBERTSON, B. L. Summary of Federal and State laws concerning the marketing of fresh fruits and vegetables as it relates to standards for containers, their re-use, marking requirements, methods of sale and allied subjects. 58 p., processed. 1943. 1.9422 Fr34Su6

SALVAGE of wooden containers for agricultural products; a statement of the container situation and suggestions for a campaign to increase salvage. 9 p., processed. N. Y., 1943. 1.9422 Fr2Sa3
Economics Section, U. S. Extension Service, cooperating.

SCHEDULE of commodities; agricultural commodities and products and other articles procured for sale or transfer. 101 n., processed. 1943. 1.9422 A2Sch2
For domestic or for export use.

SCHEDULE of quotations; price bulletin of agricultural commodities and products and other articles. 30 n., processed. 1943. (Schedule of Quotations. Bul. 1) 1.9422 A2Sch2

For the period July 1 to Aug. 31, 1943.

A68

SEMI-MONTHLY honey report. Processed. 1943. 1.9 M34Ho

Issue received: No. 606, Aug. 16.

SOYBEAN cake and meal; production, quarterly, annually and 10 year average; imports, exports and domestic supply 1919-1941. 1 p., processed. 1943. 1.9422 G2So9

STECK, L. J. The operation of Food Distribution Order No. 11 (Milk Marketing Economies). 6 p., processed. 1943. 1 F733F

STOCKS of leaf tobacco owned by dealers and manufacturers, July 1, 1943. Quarterly. Processed. Aug. 17, 1943. 1.9 Ec714

SUMMARIES of decisions by the Secretary of Agriculture on complaints filed under the Perishable Agricultural Commodities Act. U. S. Food Distrib. Admin. Summary, No. 264, p. 2454-2456. July 30, 1943. 1.9 Ec7Fesd

Running title: PACA Decisions.

TENTATIVE FDA specifications for sweetpotatoes, dehydrated. (Effective Aug. 1, 1943). 4 p., processed. 1943. 1.9422 V5Sw3

"These specifications supersede all FSCC Specifications applicable to dehydrated sweetpotatoes."

TENTATIVE United States standards for grades of dried Zante currants (effective August 15, 1943). 2 p., processed. 1943. 1.9422 Fr5C93

TYPICAL State organization plans for food preservation projects. 48 p., processed. Chicago, U. S. Food Distrib. Admin., Great Lakes Region, 1943. 1.9422 N2T98

Contains plans for eleven States.

U. S. standards for citrus fruits (effective July 12, 1943). 19 p., processed. 1943. 1.9422 Fr32C49

U. S. standards for unshelled pecans (improved varieties and large seedlings). (Effective September 15, 1943.) 7 p., processed. 1943. 1.9422 Nu32P33

WAR MEAT handbook. Loose-leaf, 32 p., processed. Denver, Colo., U. S. Food Distrib. Admin., Rocky Mountain Region. 1943. 1.9422 M2W19
Includes Meat Orders and amendments.

WEEKLY cotton market review. 3 nos., processed. 1943. 1.9 Ec733Cm

Issued at Washington and other points. Washington issues received: Aug. 14, 28, Sept. 4.

WEEKLY cottonseed review, Southern region. Processed. Atlanta, 1943. 1.9 Ec733Wcr
Issue received: Sept. 4.

WEEKLY feed market review. Processed. Chicago, 1943. 1.9422 G8T32C

Issues received: July 7, 14, 21, 28, Aug. 4, and 18. Also issued at Kansas City, Minneapolis, Los Angeles, and Washington.

WEEKLY feedgrain market review. Processed. Kansas City, Mo. 1943. 1.942 G8W41

Issues received: July 3, 10, 17, 24, and 31.

WEEKLY grain and feed market review. Processed. Atlanta, 1943. 1.9 Ec712Gf

Issues received: July 5, 12, 19, 26, Aug. 2, and Aug. 23.

WEEKLY grain market review. Processed. Chicago, 1943. 1.9 Ec72W

Issues received: July 10, 17, 24, 31, Aug. 7, 14, 21, 28, Sept. 4.

Issues from Portland, Oreg., Aug. 7, 11, 21, 28, Sept. 4; from Minneapolis, Aug. 7, 28, Sept. 4.

WEEKLY hay market review. Processed. Kansas City, Mo. 1943. 1.9 Ec712A1

Issues received: July 6, 20, 27, Aug. 3.

WEEKLY hop market review. Processed. Portland, Oreg. 1943. 1.9 Ec712 Hop

Issues received: July 1, 8, 15, 22, 29.

WEEKLY peanut report. Processed. 1943. 1.9 Ec742P

Issues received: Nos. 1260-1262, Aug. 18, 25, Sept. 1.

A69

- WEEKLY review - American cotton linters. Processed. 1943. 1.9 Ec733We
Issues received: July 13, 20, Aug. 10, 17, 24, 31, and Sept. 7, 14.
- WEEKLY rice market review. Processed. 1943. 1.9 Ec712R
Issue received: Aug. 31.
- WEEKLY summary of carlot shipments of fruits and vegetables. Processed. 1943. 1.9 Ec742W
Issues received: Aug. 10, and 17.
- WEEKLY summary of purchases. Processed. 1943. 1.942 AGW41
Issues received: July 8, 16, 30, Aug. 13, and 26.
- WEEKLY wheat market review. Processed. Kansas City, Mo., 1943. 1.942 G8W411
Issues received: July 3, 10, 17, 24, and 31.

Food Production Administration

- AGRICULTURAL use of rotenone insecticide. U. S. Food Prod. Admin., FPO 13, 2 p. 1943. 1. F734
- EXPECTED use by crops of various amounts of 18 percent superphosphate and estimated yields from various increases above 6,000,000 tons. 1 p., processed. July 29, 1943. 1.9423 Pr2Ex7

Soil Conservation Service

- AGRONOMY memorandum. 2 nos., processed. Fort Worth, Tex., 1943. 1.9604 Ag82
No. 52. Harvesting lespedeza seed. 2 p. (Attached is copy entitled "Improved Handmade Lespedeza Harvester" 3 p.); 54. Harvesting sweetclover seed. 5 p.
- ASSISTANCE and accomplishments in soil conservation districts, quarter ending March 31, 1943. 30 p., processed. 1943. 1.9604 As7
Statistical data for the Western Gulf Region.
- AUSTIN, W. W. Harvesting, threshing, and cleaning of grass seed. 8 p., processed. Lincoln, Nebr., U. S. Soil Conserv. Serv., North. Great Plains Region, 1943. 1.9607 H26

A70

- Accompanied by letter to ranking field officers and zone technicians from A. D. Stoesz, chief, Regional Nursery Division, dated July 7, 1943.
- CORNELIUS, D. R., and CONARD, E. C. Harvesting grass seed. 11 p., processed. Lincoln, Nebr., U. S. Soil Conserv. Serv., North. Great Plains Region, 1943. 1.9607 H262
- FIELD memorandum, SCS No. 1093. 2 p., processed. 1943. 1.96 Ad6Em
Deals with "the procedures applicable to the exercise of outstanding mineral rights on lands administered by the Soil Conservation Service pursuant to Title III of the Bankhead-Jones Farm Tenant Act."
- HAYS, O. E. Recent findings of the soil conservation experiment station, LaCrosse, Wisconsin. 6 p., processed. Milwaukee, Wis., U. S. Soil Conserv. Serv., Upper Miss. Region, 1943. 1.9605 R24
- LIST of noxious weeds of the United States by their respective States. 1 p., processed. San Antonio, Tex., U. S. Soil Conserv. Serv., West Gulf Region, 1943. 1.9604 L69
- PLANT materials--seed dealers and markets. U. S. Soil Conserv. Serv. Nursery Memo. 2, 7 p., processed. Fort Worth 1, Tex., 1943. 1.9604 N93
- REGION II seed and feed review. 5 p., processed. Spartanburg, S. C. June 8, 1943. 1.9602 Se3
Letter of transmittal to State Conservationists signed by Jule G. Liddell, Regional Chief of Operations, is attached.
- SOIL conservation. Monthly. 1943. 1.6 So3S
Issues received: v.9, No. 2, Aug.; No.3, Sept.
- SOIL conservation districts; State of organization by States, approximate acreage, number of operating units, and farms in organized districts. 3 p., processed. Sept. 1, 1943. 1.96 R27Sc

STATE AGRICULTURAL EXPERIMENT STATION PUBLICATIONS

Includes State Agricultural Experiment Station publications received in the library during the preceding month, except periodical articles which are listed under subject in the section on Periodical and Serial Literature.

Printed publications issued by the State Agricultural Experiment Stations are not available from the U. S. Department of Agriculture but are often available from the publishing State agricultural experiment station.

Mimeographed or processed material issued by the State Agricultural Experiment Stations is not available from the U. S. Department of Agriculture but in some cases may be secured from the publishing institution.

Material not available from the various State institutions may be secured in microfilm or photostat form from the U. S. Department of Agriculture Library for the cost of reproduction.

Arizona Agricultural Experiment Station, Tucson

- BARR, G. W. Arizona agriculture 1943: production, income, and costs. Ariz. Agr. Expt. Sta. Bul. 188, 17 p. 1943. 100 Ar4
THOMPSON, N. O. Sharing farm machinery. Ariz. Agr. Expt. Sta. Bul. 187, 14 p. 1943. 100 Ar4

Arkansas Agricultural Experiment Station, Fayetteville

- OSGOOD, O. T. Farm planning in the eastern Ozarks. Ark. Agr. Expt. Sta. Bul. 435, 83 p. 1943. 100 Ar42
YOUNG, V. H., and HUMPHREY, L. M. Varietal resistance to the Fusarium wilt disease of cotton. Ark. Agr. Expt. Sta. Bul. 437, 23 p. 1943. 100 Ar42

California Agricultural Experiment Station, Berkeley

- MICHELBAEGER, A. E. The present status of the alfalfa weevil [*Hypera postica*] in California. Calif. Agr. Expt. Sta. Bul. 677, 24 p. 1943. Ref., p. 23-24. 100 C12S
PROEBSTING, E. L. Fertilizers and covercrops for California deciduous orchards. Calif. Agr. Expt. Sta. Cir. 354, 15 p. 1943. 100 C12S
EDLEFSEN, N. E., and ANDERSON, A. B. C. Thermodynamics of soil moisture. Hilgardia 15: 31-298. 1943. Ref., p. 288-298. 100 C12H

Colorado Agricultural Experiment Station, Fort Collins

- LIST, G. M. Psyllid control on potatoes and tomatoes in the victory garden. Colo. Agr. Expt. Sta. Bul. 479, 8 p. 1943. 100 C71S
NEWSOM, I. E., and CROSS, FLOYD. Lamb diseases in Colorado. Colo. Agr. Expt. Sta. Bul. 474, 43 p. 1943. Ref., p. 43-44. 100 C71S
Includes parasites and parasitic diseases.
PYKE, W. E., and BINKLEY, A. M. Freezing vegetables and fruits. Colo. Agr. Expt. Sta. Bul. 478, 16 p. 1943. 100 C71S
PYKE, W. E., and CHARKEY, L. W. Making and using a food dehydrator. Colo. Agr. Expt. Sta. Bul. 477, 12 p.; and Sup. 1, 1 p., processed. 1943. 100 C71S
Plan for construction of dehydrators included.

STATE AGRICULTURAL EXTENSION SERVICE PUBLICATIONS

Includes State Agricultural Extension Service publications received in the library during the preceding month, except periodical articles which are listed under subject in the section on Periodical and Serial Literature.

Printed publications issued by the State Agricultural Extension Services are not available from the U. S. Department of Agriculture but are often available from the publishing State Extension Service.

Mimeographed or processed material issued by the State Agricultural Extension Services is not available from the U. S. Department of Agriculture but in some cases may be secured from the publishing institution.

Material not available from the various State institutions may be secured in microfilm or photostat form from the U. S. Department of Agriculture Library for the cost of reproduction.

Arizona University, College of Agriculture, Agricultural Extension Service, Tucson

- WARTIME 4-H home economics record book. Ariz. Agr. Col. Ext. [unnumb.] 9 p. 1943?
WARTIME 4-H livestock record book. Ariz. Agr. Col. Ext. [unnumb.] 15 p. 1943.

Arkansas University, College of Agriculture, Agricultural Extension Service, Little Rock

- ALLEN, E. J. Shrubs, their propagation and management. Ark. Agr. Col. Ext. Cir. 345, rev., 8 p. 1943.
ARKANSAS handbook for soil conservation. Ark. Agr. Col. Ext. Cir. 431, 59 p. 1943. Ref., p. 56-59.
Prepared upon recommendation of the State Soil Conservation Advisory Committee by a committee composed of representatives of the University of Arkansas College of Agriculture, and the Soil Conservation Service.
VAILE, J. E. Growing grapes in Arkansas. Ark. Agr. Col. Ext. Cir. 261, rev., 12 p. 1943.
MARSHALL, SUE. Remodeling garments into victory clothes. Ark. Agr. Col. Ext. Misc. Pub. 1, 10 p., processed. 1943?
LOUGHEAD, M. E., and RAMBO, E. K. Home drying of fruits and vegetables. Ark. Agr. Col. Ext. Plan Ser. 5, 4 p. 1943.

California University, College of Agriculture, Agricultural Extension Service, Berkeley

- BURLINGAME, B. B., and ROGERS, ROBERT. Second annual report, Solano County, irrigated pasture efficiency study, 1942. Calif. Agr. Col. Ext. [unnumb.] 5 p., processed. 1943?
SANBORN, L. D. Wartime management for poultrymen; a study showing the most economical and profitable practices on 34 Los Angeles County ranches during 1942 together with various comparisons for the past 10 years. Efficiency speeds victory. Calif. Agr. Col. Ext. [unnumb.] 24 p., processed. 1943.
SHULTIS, ARTHUR, and WILLIAMS, DAVE. Fifth annual and final report Sevillano olive production management study, Tehama County, 1942 with a five-year summary 1938-1942. Calif. Agr. Col. Ext. [unnumb.] 12 p., processed. [1943.]
Cooperating with the...Tehama County Farm Bureau and the Corning Farm Bureau Center.
A study of the costs and returns of the local olive industry.

- IDaho. STATE AGR. PLANNING COM. Minutes of the... meeting, Jan. 26-27, 1942 - Caldwell, Idaho. 26 p., 10 "attachments", processed. Caldwell, 1942. 281.021 Id1
- INTERNATIONAL HARVESTER. Dealer's manual for co-operation with the rural war production training program. 31 p. Chicago, 1943. 58 In82De
- LANDIS, P. H. Population problems; a cultural interpretation. 500 p. N. Y., Amer. book co., 1943. (Amer. Sociol. ser.) 280 L23P Contains scattered references to farm and rural population.

D59

McGUFFIE, DUNCAN. Spring onions, the autobiography of Duncan McGuffie, with a preface by the editor of the Countryman. 164 p. London, Faber, 1943.

32 M17

An account of a farming enterprise with emphasis on economic problems and their solution.

MEXICO. DIRECCION GENERAL DE ESTADISTICA. Segundo censo éjidal de los Estados Unidos Mexicanos, 6 de Marzo de 1940. Campeche. 126 p. México, D. F., 1942. 254.5 M579E

MEXICO. DIRECCION GENERAL DE ESTADISTICA. Segundo censo éjidal de los Estados Unidos Mexicanos, 6 de Marzo de 1940. Morelos. 209 p. México, D. F., 1943. 254.5 M579E

MOTHERWELL, HIRAM. The peace we fight for. Ed. 2. 281 p. N. Y., Harper, 1943. 280 M854

Chapter V has a section on food and its post-war distribution.

MUNK, FRANK. The legacy of Nazism; the economic and social consequences of totalitarianism. 288 p. N. Y., Macmillan, 1943. 280.175 M92

Notes the transformation of agriculture in many European countries, the drive for self-sufficiency in foodstuffs and the organization of food monopolies.

NATL. COUNCIL OF FARMER COOPERATIVES. Food and feed for a world at war; a report. 12 p. Washington, 1943. 389 N2135

Brief survey of the problems of obtaining maximum production and control of inflation.

NATL. FARMERS' UNION. Agriculture and the nation; interim report on post-war food production policy. 24 p. London, 1943. (N.F.U. No. 61) 281.171 N213A

NATL. INST. OF ECONOMIC AND SOCIAL RESEARCH. Trade regulations and commercial policy of the United Kingdom. 275 p. Cambridge, Univ. press, 1943. (Econ. and Social Studies. III) 286 N218

Partial contents: Pt. I. Tariffs; Pt. II. Non-tariff protection, including protection of agriculture, beet-sugar subsidies, and an appendix containing statistics relating to forestry; Pt. III. International agreement, including agreements with suppliers of agricultural produce to the United Kingdom, and provisions of such agreements.

NESBITT, L. D. What's ahead for prairie agriculture? 14 p. Calgary, Alberta wheat pool, 1942. 281.13 N36

Some of the post-war agricultural problems of Western Canada, chief among which is lack of markets.

ORIVE ALBA, ADOLFO. Ciudades agrícolas. 28 p. México, Comisión Nac. de irrigación, 1942. 98.5 Or4

Discusses the problem of settling the rural population in small communities where they can enjoy the amenities of civilization.

OSBORN, G. C. John Sharp Williams, planter-statesman of the deep South. 501 p. Univ. Sta., Baton Rouge, La. State univ. press, 1943. (South. biog. ser.) 120 W672

Critical essay on authorities, p. 479-488.

Ch. 4, The battle for the agrarian masses under Cleveland, p. 35-62.

PEARSON, J. H., and ALEXANDER, E. R. Suggestions on the contribution of vocational education in agriculture to the solution of the farm labor problem. 14 p., processed. Washington, U. S. Off. of educ., 1942. (C. L. No. 2404) 156.31 S43

PERU. MINISTERIO DE FOMENTO. DIRECCION DE AGRICULTURA Y GANADERIA. La extensión del cooperativismo en el Perú. 15 p., processed. Lima, 1942. 280.2 P43E

Development of cooperation in Peru.

POOLE, H. E. Perspectives for countrymen. Foreword by Prof. Ernest Barker. 33 p. London, Allen, 1942. (Sir Halley Stewart trust pub.) 281.2 P78

On post-war planning for agriculture and the role of adult education.

A POST-WAR agricultural policy for Great Britain; a memorandum prepared by a group of peers holding varied political creeds. 15 p. London, Vacher, 1943. 281.171 P84

REYNOLDS, CLIFTON. Glory Hill farm...one hundred acres farmed by an amateur--second year, 1941-2. 184 p. London, Lane, 1943. 281.2 R33

SMITH, DUDLEY. Puerto Rico's income; Estimates of income realized and paid out in Puerto Rico. 19 p. Washington, Assoc. of sugar prod. of Puerto Rico, 1943. Ref., p. 14-16. 280.14 Sm5

SMITH, F. D., and WILCOX, BARBARA. Family farm. 150 p. London, Black, 1943. 281.2 Sm53F

SOUTHWEST VIRGINIA AGRICULTURAL ASSOCIATION. Building a new dominion. 34 p. n.p. 1943. 281.089 So8
Tennessee Valley Authority and the Virginia Agricultural Extension Division cooperating.

SUTTON, K. T., and MITCHELL, H. L. Legal rights of farm workers. 6 p., processed. Memphis, Legal dept., South. tenant farmers union, 1943. 283 Su8
Attached is printed sheet; Farmers! Workers! Organize now!, by H. L. Mitchell.

- HANSON, E. P., ed. The New World guides to the Latin American republics. V. 2, various paging. N.Y., Duell, 1943. 125 H192
- Contains brief paragraphs on the agriculture of the different countries.
- HILL, H. J. "He heard God's whisper." A story of Geo. W. Carver. 80 p. Minneapolis, Jorgenson press, 1943. 120 C25H
- ILLINOIS. COUNCIL OF DEFENSE. Living and working on a farm; for high school boys and girls in cities and towns. 59 p. Springfield, 1943. 283 I162
- Prepared by College of Agriculture, Univ. of Illinois.
- LAYTON, C. J. Smallholdings for all. 125 p. London, Gifford, 1942. 40 L45
- Instructions on the keeping of bees; poultry, rabbits, pigs, and goats on the English small holding, with briefer chapters on gardening, and the use of wild plants as food, and garden and farm calendars.
- MASS. SOCIETY FOR PROMOTING AGRICULTURE. An outline of the history of the Massachusetts Society for Promoting Agriculture. 63 p. Boston, Meador pub. Co., 1942. 3 M3840
- MATHER, K. Statistical analysis in biology. 247 p. London, Methuen, 1943. 251 M42
- Ref. at end of all chapters except the first.
- MATTIELLO, J. J., ed. Protective and decorative coatings. III. Manufacture and uses: colloids, oleoresinous vehicles and paints, water and emulsion paints, lacquers, printing inks, luminescent paints, and stains. 830 p. N.Y., Wiley, 1943. 306 M432P
- Ref. at end of chapters.
- Chemistry and technology of materials from agricultural products such as casein, cellulose, vegetable oils, etc. in their use in paints, lacquers, resins, and other coatings.
- MORGAN, LAIRD AND CO., LTD. Agricultural reference handbook. 79 p. London, 1942. 32 M822
- MORRELL, R. S., ed. Synthetic resins and allied plastics, by various authors. Ed. 2, 580 p. London, Oxford Univ. press, 1943. 309 M83
- Ref. at end of chapters.
- NEEDHAM, JOSEPH, and DAVIES, J. S., ed. Science in Soviet Russia. 65 p. London, Watts, 1942. 330 N288
- Soviet Agricultural Science, by Arthur Walton, p. 29-36.
- NORTHWEST REGIONAL COUNCIL. Economic atlas of the Pacific Northwest, with descriptive text. Ed. 2, 46 p. Portland, Oreg., 1942. 280.003 N81
- Subjects dealt with include population, migration, forests, forest industries, soil areas, soil erosion, types of farming, and crops and livestock.
- PARSONS, R. P. Trail to light, a biography of Joseph Goldberger. 353 p. Indianapolis, Bobbs-Merrill, 1943. 120 G56
- Publications of Dr. Joseph Goldberger, p. 337-344.
- PERU. DELEGACION A LA CONFERENCIA INTER-AMERICANA DE AGRICULTURA. 2d, Mexico, 1942. Informe. 65 p. Lima, Min. de Fomento, 1942. 5 P43
- PÖHLMANN, OLGA. Jan Swammerdam, naturforscher und arzt; biographischer roman. 226 p. Zürich, Füssli, 1941. 120 Sw2
- PRICE, J. F. Members of the faculty of Colorado State College, 1879-1943. 151 p., processed. Fort Collins, Colo. State col. libr., 1943. 276 C7133
- ROUX, EDWARD. Harvest and health in Africa. 88 p. N. Y., Thomas Nelson, 1942. 35 R76
- Information on better ways of farming, on food, sickness, health and education, written for Africans and based upon views of scientists and others working in Africa. It is limited to a special list of 1,000 words understood by most Africans who speak English.
- SAUNDERS, B. C., and CLARK, R. E. D. Order and chaos in the world of atoms; a survey of modern chemistry. 266 p. London, English Univ. press, Ltd., 1942. 386 Sa83
- Contains a chapter on rubber, its processing and uses, and one on foods of the future and chemistry's share in their production.
- SUMNER, J. B., and SOMERS, G. F. Chemistry and methods of enzymes. 365 p. N.Y., Academic press, 1943. 390 Su6
- Ref. at end of chapters.
- THOMEN, H. O. Checklist of hearings before congressional committees through the 67th Congress. Pt. I. House Committee on Agriculture. Prelim. ed., 23 p., processed. Washington, Libr. of Cong., Leg. ref. serv., 1942. 242.1 T36
- U.S. TREASURY DEPT. PROCUREMENT DIV. Federal procurement. A manual for the information of federal purchasing officers. Comp. under the supervision of Clifton E. Mack. 386 p. Washington, U. S. Govt. print. off., 1943. Ref., p. 363-366. 151.641 F312
- Chapter XIII covers the procurement activities of the Department of Agriculture in World War II.
- VIRGINIA FEDERATION OF HOME DEMONSTRATION CLUBS. Handbook, 40 p. n.p., 1942. 281.29 V812
- WISCONSIN. STATE HIST. SOC. Joseph Schafer, student of agriculture. 67 p. Madison, 1942. 120 Schl
- A compilation of articles on Joseph Schafer, the man and the historian. Contains also a Bibliography of the Writings of Joseph Schafer, by E. E. Edwards and T. J. Mayock.
- YOUNG, GERARD. Come into the country... With twenty-four sketches and a map by the author! 254 p. London, Walker, 1943. 281.2 Y84
- A story of rural life in Sussex, England.

 Derris proved most effective material tested. Although a spray was cheaper on a cost basis than a dust, the author thinks that large-scale dusting machines may reverse this factor. The difficulty of transporting the large quantities of water needed for sprays is stressed. Either treatment may be recommended, however.

AGRICULTURAL PRODUCTS: PROCESSING,
DISTRIBUTION, AND STATISTICS

GENERAL

- ADY, F. The U.K.C.C. in the Middle East. Oxford Inst. Statis. Bul. 5: 97-103. Apr. 24, 1943. 280.9 Ox2B
Describes operations of the United Kingdom Commercial Corporation in the Middle East, its work with the Middle East Supply Council, and the policies of these two organizations. Supplies include agricultural products.
- BENSON, IVAN. Now it's synthetic meat. Amer. Sw. Monthly 37(9): 6, 28-29. Sept. 1943. 286.8 Sw3
Food made from a mixture of molasses, ammonia, water, air, and yeast.
- CALDERON BUENDIA, CARLOS. Productos que podemos exportar del Amazonas. Vida Rural [Bogotá] 4(47): 28. June 1943. 9.4 V66
Discusses Amazon products which could be utilized for exports. Notes also lands available for crops, wages, and prices of food products.
- COONS, A. G. Control of raw materials in war and peace. Inst. of World Affairs. Proc. (1942) 20: 96-102. 1943. 280.9 In792
- DORIOT, G. F. Food and war. Natl. Food Distributors' Jour. 17(8): 11, 13-14. Aug. 1943. 286.28 N212
Supplying food for the armed forces by the Quartermasters Corps.
- DUFRESNE, F. Uncle's icebox; Alaskans learn again to live on the country when the war limits imports. Collier's 112: 27. July 10, 1943. (Not in U.S.D.A. Libr.)
Cited in Agr. Index 28(11): 31. Aug. 1943. 241 Ag8
- GADGIL, D. R., and SOVANI, N. V. War and Indian economic policy. Gokhale Inst. Politics and Econ. Pub. 10, 132 p. Poona, 1943. 280.9 G56
Part II contains sections on price control, rationing, and production and supply of food. The position of the farmer is discussed.
- GIRSHICK, M. A. Food outlook. U.S. Bur. Agr. Econ. Agr. Situation 27(7): 11-12. July 1943. 1 Ec7Ag
Prospective supplies of crop and livestock products in the U.S. for 1943.
- HAMILTON, A. B. The food situation. Md. Farmer 27(8): 13. Aug. 1943. 6 M632
States facts on supply of livestock, fruits, and vegetables.

BEVERAGES AND CONDIMENTS

- AGRICULTURA, indústria e comércio. *DNC; Rev. do Depto. Nac. do Café* 11: 566-572. Apr. 1943. 286.83 D44
A series of lengthy notes dealing with pulping methods for coffee, p. 566-568; the coffee trade in the interior of São Paulo State, p. 568-569; selection of the coffee in the berry, p. 569-570; and banana cultivation on the coffee plantation, p. 571-572.

K116

AGRICULTURA, indústria e comércio; instruções e conselhos técnicos. DNC; Rev. do Depto. Nac. do Café 11: 371-374. Mar. 1943. 286.8 D44
Consists of three notes dealing with characteristics of the good and bad coffee-producing zones in Brazil, coffee roasting procedure, and use of coffee in plastics.

AMERINE, M. A., and WEBB, A. D. Alcohol-glycerol ratio of California wines. Food Res. 8: 280-285. July/Aug. 1943. 389.8 F7323

ARANGO, RODOLFO. Producción agrícola. Tierra Libre [Habana], 7(8): 5, 6. Aug. 1943. 8 T443
Reports on the rise of a new Cuban industry, the dehydration and concentration of coffee, and discusses the advantages and objects of grafting, with special reference to fruit trees.

AZEVEDO, BUENO de. A pluviometria paulista e os embarques de café. São Paulo. Superintendência dos Serviços do Café. Bol. 18: 110-111. Feb. 1943. 68.29 Sa63

Reprinted from the Folha da Manhã, Feb. 5, 1943.
Coffee shipments from the State of São Paulo begin in the period of greatest rainfall rather than in the dry season, which causes transportation difficulties for the grower.

CARRERA GUERRA, E. A propaganda todo-poderosa. DNC; Rev. do Depto. Nac. do Café 11: 544-546. Apr. 1943. 286.83 D44

The use of propaganda in the coffee industry.

CHEESMAN, E. E. Informe relacionado con una visita a los cacaoeros del Ecuador y sobre las investigaciones científicas necesarias para cualquier rehabilitación de la industria. Dept. de Agr. Bol. 23, 31 p. Quito, Talleres Tip. del Min. de Hacienda. 1943. 9.5 Ag8B

An account of a trip to the cacao-producing areas of Ecuador and suggestions for the improvement of the industry.

COLLINS, J. H. War boosts production of domestic paprika. Food Indus. 15(8): 83. Aug. 1943. 389.8 F737

CONCEIÇÃO, CARLOS. Técnica de produção dos despolpados. DNC; Rev. do Depto. Nac. do Café 11: 359-362. Mar. 1943. 286.83 D44

Precautions to be taken in operations from harvesting to pulping and drying of coffee.

COOK, S. H. How the spice mill grinds in Canada. Spice Mill 66(8): 30, 41. Aug. 1943. 389.9 Sp4
Quotes ceiling prices on ten ground spices.

FERREIRA, J. G. Alguns aspectos vitivinícolas de S. Paulo. Rev. Agron. [Porto Alegre] 7: 277-279. May 1943. 9.2 R325

Various aspects of the São Paulo wine-production industry, including seasons for different steps in cultivation, markets, varieties produced, and quality of wines.

FERREIRA, R. da C. O bom café em chícara. DNC; Rev. do Depto. Nac. do Café. 11: 369-370. Mar. 1943. 286.8 D44

Improvement of coffee and coffee consumption in Brazil.

*FINCKE, HEINRICH, and THALER, HELMUT. Die bestimmung der rohfaser in kakao und kakaoerzeugnissen. Zugleich ein allgemeiner beitrug zur rohfaserbestimmung nach Scharrer-Kurschner. Ztschr. f. Untersuch. der Lebensmtl. 84: 97-134. Aug. 1942.

Method of determining amount of crude fiber in cocoa and cocoa products, based on the Scharrer-Kurschner process.

FOSTER, STANLEY. War produces progress in Colombia. Tea and Coffee Trade Jour. 85(3): 12, 23-24. Sept. 1943. 68.8 T22

Colombia's progress in solving her transportation and financial problems and coffee exports are discussed.

K117

GARRIDO LOZIER, OSCAR. Trasiego de los Vinos y su importancia. Campesino [Santiago, Chile] 75: 314-315. May 1943. 9.3 Sol2
Importance of racking of wine.

GONÇALVES, ALVARO. Aristocracia rural e fidalgos do café. DNC; Rev. do Depto. Nac. do Café 11: 343-348, 526-532. Mar., Apr. 1943. 286.83 D44

Discusses the part played by slave labor (Particularly Negro labor) in the coffee industry.

GUEDES, J. E. Política econômica do café. Rev. Rural Bras. 23(273): 12-23. May 1943. 9.2 B733

Annual report of the president of the Brazilian Departamento Nacional do Café, which contains data on the coffee policy and its results, exports, the Inter-American Coffee Agreement, prices, propaganda, publicity, war insurance, statistics, crop movements, and industrial utilization of coffee.

HAYNES, E. R. Quality control in the Ontario wine industry. Food in Canada 3(8): 16-19. Aug. 1943. 389.8 F7323

"Article No. 2 in a series on the methods used in the production of quality wines by Ontario oenologists. This deals with the relationship between laboratory control and production department testing."

KATZ, A. E. Natural and synthetic flavoring materials and aromatic chemicals during the war emergency. Spice Mill 66(8): 12, 34-35. Aug. 1943. 389.8 Sp4

A review of substitute flavoring materials with special reference to vanilla and oils.

KING, C. B. Of mordant mustard and other savory seasonings. What's New in Home Econ. 7(12): 20-21, 32. Aug. 1943. 321.8 W55

LEWINSOHN, RICHARD. O consumo mundial de café. DNC; Rev. do Depto. Nac. do Café 11: 349-353. Mar. 1943. 286.83 D44

On the possibilities of a world coffee market for Brazil in relation to the effective pre-war market. Shows world consumption of coffee in relation to the total number of people.

MARTIN, H. W. Winery sterilization. Wines & Vines 24(8): 22. Aug. 1943. 95.8 C122

MELLO, J. C. O café no comércio exterior brasileiro São Paulo Superintendência dos Serviços do Café. Bol. 18: 4-7. Jan. 1943. 68.29 Sa63

A summary, with graphs and table of Brazil's coffee exports from 1911 to 1941.

MESTRE ARTIGAS, CRISTOBAL, and CAMPLLONGE ROMERO, ISIDRO. La producción de aldehidos en la fermentación de mostos sulfitados y su influencia en los vinos. (To be cont.) Vinos, Viñas y Frutas 38: 426-432. June 1943. 9 Ag89

Reports a series of fermentation tests made to study the variation in quantity of aldehydes and of sulphureous gas in fermentation musts treated with increasing amounts of this gas. The tests were preliminary to studying the influence of the aldehydes on wines.

OLSON, L. W. The first fruit of victory. Co-op. Merchandiser 8(8): 12. Aug. 1943. 286.28 C78

On the discontinuance of coffee rationing.

POTTER, C. F. The truth about Bible "wine." Jour. Living 9(3): 53-57. Sept. 1943. 389.8 J822

*REICHARD, Die bestimmung des calciums und magnesiums in wein und traubensaft und ihr gehalt, ein beitrug zur neubearbeitung der amtlichen anweisung zur untersuchung von wein. Ztschr. f. Untersuch. der Lebensmtl. 84: 141-147. Aug. 1942.

A simple method of determining calcium and magnesium content in wine and grape juice.

*REICHARD. Warum neubearbeitung der amtlichen anweisung zur untersuchung von wein und traubenmost? Ztschr. f. Untersuch. der Lebensmtl. 84: 137-141. Aug. 1942.

On the need for a revision of the present wine laws in Germany, based upon the latest research in wine chemistry.

K118

O SALVADOR e sua indústria cafeeira. DNC; Rev. do Depto. Nac. do Café 11: 375-379. Mar. 1943. 286.8 D44

Translated from "El Nacional," Mexico, July 26, 1942.

The development of El Salvador's coffee industry, including agricultural conditions in the country, the coffee zones, and erosion control with coffee growing.

SHUMAN, A. C., and ELDER, L. W., JR. Staling vs. rancidity in roasted coffee. Part I. Spice Mill 68(9): 14-15. Sept. 1943. 389.8 Sp4

SILVEIRA, A. L. A industrialização dos produtos do cacau. Coop. 2(16): 7-9. Dec. 1942. 280.28 C7842

Discusses the industrialization of cacao products in Brazil.

SILVEIRA, A. L. Situação da lavoura cacauzeira. Observador Econ. e Financ. 8(88): 24-30. May 1943. 280.8 Ob72

Enumerates the disadvantageous economic conditions that accompany the production of cacao in Brazil, such as high cost of production and of living.

TAUNAY, A. de E. Velhos orçamentos cafeeiros (1826). DNC; Rev. do Depto. Nac. do Café 11: 392-396. Mar. 1943. 286.8 D44

Reprinted from the "Jornal do Comércio," Rio de Janeiro, Oct. 11, 1942.

Gives excerpts from part of a study on coffee written by von Weech in 1826, including data on harvesting methods in Rio de Janeiro, pulping process, classification, costs of setting up a coffee plantation, and an annual budget for three years for a plantation, and discusses his findings.

TELLES, BRAULIO. Cafelite. Surplus of coffee beans provides new plastic industry and helps to solve a pressing problem. Brazil 17(7): 7, 19. July 1943. 280.8 B732

AGRICULTURAL ECONOMICS AND RURAL SOCIOLOGY

GENERAL

- ABERG, EWERT. Sweden looks to its agriculture. *Sci. Monthly* 57: 230-239. Sept. 1943. 470 Sci23
Deals with varieties of crops, plant breeding, farming practices, yields, soil conservation, livestock and dairy production, farm labor and machinery, present food supply, rationing, and price control.
- ANDRADE, C. D. Aspectos de la economía ecuatoriana. *Amer. Sci. Cong.*, 8th, Washington, D. C., 1940, Proc., v. 11, p. 221-233. Washington, 1943. 330.9 Am3008 v. 11
The various aspects of Ecuadoran economy discussed in this paper are taxation, money and credit, development of natural resources, foreign debt, and road construction (in order to intensify agricultural production).
- BASIC data...for Washington counties. *Northwest Indus.* 2(11): 18-21, processed. Aug. 1943. 280.8 N812
Data sheets show farm population, number and value of farms, value of farm products, and number of farmers and farm workers, for Walla Walla, Whatcom, Whitman, and Yakima Counties, Wash.
- CHACÓN, L. R. Las condiciones económicas y sociales de Costa Rica. *Amer. Sci. Cong.*, 8th, Washington, D. C., 1940, Proc., v. 11, p. 203-210. Washington, 1943. 330.9 Am3008 v. 11
Economic and social conditions in Costa Rica, bringing out its geographical area, and the significance of the small holding.
- CLARK, R. W. Ag teachers study food plans. *Micn. Farmer* 201(3): 19. Aug. 7, 1943. 6 M58
Methods of helping farmers to increase food production in spite of shortages of machinery, labor, and feed was the central theme of the Conference of Teachers of Vocational Agriculture, held at Michigan State College, July 12-16.
- GONZÁLEZ ESCARRÁ, PABLO. Mensaje a los agrarios de la Provincia de Buenos Aires del Ministro de Obras Públicas. Buenos Aires (City). *Inst. Agr. Argentino. Reseñas* 3(17): 9-14. 1943. 281.9 B862
Discusses problems touching the farmers of the Province of Buenos Aires, including the grain surplus, road repairing and building construction to create work, and creation of the forest industry in the Province.
- HEDLUND, G. W. Research in agricultural economics. *Penn State Farmer* 8(6): 4, 14-15. Mar. 1943. 276.8 P38
Contains studies on cost of producing milk, trucking milk, farm labor, and wholesale marketing of fruits and vegetables in Pennsylvania.
- KERNISAN, CLOVIS. Mémoire sur les conditions de bases économiques et sociales d'Haïti. *Amer. Sci. Cong.*, 8th, Washington, D. C., 1940, Proc., v. 11, p. 235-243. Washington, 1943. 330.9 Am3008 v. 11
Includes composition of the population and migration, and agricultural colonization. Recommendations are made for the assistance of agriculture, pointing out that the land problem is the fundamental problem of the country since the people and country are essentially agricultural.
- LLORENS, EMILIO, and GARCÍA-MATA, RAFAEL. Geografía económica argentina. *Amer. Sci. Cong.*, 8th, Washington, D. C., 1940, Proc., v. 11, p. 211-219. Washington, 1943. 330.9 Am3008 v. 11
Discusses the natural regions of Argentina and their economic capacity, including agricultural and livestock production.
- McBRIDE, J. N. Trails of steel blazed for Florida farmers. *Fla. Grower* 51(8): 4, 6. Aug. 1943. 80 F6622
How the Seaboard Railway has aided in the development of Florida agriculture.
- McGOLL, E. L. Economic conditions in Ireland in 1942. *Canada Dept. Trade and Com., Com. Intel. Jour.* 69: 161-166. Aug. 28, 1943. 286.8 C16
Includes brief discussion of food rationing, textiles, agriculture, and cost of living.
- MacMILLAN, GILBERT. What agriculture needs. *Macdonald Col. Jour.* 3(12): 9. Aug. 1943. 101 M144
Synopsis of an address in which the writer points out what the economic situation in agriculture should be and what constitutes good farming.
- MASON, H. C. So you're thinking of farming? *O. A. C. Rev.* 55: 438-439, 471. Midsummer 1943. 276.8 On8
Enumerates the mental, physical, moral, and economic capital necessary for successful farming.
- MOORE, W. H. Post-armistice industrial developments, 1918-1920. Prices, production, and employment. *U. S. Dept. Labor Statis. Div. Hist. Studies Wartime Prob. Hist. Study* 58, 51 p., processed. Washington, 1943. 158.6 H62
Tables give food prices, employment in food industries, and farm income.
- PAQUIN, C. E. Bibliography of research projects report. *U. S. Work Projects Admin. Res. and Rec. Bibliog.* 8, 209 p., processed. Washington, 1943. 173.2 W89Ter
Bibliography of WPA research studies, including studies on the following subjects: Rural land economics, agricultural economics, farm organization and management, labor and employment, costs and standards of living, natural resources, sociology, and agricultural science.
- PAULET, P. E. Información sobre las condiciones económicas y sociales del Perú y sus problemas fundamentales. *Amer. Sci. Cong.*, 8th, Washington, D. C., 1940, Proc., v. 11, p. 253-268. Washington, 1943. 330.9 Am3008 v. 11
Brings out the geographical areas of Peru, the scantiness of cultivated lands, raw materials and standard of living of the population, agricultural products, the population and its characteristics, economic position, nutrition, and health, and economic possibilities of the country. The part of agriculture in the national income is also brought out.
- PIMENTEL, FORTUNATO. Aspectos gerais de Ferropilha. *Rev. Agron. [Porto Alegre]* 7: 269, 271, 273, 275. May 1943. 9.2 R325
Data on the municipality of Ferropilha, its history, geographic situation, agricultural products, technical assistance to the farmer by the Government, livestock, and means of transportation.
- POVERTY and progress in China. *PEP (Political and Economic Planning)* 209, 15 p. London, 1943. 280.8 P693
Includes discussion of population pressure, size of farms and its effect upon agricultural practices, land tenure, and agricultural reforms.
- RESEÑA general, histórica, geográfica y económica del partido de "Las Conchas" (Pcia. de Buenos Aires). Buenos Aires (City). *Inst. Agr. Argentino Reseñas*, Año 3, No. 14, 69 p. 1943. 281.9 B862
This entire issue is given over to a survey of the district "Las Conchas" in the Province of Buenos Aires. Includes its history, physiography, the Tigre provincial fruit market, and statistics of agricultural and livestock production.

- SAYRE, MORRIS. Farms and factories need each other: the case for unity between country and city. *Amer. Agr.* 140(16): 1, 9. July 31, 1943. 6 Am3
- TRUMBLE, R. C. Some reflections on the rural problem. *Austral. Inst. Agr. Sci.* 9: 49-55. June 1943. 23 Au74
- Adequate methods of selection of personnel in agriculture, education in agriculture, the creation of a philosophy in agricultural science, cooperation and coordination, and the need for planning are discussed.
- EL XXVII Congreso Anual de la Federación Rural; detalle completo de su desarrollo. *Diario Rural* 3(274): 1, 8, 10. May 5, 1943. 9.9 D54
- Account of proceedings of the 27th Annual Congress of the Federación Rural at Fray Bentos. Among topics were reforms to the rural code, soil erosion, cattle transportation, cattle recovery, agrarian reform, wool production and marketing, and national policy. Conclusions are summarized.
- The speech of the president of the Federación Rural, Doctor Juan Vicente Algorta, is given, p. 12, 14.
- WILSON, J. S. G. The present versus the future (Australia's war economy - November, 1942, to May, 1943). *Econ. Rec.* 19(36): 23-37. June 1943. 280.8 Ec74
- Touches upon rationing and price stabilization and agricultural organization for the war effort

AGRICULTURAL FINANCE

- BRATTON, C. A. State aid and shared revenues [in New York State]. *N. Y. Agr. Col. (Cornell) Dept. Agr. Econ. A. E.* 440, 13 p., processed. Ithaca, 1943. 281.9 C81
- Shows State aid to local public schools and other local Government services.
- GORING, HERBERT. Farming and finance. *Field* 182: 72. July 17, 1943. 10 F45
- Difficulties of farmers in financing important improvements.
- HORTON, D. C. Finance and effective wartime use of agricultural resources. *South. Econ. Jour.* 10(1): 14-26. July 1943. 280.8 So84
- PRADO, F. de A. Bolsas: função econômica e social das bolsas. *Couro Branco* 8(10): 12-14. Feb. 1943. 72.8 Ou7
- Discussion of the purposes and operation of produce exchanges, some of which deal with agricultural products.

Credit

- BANCO do Brasil S. A. *Observador Econ. e Financ.* 8(87): 125-167. Apr. 1943. 280.8 Ob72
- Report of the activities of the Bank of Brazil for 1942 with a section on agricultural credit.
- BRIGGS, F. A. Agriculture production credit. *Farm and Ranch* 62(8): 10. Aug. 1943. 6 T31
- BROWNLEE, J. E. The new debt legislation. *West. Farm Leader* 8(15): 3. Aug. 6, 1943. 280.28 W52
- Notes objections of the farmers of western Canada to the recently passed Farmers Creditors Arrangement Act.
- COOPER, WADE. Government lending agencies. *Sheep & Goat Raiser* 23(11): 11-13. Aug. 1943. 45.8 Sh3
- DECRETO que crea un fondo nacional de garantía, para operaciones de crédito agrícola. *Economista [Mex.]* 9(5): 35. July 16, 1943. 280.8 Ec793
- Text of a Mexican decree of June 15, 1943 providing for the creation of a national fund to guarantee agricultural credit operations.
- GOERKE, E. F. Indebtedness on marginal wheat farms in Western Australia. *Econ. Rec.* 19(36): 77-82. June 1943. 280.8 Ec74

L73

- GÓMEZ HAEDO, FRANCISCO. Diferencias esquemáticas fundamentales entre crédito comercial e industrial y crédito agrícola; apuntes del curso de economía rural. *Agros [Montevideo] (época 7)* 3(3): 116-127. Dec. 1939. 9.9 Ag82
- An outline listing the fundamental differences between commercial and industrial and agricultural credit.
- LEHNER, ANTHONY. Credit union co-ops: their purpose and use. *Coop. League of the U. S. A. Leaflet Ser. For Study and Action* 5, 19 p. New York, 1943. 284.2 L52
- Brings out importance of credit unions to farmers and their organizations.
- MUDALIAR, SRI DEWAN BAHADUR C. S. RATNASABHAPATHI. Presidential address...on the occasion of the Tamil Nadu Co-operative Land Mortgage Banks' Conference. *Madras Jour. Co-op.* 34: 565-569. May 1943. 280.8 M26
- Discusses cooperation and the Land Mortgage Banks in India.
- PANTULU, V. R. Address...on the occasion of the Joint Session of the Standing Committees of the All India Co-operative Institutes' Association and the Indian Provincial Banks' Association. *Madras Jour. Co-op.* 34: 557-564. May 1943. 280.28 M26
- Discusses briefly India's economic situation, the lack of a plan of post-war social security, and the effect of inflation on India's cooperative credit movement.
- PENA, M. T. de la. El crédito privado en Zacatecas; usureros y agricultores. *Rev. de Econ. [Mex.]* 6(6): 34-35. June 30, 1943. 280.8 R3293
- Part of a study in preparation, entitled "Zacatecas Económico." Describes the type of private agricultural credit available to farmers in Zacatecas, Mexico, and reasons it does not meet needs.
- LOS PRECIOS agrícolas y el crédito. *Planificación Econ. [Mex.]*, No. 5, p. 4-8. July 6, 1943. 280.8 P695
- Notes the need for agricultural prices high enough to stimulate production. In Mexico, the situation is complicated by the poverty of the peasant which forces him to sell his produce before he can obtain the best price. Credit is the answer to the problem.
- SMITH, W. L. Production credit--bank competitor; an extravagant experiment. *Mid-West Banker* 37(9): 10-12, 35-36. Sept. 1943. 284.28 B222
- Opposes Government credit to agriculture.

Income

- BRADY, D. S., and HAGOOD, M. J. Income of farm families. *U. S. Bur. Agr. Econ. Agr. Situation* 27(8): 9-11. Aug. 1943. 1 Ec7Ag
- FISHER, L. H. What is a minimum adequate farm income? *Jour. Farm Econ.* 25: 662-670. Aug. 1943. 280.8 J822
- An attempt to devise a method to be used to determine the "levels of living that should be sponsored in the establishment of new farms in the Columbia Basin."
- GARDNER, K. B. Minimizing fluctuations in net earnings. *U. S. Farm Credit Admin. News for Farmer* Coop. 10(5): 6-7. Aug. 1943. 166.2 M47
- Discusses methods of inventory valuation with special reference to cooperative associations.
- HOPE, E. C. Agriculture's share of the national income. *Canad. Jour. Econ. and Polit. Sci.* 9: 384-393. Aug. 1943. 280.8 Q162
- Concerned with an analysis of the position of agriculture in the Canadian economy as revealed by published data on national income.

- HARPER, F. A., and CURTISS, W. M. Inflation is on our doorstep. N. Y. Agr. Col. (Cornell) Dept. Agr. Econ. A. E. 445, 20 p., processed. Ithaca, 1943. 281.9 C81
Discussion of "what inflation is and what causes it, what are its effects, how much is it to be feared, and measures that will and will not prevent it." Gives some attention to effects of inflation on agricultural and food prices.
- HOOD, KENNETH. Inflation control and the farmer. Pa. Farm Econ., No. 15, p. 1-3. Aug. 1943. 275.29 P382Pf
- THOMAS, R. D. Farm prospects after the war; farmers have stake in inflation battle. Okla. Agr. Col. Okla. Ext. News 24(8): 3. Aug. 1943. 275.29 Ok410
Includes discussion of farm-debt situation, price control, and market prospects.
- WERTZ, V. R. Do we really want inflation? Ohio Farmer 192(5): 5, 27. Sept. 4, 1943. 6 Oh3
Dangers for the farmer in the inflation which we already have (higher general price level), and that which may come.

Insurance

- CHASE, J. P. Crop insurance not popular with most cotton farmers; adjusted premiums too high in low risk areas, damage payments onerous in high risk ones; producers dislike income guarantee. Cotton Trade Jour. 23(32): 6. Aug. 7, 1943. 72.8 C8214
A criticism of Federal Cotton Crop Insurance.
- RURAL insurances during the agricultural year 1941-1942; compared statistics of the last quinquennium. Argentina Min. for Foreign Affairs and Worship. Dept. of Inform. for Abroad. Argentine News, No. 48, p. 29. Mar. 1943. 255.1 Ar37A
Includes tables showing areas and products insured against hail.

Taxation

- BROWN, W. J. Farmers are over-taxed. Dairy Farmer 16(8): 10. Aug. 1943. 44.8 D1414
Brings out the effect of the 100% excess-profits tax on agriculture and the farmer.

- DAVIDSON, J. B., SHEDD, C. K., and COLLINS, E. V. Labor duty in the harvesting of ensilage. Agr. Engin. 24: 293-294. Sept. 1943. 58.8 Ag83
- DIEPENBROCK, A. I. Agricultural labor defined under Federal tax acts. Blue Anchor 20(3): 6, 25-26. Aug. 1943. 286.83 B62
"Latest interpretative regulation issued by the Treasury Department relative to the meaning and application of agricultural labor as defined in Section 1426 (h) of the Internal Revenue Code."

L76

THE EMPLOYMENT of prisoners of war in Germany. Internat'l. Labour Rev. 48: 316-323. Sept. 1943. 283.8 In8

Includes discussion of agricultural workers.

F., H. S. Saskatchewan redistributes farm labor. Country Guide 62(9): 23-24. Sept. 1943. 7 G76

FLINT, L. S. Arden uses radio program for securing "help wanted." Dairy World [Chicago] 22(3): 16-17. Aug. 1943. 44.8 D1423

Dairy firm dramatizes employment opportunities and sells the advantages of working for the firm.

GEMMILL, DAVID. Farming labour. Agriculture (Jour. Min. Agr. Gt. Brit.) 50: 163-165. July 1943. 10 G79J

Discusses the categories of farm labor in Great Britain, the importance of planning the work, piece-work on the farm, the bonus payment system, the Women's Land Army, and Irish workers, part-time volunteers and prisoners of war as sources of labor.

HAYTHORNE, G. V. Agricultural man-power. Canad. Jour. Econ. and Polit. Sci. 9: 366-383. Aug. 1943. 280.8 C162

HOROWITZ, D. Bermuda and Palestine. Palestine and Middle East 15: 84-86. May 1943. 286.8 F172

Notes a labor shortage in Palestine despite the influx of Jewish refugees.

HISCOCK, J. Dairying industry [wages] award. Tasmanian Farmer 6(10): 1, 4. July 1943. 23 T186

Résumé of terms and conditions of the wages award which covers all labor incidental to a dairy farm.

LA LEY de jubilaciones rurales y el fichaje de los interesados; lo que sucede en campaña; de nuestro corresponsal en Nuevo Paysandú. Diario Rural 3(281): 1. May 29, 1943. 9.9 D54

Letter from a correspondent in Nuevo Paysandú describing the situation caused by the Banks of Public Service not having received instructions to carry out the pension plans for rural workers, which were to go into effect within a year.

LLOYD, E. W. Skilled workers on the farm. Field 182: 72. July 17, 1943. 10 F45

LOYO, GILBERTO. Profesiones y ocupaciones para la juventud de México. Rev. de Econ. [Mex.] 6(6): 27-33. June 30, 1943. 280.8 R3293

Points out that Mexican agriculture for various regions has not a great future, but that much may be done through the opening of new lands for cultivation, substitution of more remunerative crops, and improvement of agricultural methods. Forest areas have been destroyed and the general situation has been aggravated by scantiness of population, disease, etc. The writer describes conditions which will be faced by youth deciding on a career, and various careers are discussed, including agriculture.

McFEELEY, H. F. The New Jersey farm work simplification project. N. J. Farm Econ. Situation 1(15): 15-16, processed. Apr./May 1943. 275.28 N4622

Project being organized by the New Jersey Agricultural Experiment Station and Extension Service.

OLARIAGA, NEMESIO de. No somos productores rurales porque sí, dijo el "Día de la Agremiación" el Sr. de Olariaga. Buenos Aires y la Pampa, Apr. 1943. p. 1, 6. 9 B868

Radio address to Argentine agricultural labor.

Discusses agricultural policy and the need for unification among workers.

POTTER, H. C. Methods of correlating wartime instruction with farm labor needs. Agr. Ed. [Des Moines] 16: 26-27. Aug. 1943. 275.8 Ag8

PRYKE, W. J. Farmers' training corps. Farmer & Stock-Breeder 57: 1320. Aug. 24, 1943. 10 F228

Suggests the creation of an Agricultural Training Corps to give efficient and systematic training to the young farm worker.

ROBERTS, C. M. Farm labor demands studied. Calif. Cult. 90: 403, 423. Aug. 7, 1943. 6 C12

ROEMER, ELLEN. Women - high school boys - our good neighbors - Indians - they got the corn detasseled. Nebr. Farmer 85(15): 1, 20-21. Aug. 7, 1943. 6 N27

Tells how laborers were recruited to detassel corn for the hybrid companies in order to produce an adequate supply of seed corn.

SAVING 50 to 75 per cent of the labor. Through the Leaves 31(4): 14-16. July/Aug. 1943. 66.8 T41

Labor saving in sugar-beet production, made possible by mechanization and the use of segmented seed.

SCHMIDT, G. A. Training, placing and financing young men returning from military service and war production industries after the war. Agr. Ed. [Des Moines] 16: 31, 37. Aug. 1943. 275.8 Ag8

Suggests that teachers of vocational agriculture take an active part in helping young men returning to the farms in their communities after the war.

TEAGUE, C. C. Food production hindered by failure to grasp its importance in war effort and diversion of skilled farm labor. Sunswet Standard 26(8): 6-7. 11. Jan. 1943. 286.83 Su7

U. S. SELECTIVE SERVICE SYSTEM. Selective service in wartime; second report...1941-42. 674 p. Washington, 1943. 173 Se2Re

Developing emphasis on agriculture, ch. 10, p. 185-209.

VIERHELLER, A. F. Handling the 1943 fruit crop. Rural New Yorker 102: 398, 402. Aug. 7, 1943. 6 R88

Emergency labor problems in fruit harvesting.

Women

DAY, MARY. W. L. A. and the call-up. Farmers Weekly [London] 19(7): 36. Aug. 13, 1943. 10 F2226

Comment upon a statement by Mr. Bevin in stopping recruitments that the Women's Land Army "are...above their ceiling."

PATTERSON, JEAN. Hayseed in my hair. Country Gent. 113(9): 77, 84-85. Sept. 1943. 6 C833

Women's Land Army.

WENTWORTH, W. A. Woman power in the dairy industry. Canad. Dairy and Ice Cream Jour. 22(8): 54-55. Aug. 1943. 44.8 C162

WORK of Women's Land Army group leaders suggested; movement's steady progress [in Australia]. Land [Sydney], No. 1645, p. 11. June 25, 1943. 23 I22

Youth

BOND, G. E. Youth labor on farms. Better Rural Life 4(8): 1, 3. Aug. 1943. 275.29 R34B

Difficulties on both sides are noted.

GOUGH, PHYLLIS. Farm girls are doing their part. Iowa Farm Econ. 9(8): 2. Aug. 1943. 275.28 I092

HANCOCK, G. W. Henniker's plan for releasing high school boys for apple picking. N. H. Hort. Soc. Jour. 7(1): 23-25. 1943. 81 N452J

JUVENILE labour in wartime in the United States. Internat'l. Labour Rev. 48: 324-337. Sept. 1943. 283.8 In8

Schemes for the Emergency Employment of Children: Agriculture, p. 334-336.

LITTLE, E. H. High school students to pick apples. N. H. Hort. Soc. Jour. 7(1): 25-28. 1943. 81 N452J

MECHAYEV, N. V. Soviet children on the farm. Soviet Russia Today 12(5): 14-15. Sept. 1943. 280.8 So89

VONDELL, J. H. It's all in the day's work. New England Homestead 116(18): 15. Sept. 4, 1943. 6 N442

Farm work of Smith College girls at Massachusetts State College.

AGRICULTURE - SITUATION, POLICIES, AND PROGRAMS

- ACTON, B. K. A comparison of farms in the Grande Prairie district of Alberta 1930 and 1942. *Econ. Annal.* 13: 53-56. Aug. 1943. 280.8 Ec75
Summary of facts from two economic surveys.
- ANDRADE, F. V. de. Na Fazenda Guaruaia, im dos padões agro-pecuários do Estado de São Paulo. *Sítios e Fazendas* 8(3): 16-18. Mar. 1943. 9.2 S18
Brief description of the Fazenda Guaruaia in São Paulo, Brazil.
- ARANGO, RODOLFO. La producción cubana y la Carta del Atlántico. *Labor* 2(41): 7. July 15, 1943. 8 L11
Cuba's achievements in agricultural production in cooperation with the aims of the Allied Nations.
- ARMANET, DANIEL. Las instituciones de fomento en la República de Chile. *Economista [Mex.]* 9(5): 29-30. July 16, 1943. 280.8 Ec793
Notes some of the failings of the Chilean institutions for the promotion of agriculture, one of which is lending money without any adequate organization for such operations.
- BADLEY, J. E. A farm-food message to Congress. *Natl. Beet Grower* 11(6): 3. May/June 1943. 280.28 N21
Suggestions on over-all agricultural policy, emphasizing need for mechanical equipment and labor.
- BECKER, J. A. Crop production. *U. S. Bur. Agr. Econ. Agr. Situation* 27(8): 14-16. Aug. 1943. 1 Ec7Ag
Notes that acreage in crops is the largest in 11 years and estimates production of various crops.
- BRIIGGS, F. A. Independence of agriculture threatened. *Farm and Ranch* 62(9): 22, 23. Sept. 1943. 6 T31
Deplores the trend of the time, which is to place agriculture and other industry under obligation to the Federal Government. Reference is made to suggestions of a planning committee which met in Milwaukee "last August" to discuss post-war agricultural problems and to suggest plans for the betterment of the industry.
- CHINA'S food. *Economist [London]* 145: 205, 206, 208. Aug. 14, 1943. 286.8 Ec7
Discusses China's agricultural and food policy, the latter of which has undergone changes from both the production and distribution ends.
- CROSS, AUSTIN. Ontario is lucky. *Canad. Business* 16(9): 28-32, 162, 164, 165, 166. Sept. 1943. 287 C162
Includes discussion of Ontario's agriculture, cash crops produced, and the wine industry.
- DENBIGH, B. R. A program to increase food production [in San Bernadino, Calif.]. *Agr. Ed. [Des Moines]* 16: 38. Aug. 1943. 275.8 Ag8
- DODINGTON, R. M. Farming conditions in England during the present war. *Milking Shorthorn Jour.* 24(8): 22-23. Aug. 1943. 43.3 M59
- ECHENIQUE LETELLER, JOAQUÍN. Declaración de la agricultura nacional ante el proyecto económico. *Campesino [Santiago, Chile]* 75: 356, 358. June 1943. 9.3 Sol2
Shows why the projected regulation of Chile's economy by the Government will not be successful.
- ELLIOT, WALTER. "Sealed orders." *Farmers Weekly [London]* 19(8): 27-28. Aug. 20, 1943. 10 F2226
Stresses the need for and importance of a definite British agricultural policy.
- EVERSON, E. E. State officials re-define their national policies. *Farmers Guild News* 1(12): 1-2. May 1943. 281.8 F228
Deals with prices, farm labor supply, and equipment.
- FINLAND'S economic difficulties. *Economist [London]* 145: 208. Aug. 14, 1943. 286.8 Ec7
Brings out declining agricultural production, farmers' demands for higher prices, and promised subsidies.

L79

- FIRTH, RAYMOND. The coastal people of Kelantan and Trengganu, Malaya. *Geog. Jour.* 101: 193-205. May/June 1943. 472 G29
While fishing is the main occupation, about twenty kinds of rice, some vegetables, corn, and tobacco are grown. Fragmentation of rice plots is common. The vegetable growing produces a cash income. Landowners allow the land to be used in return for part of the produce. Part-time occupations are common and women take part in many of them.
- FLEURY, FRANÇOIS. Nos comités paroissiaux à l'oeuvre. *Bul. des Agr.* 39(7): 17, 19. July 1943. 7 B872
Work of the parish agricultural production committees in Quebec, and the way problems, such as the labor shortage, are being met.
- FRASER, SAMUEL. The war food program: establishment of policy to be considered at Chicago meeting. *East. Fruit Grower* 6(5): 6, 32, 34. July 1943. 80 Ea73
- GOLDMANN, J. Meat and wheat. *Oxford Inst. Statis. Bul.* 5: 73-76. Apr. 3, 1943. 280.9 Ox2B
Discussion of various aspects of the "standing war-time controversy of cattle-rearing versus wheat-farming" which has been renewed with the availability of dried meat for consumption.
- HANNAM, R. R. Control of production and supply. Higher prices result in higher costs. *Farmers Weekly [Bloemfontein]* 65: 797, 813. 24 F225
- HARDING, T. S. Planning for victory on the food front. *Amer. Jour. Econ. Sociol.* 2: 479-489. July 1943. 280.8 Am393
- HUBERT, G. A. The Negro on the agricultural front. *Jour. Negro Ed.* 12: 397-404. Summer 1943. 275.8 J827
- JOHNSON, S. E. Food production policies in wartime. *Jour. Farm Econ.* 25: 545-559. Aug. 1943. 280.8 J822
Topics discussed are pattern of food needs, economical sources of food nutrients, pattern of food production, maximum production capacity, and programs to obtain maximum production.
- KENNEDY, RAYMOND. Islands and peoples of the Indies. *Smithson. Inst. War Background Studies* 14 (Pub. 3734), 66 p. Washington, 1943. Ref., p. 62-66. 280 Sm65
Describes agriculture and rural life.
- KLEIN, PATSY. New laws for farmers. *Calif. Cult.* 90: 347, 358-359, 375. July 10, 1943. 6 C12
- LADEJINSKY, W. I. Island agriculture in the South Pacific. *U. S. Off. Foreign Agr. Relat. Foreign Agr.* 7: 178-184, processed. Aug. 1943. 1.9 Ec7For
Discusses plantation and native agriculture in the Australian mandated islands and the Japanese mandated islands.
- LARGUÍA, E. T. Situación agrícola en la Provincia de Buenos Aires. *Buenos Aires (City). Inst. Agr. Argentino Reseñas* 3(17): 52-55. 1943. 281.9 B862
Discusses the agricultural situation caused by the drought in the Province of Buenos Aires, possibilities of moving farmers to more suitable zones, and the necessity of helping those who have lost their crops.
- MEDEIROS, A. L. de. A ação da Secretaria da Agricultura como fator de melhoramento da viticultura gaúcha. *Rev. Agron. [Porto Alegre]* 7: 247-248. May 1943. 9.2 R325
Discusses the Brazilian Government measures to stimulate and improve viticulture on small holdings. These relate particularly to instruction.
- OHIO. COMMITTEE ON MAXIMUM WARTIME AGRICULTURAL PRODUCTION. Maximum wartime agricultural production in Ohio. *Ohio State Univ. Dept. Rural Econ. and Rural Sociol. and Ohio Agr. Expt. Sta. Mimeog. Bul.* 168, 40 p. Columbus, 1943. 281.9 Oh32
A preliminary report.

L80

- OKLAHOMA, AGRICULTURAL EXPERIMENT STATION. The agricultural situation. Okla. Agr. Expt. Sta. Current Farm Econ. 16: 123-133. Aug. 1943. 100 Ok4
Discussion of production and prices of agricultural products.
- ORR, SIR JOHN. British soil at war. Land 2: 267-271. Spring 1943. 279.8 L22
British agricultural and food policy in the present war.
- PETERSON, E. T. Look to the land. Amer. Sw. Monthly 37(7): 8-9, 26-28. July 1943. 286.8 Sw3
- PRISCHEA, M. Farming on the roof of the world. Soviet Russia Today 12(5): 10-11. Sept. 1943. 280.8 So89
- PROGRAMA de agricultura. Rev. de Agr. y Com. [Panama] año 3, No. 23, 38 p. July 1943. 8 R3291
Entire issue is given over to the 1943/44 agricultural program for Panama, the purpose of which is to produce enough to supply the domestic market and the Canal Zone.
- PROULX, J. R. Comités de production. Bul. des Agr. 39(8): 16. Aug. 1943. 7 B872
Describes the agricultural production committees in the parishes of Quebec Province.
- QUEBEC, MINISTÈRE DE L'AGRICULTURE, SECTION DES PUBLICATIONS. A tous les colons: la production intensive chez les colons. Bul. des Agr. 39(7): 24. July 1943. 7 B872
Efforts at more intensive production among farmers in Quebec.
- RAMSAY, ALAN. This county committee knows every field. Farmer & Stock-Breeder 57: 1321, 1327. Aug. 24, 1943. 10 F228
Activities of the County Committee of Rutland, England.
- RHODES, L. M. The farmer indispensable. For Sale, Want and Exch. Bul. 12(7): 1. July 1943. 280.38 F74
Agriculture and agricultural production.
- ROY, J. B. Les agronomes tournent leurs regards vers l'avenir. Bul. des Agr. 39(8): 24. Aug. 1943. 7 B872
Tells about the second conference of the Corporation des Agronomes de la Province de Québec held at Oka, June 28 to 30.
- ROZZONI, L. A. A shift coming in food production. [Calif.] Stanislaus Co. Farm Bur. Monthly 6(8): 4, 9. Aug. 1943. 275.293 Calif.
The 1944 food-production program will call for increased production of vegetables and cereals instead of more livestock.
- SCHENCK, H. E. We need a farm program--a protective system. Hoosier Farmer 28(9): 4. Sept. 1943. 280.83 H76
- SHORT, C. M. The food outlook darkens. Canad. Business 16(9): 24-26, 146. Sept. 1943. 287 C162
Impaired agricultural production in Canada, inadequate equipment, inadequate manpower, farm labor policy, and possible cuts in civilian rations are discussed.
- SIMS, MRS. T. M. Workable food policy sought. [Calif.] Stanislaus Co. Farm Bur. Monthly 6(8): 10. Aug. 1943. 275.293 Calif.
Recommendations adopted at the Western Regional Conference, Colorado Springs.
- SIRETT, HUGH. Brighton: a farming challenge. Farmer & Stock-Breeder 57: 1281. Aug. 17, 1943. 10 F228
Food-production achievements of the County Borough of Brighton under its Agricultural Committee.
- STEIN, GUENTHER. Free China's agricultural progress. Pacific Affairs 16: 339-343. Sept. 1943. 280.8 P11
- STEPHAN, L. La M. An agricultural survey of Portage County, Ohio. Econ. Geog. 19: 156-170. Apr. 1943. 278.8 Ec7
Among topics discussed are utilization of farm land, types of farming, soils, land tenure, and markets.

L81

- T. B. MANSON tells Ontario farmers about success of British plan. Farmer's Advocate 78: 548-549. Sept. 9, 1943. 7 F22
Brief account of agriculture in Great Britain, the War Agricultural Executive Committees, price fixing, and sizes of farms.
- THIBODEAU, L. P. La situation agricole et économique de la Beauce et des cantons de l'Est. Forêt Québécoise 6: 102-119. Sept. 1943. 99.8 F79
Description of the agricultural economy of Beauce and the eastern cantons of Quebec, including the rural population, marketing organization, agricultural products and farm revenues, livestock production, and the dairy industry.
- WESTBROOK, E. C. The South's farm program. Com. Fert. Year Book 1943: 34-38. Atlanta, W. Brown, 1943. 57.8 C73Y
A table gives annual cash income from farm marketing, 1932-42.
- WHITE, G. H. Farmers now work for freedom; productive genius makes possible freedom from want. Okla. Agr. Col. Okla. Ext. News 24(8): 1, 3. Aug. 1943. 275.29 OK410
- WICKARD, C. R. South's agriculture achieves great war record. Mfrs. Rec. 112(9): 59-60. Sept. 1943. 297.8 M31
- WITT, L. W. Changes in agriculture of south central Brazil. Jour. Farm Econ. 25: 622-643. Aug. 1943. 280.8 J822
A discussion of the reasons for the changes in agricultural products in Minas Gerais, Rio de Janeiro, and São Paulo, with special reference to the decline of coffee and the expansion of cotton.
- Agriculture, Post-war
- ADAIR, WILLIAM. An all-in marketing board; Mr. Foster, the Liberals, and the subsidies. Farming News and North Brit. Agr. 95(32): 3. July 30, 1943. 10 N82
The writer disagrees with the post-war marketing plans of Mr. Sidney Foster and the plans for post-war agriculture of the Liberals.
- AGRICULTURAL policy in Trinidad. Measures for long-term development. (To be cont.) West India Com. Cir. 58: 125-126. July 1943. 8 W524
- THE ATLANTIC Charter and its agricultural implications. Nature [London] 152: 57-59. July 17, 1943. 472 N21
Notes the inseparable connection between food policy and agricultural policy and some proposals for their post-war solution.
- BAKER, D. V. Growing realisation of agriculture's importance...Plans to prevent post-war stagnation. Farmer's Weekly [Bloemfontein] 65: 574-575. June 9, 1943. 24 F225
- CALLAGHAN, A. R. Post-war planning. Austral. Sugar Jour. 35: 133. July 15, 1943. 65.8 Au7
Urges the rural producers of Australia to help organize post-war agriculture.
- CRUZ RAMÍREZ, CARLOS. Economía de guerra y post guerra. Punto de vista agronómico. Agrario [Santiago, Chile] 7(315): 1, 6. May 25, 1943. 9.3 Ag85
Suggestions for the development of post-war agriculture in Latin America.
- CUBILOVIC, BRANKO. Yugoslav agriculture. New Europe 3(3): 8-9. Mar. 1943. 280.8 N44
Suggestions for post-war agricultural plans.
- DAMPIER, W. C. The future of agriculture. Scot. Jour. Agr. 24: 121-129. July 1943. 10 Sco82So
- EVANS, R. M. Looking forward to a better world. U. S. Soil Conserv. Serv., Soil Conserv. 9: 42. Aug. 1943. 1.6 So3S
Suggestions for a post-war agricultural program based on data provided by the United Nations Conference on Food and Agriculture.
- FOSTER, SIDNEY. Post-war agricultural policy. Case for national marketing of farm produce. Scot. Farmer 51: 814. July 24, 1943. 10 Sco8
Summary of speech.

L82

FUTURE of agriculture; interdependence of town and country. Scot. Farmer 51: 770. July 10, 1943. 10 Sco8

Gives generous excerpts from an address by G. Deakin before the English National Farmers' Union dealing with post-war agriculture and the establishment of a prosperous countryside, and bringing out the relation between agriculture and industry.

HONIG, PIETER. Relief in the Netherlands Indies. New Europe 3(5): 10-13. May 1943. 280.8 N44

Increase of local food production and its transportation to place of consumption are among the post-war problems noted.

HUDSON, R. S. Four years' plan for agriculture, giving effect to Hot Springs resolutions. Scot. Farmer 51: 850. Aug. 7, 1943. 10 Sco8

Text of a speech by the British Minister of Agriculture in the House of Commons on July 28, 1943.

L., H. M. The future of South African agriculture. Internatl. Sugar Jour. 45: 203-204. Aug. 1943. 65.8 In8

Gives the views expressed with regard to agriculture by the Industrial and Agricultural Commission in its Third Interim Report which deals with the Fundamentals of Economic Policy in the Union.

LEHMAN, H. H. Agriculture's post-war job. Coastal Cattleman 9(5): 18-19, 28. July 1943. 43.8 C63

On the rehabilitation of European agriculture.

LEPPAN, H. D. Some agricultural aspects of post-war reconstruction. So. African Jour. Sci. 39: 330-336. Jan. 1943. 515 So84

NEW YORK UNIVERSITY. INSTITUTE OF INTERNATIONAL

FINANCE. Some aspects of postwar economic reconstruction of Europe. N. Y. Univ. Inst. Internatl. Finance Bul. 127, 22 p. N. Y., 1943. 284.9 In7

Summarizes briefly the problems in the agricultural reconstruction of Europe.

OLLEA, D. E. Debemos producir más algodón y aumentar la producción agrícola ganadera en todas las regiones del país. Gaceta Algodonera 20(232): 1-3. May 31, 1943. 72.8 G11

Urges increased production of agricultural and livestock products in view of post-war needs.

POST-WAR reconstruction and agrarian reform in India. Internatl. Labour Rev. 48: 346, 348-349. Sept. 1943. 283.8 In8

PRETORIUS, W. J. Hints in the sphere of economics. Union So. Africa. Dept. Agr. and Forestry. Pub. Ser. 132, 2 p. Pretoria, 1943. 24 So82P

Advises farmers to establish their farms on an economic basis in view of possible post-war changes.

PUSTA, K. R. Baltic States' economic problems. New Europe 3(3): 5-8. Mar. 1943. 280.8 N44

Calls for a rational and common plan of post-war agricultural production.

LA RECUPERACION económica del Uruguay. Diario Rural 3(272): 1, 14. Apr. 28, 1943. 9.9 D54

Report of an interview given to a Brazilian paper by the Uruguayan Minister of Agriculture, Arturo González Vidart, in which he expressed his ideas and plans for the economic reconstruction of Uruguay. These include promotion of agriculture along with stockraising, increase of small farms, economic emancipation for the farmer, and exchange between Uruguayan and Brazilian ruralists.

REED, H. J. The farm of tomorrow. Hoosier Farmer 28(9): 5, 34. Sept. 1943. 280.82 H76

Effect of technical improvement on farm work and farm life.

RUSSELL, SIR J. E. Our agriculture: its relation to ourselves and others. Roy. Soc. Arts. Jour. 91: 446-456. July 23, 1943. Discussion, p. 456-461. 501 L847J

Suggests two possible aims for British post-war agriculture and discusses a nutrition program.

L83

SHEFRIN, FRANK. Canada plans for post-war agriculture. Econ. Annal. 13: 37-42. Aug. 1943. 280.8 Ec75

THOMSON, J. A. A business man reviews all these plans. (To be cont.) Land Union Jour. 40: 241-245. Aug. 1943. 282.8 L22

Includes discussion of post-war plans for the land in Great Britain.

WICKARD, C. R. Preparing for the post-war period. N. J. Farm and Garden 14(9): 9. Sept. 1943. 6 G162

Studies on post-war agricultural problems carried on by the U. S. Dept. of Agriculture.

WILKINSON, T. L. More than a four-year plan. Field 182:62. July 17, 1943. 10 F45

Suggests a 7-year plan for rural Britain.

Subsidies

BILBY, BOB. If we must have a beef subsidy who should get it? - Producer, feeder or packer? N. Mex. Stockman 8(7): 4-5. July 1943. 49 N462

D'MILLER, W. M. Why subsidies? Co-op. Merchandiser 8(8): 8-9. Aug. 1943. 286.28 C78

GRIMES, C. W. Subsidies for the farmer. Ranchman 3(3): 6. July 1943. 49 R15

KING, W. I. Subsidies debunked. East. States Coop. 19(8): 24-25. Aug. 1943. 280.28 Ea7

SCHAEFFER, HENRY. The distributor view on subsidies; are our children and grandchildren to pay for the food we eat today? Super Market 8(9): 56-57. Sept. 1943. 389.8 Su7

STRATTON, CLIF. Subsidies will be used freely. Kans. Farmer 80(15): 6, 17. Aug. 7, 1943. 6 K13

Also in Mo. Ruralist 84(15): 6, 15. Aug. 14, 1943. 6 R8891

COST AND STANDARD OF LIVING

BARREIRA, I. E. Observações sobre as condições de vida e de trabalho do operário rural. Brazil. Inspetoria Fed. de Obras contra as Secas. Bol. 17(1): 12-14. Jan./Mar. 1942. 290.9 B732B

Cost and standard of living of the rural worker in Brazil.

BRODY, M. S. Wage rates and living costs in a war economy. Jour. Business Univ. Chicago 16(3, pt. 2): 1-38. July 1943. (Univ. Chicago Studies in Business Admin., v. 13, No. 3) 280.8 J825

Includes mention of farm prices and farm income.

GUSMÃO, CLOVIS de. A conquista da Amazônia. Observador Econ. e Financ. 8(87): 36-46. Apr. 1943. 280.8 Ob72

A sketch of the conquest of the Amazonian region and of living conditions there.

LOPES, WALDEMAR. Inquéritos rurais. DNG; Rev. do Depto. Nac. de Café 11: 533-538. Apr. 1943. 286.83 D44

Studies on the rural standard of living made by various agencies in Brazil.

SIMMONS, DOROTHY. Farm living costs are up too. Iowa Farm Econ. 9(8): 6-7. Aug. 1943. 275.28 Io92

SUÁREZ, P. A. Tratado de higiene. - El conjunto de problemas de higiene aplicada, contemplados bajo el aspecto de su adaptación a las modalidades y circunstancias reales de vida en la región andina del Ecuador. Univ. Cent. del Ecuador. An. 69(316): 5-113. Oct.-Dec. 1942. Ref., p. 108-113. 516 Ec9

A study of hygienic conditions in food, housing, clothing, and general living standards with special reference to the mountainous regions of Ecuador.

WALINSKY, LOUIS, and SARD, EDWARD. How Britain does it. Amer. Federationist 50(8): 7-10. Aug. 1943. 283.8 Am

Discusses Britain's program for controlling the cost of living, and suggests a similar program for the United States.

L84

FARM MANAGEMENT AND LAND ECONOMICS

- BERNARDÓN, JUAN. La explotación de la granja mixta. Buenos Aires (City). Inst. Agr. Argentino. Reseñas 3(17): 56-59. 1943. 281.9 B862
Discusses the so-called small industries which could be carried out by beginners on diversified farms, including dairying, hog-raising, poultry-raising, breeding of rabbits and nutria, and bee-keeping.
- DARRAH, L. B. Light breeds versus heavy breeds; report on a farm management survey of 120 commercial poultry farms, 1940-41. N. Y. Agr. Col. (Cornell) Dept. Agr. Econ. A. E. 448, 25 p., processed. Ithaca, 1943. 281.9 C81
- DARRAH, L. B. Poultry-farm management. N. Y. Agr. Col. (Cornell) Dept. Agr. Econ. A. E. 455, 26 p., processed. Ithaca, 1943. 281.9 C81
Report of a survey of 120 poultry farms in New York State covering the following subjects: Prices and costs; size of business and land use; farm receipts; farm expenses; labor income; reasons for variations in labor incomes; variation in important business factors.
- DAVIDSON, R. D., and PARCHER, L. A. The farm real estate situation in Oklahoma. Okla. Agr. Expt. Sta. Current Farm Econ. 16: 84-94. June 1943. 100 Ok4
Review of land prices, sales, and financing in 8 sample counties of Oklahoma, 1941 and 1942.
- ERRO, C. A. La implantación de ramas ganaderas e industriales constituye uno de los recursos más eficaces de la explotación rural que sirve para consolidar su equilibrio. Vinos, Viñas y Frutas 38: 419-423, 424. June 1943. 9 Ag89
Brings out the importance of diversification in agricultural production.
Also in Argentina. Min. de Agr. Dir. de Propaganda y Publicaciones. Noticioso 8: 47, 48, 50. Apr. 15, 1943. 9 Ar311N
- A FIFTEEN-HUNDRED-ACRE "food firm"; Northamptonshire farmers who operate their own distribution business. Farmers Weekly [London] 10(10): 28-29. Sept. 3, 1943. 10 F2226
Describes management of the Mackness family's farm.
- HOLMES, G. A. A New Zealander looks at British farming. Agriculture (Jour. Min. Agr. St. Brit.) 50: 158-162, July 1943. 10 G79J
Suggestions for improved farming procedures in Great Britain.
- LEES, A. B. Two crops a year on 500 acres. Farmer & Stock-Breeder 57: 1203, 1213. Aug. 3, 1943. 10 F228
The land produced one crop for sale and one for fodder. The cropping program is noted. The farm is in Trefelyn, Mathry, Haverfordwest, Pembrokeshire.
- NORDYKE, L. T. Building tomorrow's men out of today's boys. Farm and Ranch 62(9): 4, 25, 26. Sept. 1943. 6 T31
The success story of a Boy's Ranch in Texas.
- PALMORE, J. W., JR. "The proof of the pudding is in the eating." Farm and Ranch 62(8): 4, 16. Aug. 1943. 6 T31
Account of farm families who became successful through a plan of diversified farming called the "whole-farm demonstration."
- REBER, N. F. The Surgent brothers do a job. New Jersey Farm and Garden 14(9): 14-15. Sept. 1943. 6 G162
Describes the management of the Surgent brothers' 52-acre farm at West Freehold, N. J., including their labor policy.
- REID, DAVID. Cattle doubled, sheep trebled. Farmer & Stock-Breeder 57: 1243. Aug. 10, 1943. 10 F228
Successful results of crop rotation under the four-year plan for agriculture as obtained on a Herefordshire farm. "The secret...is said to be leys."
- SALGUERO, V. A. Conceptos sobre terminología rural: Estancia - chacra - granja - quinta - tambo. [Rosario, Argentina] Bolsa de Com. Bol. Ofic. 31(775): 29-31. June 30, 1943. 287 R71
Distinguishes between the various types of farms called in Spanish: Estancia, chacra, granja, quinta, and tambo.
- SANTOVENIA, E. S. El nuevo agricultor ejemplar: "Biyaya" Acosta. Rev. de Agr. [Habana] 26(22): 62-64. June/Aug. 1943. 8 Ag88Re
Discusses the ideal Cuban farmer, as personified in Biyaya Acosta, and his system of farming.
- WHISKARD, SIR GEOFFREY. Summary of speech...at the luncheon of the Land Agents' Society, July 15, 1943. Land Agents' Soc. Jour. 42: 201-202. Aug. 1943. 282.9 L22
Problems of land control, management, and use.
- WRIGHT, K. T. What's the war doing to farms in Michigan? Mich. Agr. Expt. Sta. Quart. Bul. 26(1): 54-61. Aug. 1943. 100 M585
Notes changes in size of farm business, crop acreage, livestock numbers, operation of the farm, labor efficiency, and farm earnings.
- Cost of Production
- BASTOS, A. M. A castanha do Para. Brazil Min. do Trabalho, Indús. e Com. Bol. 9(101): 162-178. Jan. 1943. 255.3 B737A
Notes the high cost of production of the Brazil nut as well as expensive freight costs, and suggests systematic planting of the trees in order to obtain a lucrative product.
- CUNNINGHAM, L. C. Relation of replacement loss to the raising of dairy heifers. Holstein-Friesian World 40: 1222. Sept. 11, 1943. 43.8 H742
Cost of raising dairy heifers.
- DU FLESSIS, A. J. Reducing production costs in animal husbandry. Union of So. Africa. Dept. Agr. and Forestry. Pub. Ser. 134, 2 p. Pretoria, 1943. 24 So82P
- GARDNER, L. C. Know your costs. Beekeepers' Mag. 5: 14-17. July 1943. 424.8 M58
Cost of production of honey.
- GEDDES, H. J. The structure of pig-production costs [in Australia]. Austral. Inst. Agr. Sci. Jour. 9: 56-62. June 1943. 23 Au74
- HALL, I. F. Keeping down costs. Hoard's Dairyman 88: 454. Aug. 10, 1943. 44.8 H65
Deals with excessive outlay in farms, buildings, equipment and livestock, and of knowledge of efficient livestock and crop methods.
- SULLIVAN, WALLACE. Pork production costs. West. Livestock Jour. 21(49): 93-94. Aug. 1943. 6 F2278

- Farm Bookkeeping and Records
- ENGINE, S. A., and POND, G. A. A preliminary report of data secured in 1942 on the farm accounting route in Nicollet County, Minnesota. Minn. Univ. Agr. Dept. Agr. Econ. Div. Mimeog. Rpt. 137, 29 p. St. Paul, 1943. 281.9 M66
Based upon a "study of the organization and management of a selected group of farms in Nicollet County...conducted under the supervision of the Division of Agricultural Economics of the University of Minnesota in cooperation with the Bureau of Agricultural Economics of the United States Department of Agriculture."
- GREAT BRITAIN. MINISTRY OF AGRICULTURE AND FISHERIES. Farm bookkeeping. 20 p. London, H. M. Stationery office, 1943. Attached to N. F. U. Rec. v. 21, No. 251, Aug. 1943. 281.8 N21
The why and how of keeping farm records.

L85

L86

PAWLEY, W. H. Keeping records for better farming. *Agr. Gaz. N. S. Wales* 54: 301-302. July 1, 1943. 23 N472

An account of three systems for keeping records drawn up for the farmer by the Department of Agriculture's Division of Agricultural Economics.

POND, G. A., and MODLAND, T. R. Cash income and expenses of Minnesota farmers. *Minn. Univ. Div. Agr. Econ. and Agr. Ext. Farm Business Notes* 247: 1-2. July 23, 1943. 275.29 M663

A study of trends in income and expense based on records kept by members of the farm management services in Minnesota for the years 1928-1942.

SMITH, J. H. Know what your farm costs to run. I. Keep accounts; II. Have an analysis cash book. *Poultry Farmer* 109(2822): 3; (2823): 2. July 23, 30, 1943. 47.8 F312

Land Settlement and Colonization

AHMAD, K. S. Settlements in the irrigated area of recent colonization in the Indo-Gangetic Plain. *Indian Geog. Jour.* 17(3): 183-199. July-Sept. 1942. (Not in U. S. D. A. Libr.)

Noted in *Population Index* 9(3): 184. July 1943. 241.3 P812

ALEXANDER, W. Land settlement theme. Community effort. *New Zeal. Farmer Weekly* 64(9): 14. July 1, 1943. 23 N484

BOYLE, I. G. The ideal form of agricultural settlement. *Primary Prod. [Perth]* 28(26 1.e: 25): 1. July 1, 1943. 23 P932

Summary of a radio broadcast in which a brief survey is made of the group settlements of Western Australia. Ideal form of settlement is found to be freeholding of the farmer's block.

KULISCHER, E. M. Jewish migrations; past experiences and post-war prospects. *Res. Inst. on Peace and Post-war Prob. Pam. Ser. Jews and the Post-war World* 4, 51 p. N. Y., Amer. Jewish Com., 1943. 280 K943

Contains references to Jewish agrarian colonization.

RASMUSSEN, W. D. Colonia Tovar, Venezuela. *Agr. Hist.* 17: 156-166. July 1943. 30.98 Ag8

An account of the only Venezuelan agricultural colony settled by immigrants that has survived to the present time.

STUTT, R. A. Average progress of settlers in the Albertville-Garrick, northern pioneer areas, Saskatchewan, 1941. *Econ. Anal.* 13: 44-50. Aug. 1943. 280.8 Ec75

Land Tenure

AN ANSWER to the land nationalists; Conservative Committee's views on the hardship of estate duties. *Land Union. Jour.* 40: 250-253. Aug. 1943. 282.8 L22

Extracts from the Conservative Sub-Committee's Report on Agricultural Reconstruction.

ARTHUR, I. W. Fair in war or peace: flexible cash rent. *Iowa Farm Econ.* 9(8): 11. Aug. 1943. 275.28 Io92

BENN, SIR ERNEST. Public v. private ownership. *Field* 182: 59. July 17, 1943. 10 F45

Land tenure in Great Britain.

BRIIGGS, F. A. Security in owning land. *Farm and Ranch* 62(9): 6. Sept. 1943. 6 T31

BRYAN, A. B. Sharecropping with cows. *Prog. Farmer, Va.-Car. Ed.* 53(9): 12. Sept. 1943. 6 F945

Handling milk cows on shares, on the farm of E. A. Oliphant, in South Carolina.

COLES, H. L., JR. Some notes on slaveownership and landownership in Louisiana, 1850-1860. *Jour. South. Hist.* 9: 381-394. Aug. 1943. 134.8 J82

HILL, J. G. A paying experiment in farm tenantry; Oklahoma business men start a young farmer on the road to prosperity. *South. Agr.* 63(9): 7. Sept. 1943. 6 So83

Tells about the Demonstration Farm sponsored by the Oklahoma City Chamber of Commerce.

L87

INDIA'S agrarian problem. *Amerasia* 7: 157-159. June 1943. (Not in U. S. D. A. Libr.)

Cited in *Agr. Index* 28(11): 2. Aug. 1943. 241 Ag8

One of the basic problems of Indian agriculture is said to be the system of land tenure and land revenue.

KINNEERLY, A. B. Let's figure rent on your farm. *Prog. Farmer, Va.-Car. Ed.* 53(9): 26. Sept. 1943. 6 F945

Factors in figuring rent.

LAND reform in China. *Amerasia* 7: 159-160. June 1943. (Not in U. S. D. A. Libr.)

Cited in *Agr. Index* 28(11): 2. Aug. 1943. 241 Ag8

The Chinese system of land tenure is said to be inimical to an increase in agricultural production.

McNULTY, J. B. Farm leases in wartime. *Minn. Univ. Div. Agr. Econ. and Agr. Ext. Farm Business Notes* 247: 2-3. July 23, 1943. 275.29 M663

A recent survey of the leasing situation in Minnesota shows that an increasing number of landlords want to rent on a share lease, while the tenants prefer cash leases.

McNULTY, J. B. McNulty warns against dangers of cash lease. *Markets* 11(29): 4. Sept. 2, 1943. 280.83 M343

Deals with Minnesota farm leases.

MOODIE, A. W. S. Farm tenancy in New South Wales. The Agricultural Holdings Act, 1941, and its application. (To be cont.) *Agr. Gaz. N. S. Wales* 54: 261-266, 303-309. June 1, July 1, 1943. 23 N472

MOODIE, A. W. S. Landlords, tenants, and share farmers. *Live Stock Bul. [Sydney]*, June 1, 1943, p. 1. 23 F222

Comments on Agricultural Holdings Act, 1941, of New South Wales, which became effective on July 1, 1943.

P., E. The landowner's burden. *Land Worker* 24(291): 3. Aug. 1943. 283.8 L22

Land nationalization suggested as a solution to the financial burden of landlords.

REID, E. B. That "yen" to own a farm. *Mid-West. Banker* 37(8): 10. Aug. 1943. 284.28 B222

Brings out problems connected with part-time farming by inexperienced city people.

REVIEW of new Agricultural Holdings Act. *Land [Sydney]*, No. 1644, p. 16; No. 1645, p. 16. June 18, 25, 1943. 23 L22

These two installments of the series relating to the Act which goes into effect in New South Wales July 1, 1943, deal with power of committees to settle disputes between parties and ways in which tenants will be compensated for improvements.

ROEMER, ELLEN. Mutual agreement. *Nebr. Farmer* 85(17): 24. Sept. 4, 1943. 6 N27

The story of a verbal landlord-tenant contract that lasted 55 years.

SANTAELEA, JOAQUIN. El amparo y la producción. *Economista [Mex.]* 9(108): 31-32. Aug. 16, 1943. 280.8 Ec793

Urges the repeal of section 14 of article 27 of the Mexican Constitution in order that the farmer may enjoy security of tenure.

SITTERSON, J. C. The William J. Minor plantations: a study in ante-bellum absentee ownership. *Jour. South. Hist.* 9(1): 59-74. Feb. 1943. 134.8 J82

STEWART, C. L. Farm reality changes in Eastern and Western United States. *Econ. Geog.* 19: 196-205. Apr. 1943. 278.8 Ec7

TANNOUS, A. I. Land tenure in the middle East. *U. S. Off. Foreign Agr. Relat. Foreign Agr.* 7: 171-177. processed. Aug. 1943. 1.9 Ec7For

"The discussion includes Syria, Lebanon, Trans-Jordan, Iraq, and Palestine, but not the Jewish settlements in Palestine."

WARREN, S. W. Father and son arrangements on the farm; a summary of the experiences on 24 New York farms. *N. Y. Agr. Col. (Cornell) Dept. Agr. Econ. A. E.* 456, 11 p., processed. Ithaca, 1943. 281.9 C81

L85

Land Utilization

- DE LA BERE, R. Land still wasted; Government should act. *Dairy Farmer* 16(8): 10. Aug. 1943. 44.8 D1414
Critical of the amount of land in Great Britain which is untilled and occupied by golf courses.
- THE "COUNTRY LIFE" estate; a thousand acres' in Berkshire and what we propose to do with it. *Country Life* [London] 94: 68-71. July 9, 1943. 80 C83
Describes an estate bought by Country Life as a setting for a long-term experiment in practical agriculture.
- LYNN, G. W. Surveys in land planning. *Farm and Forest* 3(1): 21-22. Mar. 1942. 24 F226
A plea for surveys as a preliminary to planning in the Gold Coast.
- SAVILL, SIR EDWIN. The Uthwatt report in its relation to development rights. *Field* 182: 154. Aug. 7, 1943. 10 F45
- U. S. CONGRESS. SENATE. COMMITTEE ON PUBLIC LANDS AND SURVEYS. Administration and use of public lands. Partial rpt...pursuant to S. Res. 241 (76th Cong.) (Extended by S. Res. 147, 77th Cong. and S. Res. 39, 78th Cong.) U. S. Cong. 78th, 1st sess. S. Rpt. 404, 87 p. Washington, U. S. Govt. print. off., 1943.
- U. S. NATIONAL RESOURCES PLANNING BOARD. LAND COMMITTEE. Area analysis--a method of public works planning. U. S. Natl. Resources Planning Bd. Tech. Paper 6, rev., 40 p. Washington, U. S. Govt. print. off., 1943. 173.2 N214Tp
"The revision...consists solely of the addition of Part 2, the livelihood area map and text."
- WALSTER, H. L. Planning in the Great Plains. N. Dak. Agr. Expt. Sta. Bimo. Bul. 5(6): 7-15. July 1943. 100 N813B
Includes discussion of county land-use planning.
- WILSON, A. D. Is zoning a sound policy? *Stock and Dairy Farmer* 33(1): 14. Sept. 1943. 6 N8195

Land Values and Valuation

- ANOTHER land boom ahead? Steady price climb since 1939 follows pattern of first World War. Proposals to curb advance by Government ceilings or heavy taxes on sale profits. *U. S. News* 15(8): 50, 52, 54. Aug. 20, 1943. 280.8 Un33A
- BECK, A. F. Selling farm land. *Natl. Real Estate Jour.*, July 1943, p. 26-27 (Not in U. S. D. A. Libr.)
Noted in *Pub. Aff. Inform. Serv. Bul.* 29(43): 22. Aug. 7, 1943. 241.11 F96
- BERGER, R. L. Land values and transfers first quarter 1943, North Dakota. N. Dak. Agr. Expt. Sta. Bimo. Bul. 5(6): 5-7. July 1943. 100 N813B
- MOTHERAL, J. R. Here we go again! *Farm and Ranch* 62(8): 13-15. Aug. 1943. 6 T31
Warns of an inflationary land boom, and tells what can be done to prevent it.
- NORTON, L. J. Land boom ahead? *Country Gent.* 113(9): 12, 38-39. Sept. 1943. 6 C833
- PARCHER, L. A., and DAVIDSON, R. D. The land market situation. *Okl. Agr. Expt. Sta. Current Farm Econ.* 16: 137-141. Aug. 1943. 100 Ok4
Farm real estate situation indicates advance in price, a sharp increase in the volume of sales, and increases in both the number of cash transfers and in the amount of the downpayment on sales that were financed.

POPULATION

- CHANDRASEKHAR, S. Growth and characteristics of India's population. *Sci. Monthly* 57: 260-272. Sept. 1943. 470 Sci23
Includes The Rural-Urban Ratio.

"The effects of rural overpopulation are described and means for a postwar solution outlined." - *Population Index* 9(3): 199. July 1943. 241.3 P812
- WISCONSIN. UNIVERSITY. Wisconsin's changing population. *Wis. Univ. Bul. Serial No. 2642, Gen. Ser. No. 2426* (*Sci. Inq. Pub. 9*), 90 p. Madison, 1942. 330.9 W75
Scattered references to agriculture.

RURAL SOCIAL ORGANIZATION

Institutions

- AMADEO y VIDELA, DANIEL. Segundas jornadas agrícolas. *ESNEA* 30(1243): 1. May 24, 1943. 44.8 Ea5
An account of the state of agricultural education in Argentina, the need for passage of the bill being considered by the Congress, and directions which such education should take.
- BRIEGER, F. G. Scientific agricultural education advances in Brazil. *U. S. Off. Foreign Agr. Relat. Agr. in the Amer.* 3: 175-176. Sept. 1943. 1 F752A
- BRODEUR, MAURICE. Atributs des Clubs 4-H. *Forêt Québecoise* 6: 63-65. Sept. 1943. 99.8 F79
An explanation of the symbolism of the badge of the Quebec 4-H clubs.
- BUSTAMANTE, M. E. Proteção á infancia nas comunidades rurais. *Rev. Agron. [Porto Alegre]* 7: 197-198. Apr. 1943. 9.2 R325
Translated from "El Maestro Rural."
Suggestions for health protection of children in Mexican rural communities.
- DARTIGUE, MAURICE. Education and national culture with reference to Haiti. *Amer. Sci. Cong.*, 8th, 1940, Washington, D. C., Proc., v. 12, p. 117-124. Washington, 1943. 330.9 Am3008 v. 12
Discusses in part education in the rural schools.
- DORSAINVIL, J. C. Quelques causes de déficience de l'enseignement primaire en Haiti. *Amer. Sci. Cong.*, 8th, 1940, Washington, D. C., Proc., v. 12, p. 257-262. Washington, 1943. 330.9 Am3008 v. 12
Brings out the health conditions of pupils in the rural schools of Haiti.

L90

ESCUELA Agrícola Panamericana; información general y programa de estudios. Costa Rica Inst. de Defensa del Café. Rev. 13: 333-338. May 1943. 68.28 C82
Describes the curriculum and other features of the Pan American Agricultural School, incorporated in 1941 under the laws of Delaware and established near Tegucigalpa, Honduras.

GINES COLL, NESTOR. Es indispensable asignar su real importancia a la educación del maestro rural. Rincón Campesino 3(31/32): 38-39. June/July 1943. 8 R47

Brings out the importance of selecting the proper teachers for the rural school and lists the qualifications for such a teacher. Written from the point of view of Argentine needs.

GRIESBACH, F. F. Rural schools not serving their purpose: present system leads to desertion of farms and lack of understanding of community problems - trustees not accepting their responsibilities. Farmer's Mag. 40(9): 7, 42-43. Sept. 1943. 7 C165

HAMMONDS, CARSIE. Making vocational agriculture more educational. Agr. Ed. [Des Moines] 16: 24-25, 35. Aug. 1943. 275.8 Ag8

HAUMESSER, M. M. The problem of the rural school. Nation's Agr. 18(8): 4, 10-11. Sept. 1943. 280.82 B89

Need for reorganization of the rural schools through changing rural conditions, shortage of teachers, and increased financial burden in school districts.

HEATLEY, LYNN. Conservation education - a community affair. Agr. Ed. [Des Moines] 16: 27, 38. Aug. 1943. 275.8 Ag8

Tells about the conservation education program used in courses in vocational agriculture in the schools in Midland, Mich.

HERRIOTT, A. A. The prairie rural school. Country Guide 62(9): 44-45. Sept. 1943. 7 G76

Genesis and evolution of the rural school in Manitoba and its present precarious position.

HODGSON, P. M. Importance of organizing and guiding agricultural advisory committees for rural war production training program. Agr. Ed. [Des Moines] 16: 32-33. Aug. 1943. 275.8 Ag8

KIRCHER, W. H. Fire! Farmer (Gen. Ed.) 61(17): 1, 16. Sept. 4, 1943. 6 F2211

How Maple Lake, Minn., organized a volunteer fire department and financed its equipment.

MOLLURA, PEDRO. Los clubs del trabajo agrícola en la Provincia de Buenos Aires. Buenos Aires (City) Inst. Agr. Argentino. Reseñas 3(17): 26-32. 1943. 281.9 B862

In collaboration with Antonino Piñero.

On the purposes and organization of 4-H clubs in the Province of Buenos Aires.

NEW JERSEY, DEPT. OF AGRICULTURE. County boards of agriculture and State agricultural organizations for 1943. N. J. Dept. Agr. Cir. 342, 51 p. Trenton, 1943. 2 N460

PERDUE, MRS. CALVIN. Indiana Rural Life Council has worthy motives in plans for future. Ind. Farmers Guide 99(17): 10. Sept. 1, 1943. 6 In2

Objectives of the Council and resolutions that were adopted on the Executive Committee at the Oct. 1942 meeting.

PICKEN, J. J. Feed-a-fighter program. Farm and Ranch 62(9): 12. Sept. 1943. 6 T31
Projects carried on by 4-H club in North Mississippi County, Ark.

LA REFORMA de la escuela rural. Diario Rural 3(271): 1, 16. Apr. 17, 1943. 9.9 D54

Recommendations made by the Convención de Maestros in Montevideo regarding the Uruguayan rural school.

ROY, J. B. Une loi dont l'étude s'impose. Bul. des Agr. 39(8): 13. Aug. 1943. 7 B872

Notes that a conference held at St.-Anselme has shown the advantages of the federation of agricultural clubs, among these the possibility of having a joint program.

L91

SEWELL, W. H. Homogeneity of parental traits and size of Oklahoma farm families. Okla. Acad. Sci. Proc. (1943) 23: 83-84. 500 Ok42

SOULES BALDÓ, RAÚL. Algunas instituciones de asistencia social. Venezuela. Min. de Sanidad y Asistencia Social. Bol. de Educación Sanit. 5(78): 2-5; (79): 4-7. June-July 1941. 449.9 V55S

Institutions of social welfare in Venezuela, including gardens and vacation camps for children.

STEWART, W. A. The farm institute. Scot. Jour. Agr. 24: 153-156. July 1943. 10 Sco82So

Courses of instruction are outlined.

SULLIVAN, J. R. Agriculture a keystone of social security. Farmer's Weekly [Bloemfontein] 65: 530-531. June 2, 1943. 24 F225

Summary of a paper read before the Natal Agricultural Union. Outlines four fundamental principles of proposed legislation.

TORRES, ARTHUR, Filho. Problemas de ensino agrícola no Brasil. Soc. Bras. Agron. Bol. 6(1): 47-52. Mar. 1943. 9.2 Sol3

An outline of the organization of agricultural education in Brazil.

VERNON, MATT. Bibles--bulletins, get together. Ark. Farmer 45(8): 6, 14. Aug. 1943. 6 Ar42

How rural ministers can help agriculture and the rural people.

VINE, VERNON. Bantam-sized co-op sets some records. U. S. Farm Credit Admin. News for Farmer Co-op. 10(4): 16, 22-23. July 1943. 166.2 N47

The Silverton Future Farmers Cooperative Association at Silverton, Oreg., and its work.

WARBURTON, A. A., and KIESSLING, A. H. Organizing a health program in a rural school. A parent-teacher-association experiment. U. S. Children's Bur. Child 8: 26-30. Aug. 1943. 158.2 C483

WEATHERHEAD, L. D. The farmhouse school; a pioneering experiment in educational method. Homes and Gardens 25(4): 22-24, 62. Sept. 1943. 318.8 Ou7

Describes the Farmhouse School, Wendover, Buckinghamshire, started by Miss Isabel Fry in 1917, which combines farm and girls' boarding school.

WRIGHT, C. E. Occupational distribution, entrance into farming and opportunities for farming, of former students of vocational agriculture. Part II. Agr. Ed. [Des Moines] 16: 34-35. Aug. 1943. 275.8 Ag8
Outlines a program of vocational guidance.

Human Ecology

DARLING, SIR MALCOLM. The Indian village and democracy. Roy. Soc. Arts Jour. 91: 496-494. Aug. 6, 1943. 501 L847J

Touches briefly upon the problem created by small and scattered holdings in the village, and the need for cooperation.

KALNAY, JORGE. The need for international regional planning. Amer. Sci. Cong., 8th, Washington, D. C., 1940, Proc., v. 11, p. 111-112. Washington, 1943. 330.9 Am3008 v. 11

Résumé of the address.

KOLLMORGEN, W. M. Agricultural-cultural islands in the South--Part II. Econ. Geog. 19: 109-117. Apr. 1943. 278.8 Ec7

Part I was published in this magazine in October 1941, under title: A Reconnaissance of Some Cultural-Agricultural Islands in the South.

Deals with the development of these immigrant communities and their effect on agricultural practices in the South.

Rural Organizations and Movements

BOWLES, C. E. Co-operative provides farmer with best means of obtaining full returns for crop. Sunswet Standard 27(3): 9. Aug. 1943. 286.83 Su7

Same (with slight changes), under title: Farmers' Cooperatives in the Business World, in Farm and Ranch 62(8): 8. Aug. 1943. 6 T31

L92

- BOWLES, C. E. Great value of farm cooperatives. *Tex. Farming and Citric*. 20(1): 8. July 1943. 80 T31
Objectives and activities of farm cooperatives. Appeared also with slight changes in *Prod. Consum.* 9(1): 6. Aug. 1943. 280.28 P942
- CAMPBELL, W. J. Consumer cooperatives reach "big business" status in retailing. *People's Voice* 4(38): 1, 4. Aug. 20, 1942. 280.8 P392
- CAMPBELL, W. J. Co-ops enter production with increasing speed; 86 units now; act to guard quality, assure supply and increase savings. *Midland Coop.* 11(2): 1, 7. Aug. 25, 1943. 280.28 M58
- CANADA, T. L., and COWDEN, T. K. Agricultural cooperatives in Indiana. *Hoosier Farmer* 28(9): 28, 30-31. Sept. 1943. 280.82 H76
Cooperative marketing and purchasing activities in Indiana.
- CASTRO, G. D. de. Ensino rural; importancia dos clubes agrícolas na educação primaria. *Rev. Agron. [Porto Alegre]* 7: 255-256, 258. May 1943. 9.2 R325
On the importance of agricultural clubs in primary schools, urging creation of school agricultural clubs as an experiment in agricultural areas of Brazil.
- COLOMBAIN, MAURICE. La valeur constructive du mouvement coopératif. *Rev. d'Oka* 17: 121-131. July/Aug. 1943. 7 Oki
A general study of cooperation with examples taken from agricultural associations.
- THE CO-OPERATIVE contribution to post-war relief and reconstruction. (Concl.) *Rev. Internatl. Coop.* 36(7): 102-104. July 1943. 280.28 In8B
Shows importance of agricultural and consumers cooperative societies in post-war reconstruction.
- Da COSTA, J. W. O cooperativismo na avicultura. *Rev. dos Criadores* 14(9): 57-59. May 1943. 43.8 R32
Describes the work of two poultry cooperatives in Brazil, namely, the Cooperativa Nacional de Avicultura and the Cooperativa de Benfica.
- DYKSTRA, WALING. ...and don't miss the Swiss. *U. S. Farm Credit Admin. News for Farmer Co-op.* 10(4): 12-13, 19. July 1943. 166.2 N47
Cooperative movement in Switzerland.
- FITZPATRICK, F. J. Co-operation in Alberta. *West. Farm Leader* 8(17): 3. Sept. 3, 1943. 280.28 W52
- FLEDDERJOHN, H. C. Can we use co-ops in reconstruction? *Farm News of Sullivan Co. [Ind.]* 4(8): 6. Aug. 6, 1943. 275.293 Ind., Sullivan Co.
Also in *Farm News of Blackford Co. [Ind.]* 7(8): 6. Aug. 1943. (275.293 Ind., Blackford Co.); and in *Farm News of Clinton Co. [Ind.]* 4(8): 6. Aug. 20, 1943. 275.293 Ind., Clinton Co.
- GARCIA CADENA, ALFREDO. A los ganaderos del país. *Vida Rural [Bogotá]* 4(47): 9. June 1943. 9.4 V66
Brings out importance of cooperation in the livestock industry and calls upon the stockmen to cooperate. The writer is president of the Asociación Colombiana de Ganaderos.
- GOODWIN, MRS. WARD. The Farm Bureau is a family organization. *Hoosier Farmer* 28(9): 12-13. Sept. 1943. 280.82 H76
Activities of the Indiana Farm Bureau.
- GUAJAJARA. Os parasitas da agricultura (Alta e baixa dos gêneros alimentícios). *Chacaras e Quintais* 67: 604-605. May 15, 1943. 9.2 C34
The agricultural parasites referred to in the title are so-called "trusts" and middlemen. The article deals chiefly with the extent and progress of cooperatives in various states of Brazil.
- HARVEY, C. A further note on the Nausori Fijian cooperative market. *Fiji Dept. Agr. Agr. Jour.* 14: 36. June 1943. 25 F47Ag
- HEDGES, HAROLD. Current Q's and A's for co-ops. *U. S. Farm Credit Admin. News for Farmer Coop.* 10(4): 17-18. July 1943. 166.2 N47
Wartime questions and problems facing farmers' cooperatives.
- HENNINK, B. F. The farmer of tomorrow; background material for discussion in August by our community Farm Bureau groups. *Mich. Farm News* 21(8): 6. Aug. 7, 1943. 6 M586
Refers to Michigan.
- HULBERT, L. S. Legal phases of cooperative associations; organizing a farmers' cooperative association. (To be cont.) *Farmers' Elevator Guide* 38(8): 18-20. Aug. 1943. 280.28 Am3
- JONES, A. C. Co-operation as a factor in colonial progress. *Rev. Internatl. Co-op.* 36: 97-99. July 1943. 280.28 In8B
Suggests some instances of possible utilization of agricultural cooperation in colonial development in Africa.
- JONES, MARVIN. Teamwork's what counts. *Ohio Farm Bur. News* 23(2): 4. Sept. 1943. 6 Oh34
How the farm and other organizations in Ohio are working together to help meet essential production.
- McANALLY, W. J. Cooperatives do an important job. *Tex. Farming and Citric*. 20(2): 19. Aug. 1943. 80 T31
- MacLEAN, ALEJANDRO. South America also cooperates. *New England Dairies News* 3(2): 10-11, 14. May 1943. 44.9 N443
A survey of cooperatives and their relation to the farmer in various countries of Latin America.
- MASON, J. H. The co-op wartime lineup--in Iowa, Nebraska, Wyoming, South Dakota. *U. S. Farm Credit Admin. News for Farmer Coop.* 10(5): 10-11. Aug. 1943. 166.2 N47
- MAST, C. L. Will a million members be enough. *Nation's Agr.* 18(8): 5-6. Sept. 1943. 280.82 B89
Stresses the need for increased membership in the Farm Bureau in order to protect the interest of the farmer.
- MITCHELL, R. C. Developing leadership thru cooperative activities. *Agr. Ed. [Des Moines]* 16: 36. Aug. 1943. 275.8 Ag8
Describes the cooperative activities for boys of the Future Farmer Chapter, Alpine, Tex.
- REEMAN, E. H. Selling ourselves into slavery. *N. J. Farm and Garden* 14(9): 28-29. Sept. 1943. 6 G162
Discusses the position of farmer cooperatives under the present price and marketing policy.
- REID, E. B. Ozark center geared to war. *U. S. Farm Credit Admin. News for Farmer Coop.* 10(4): 3-4, 8-9. July 1943. 166.2 N47
Cooperative organizations and activities at Springfield, Mo.
- SARASQUETA, P. A. de. La cooperación en avicultura. *Mundo Avícola* 6(63): 4-5, 8. May 1943. 47.8 M92
Factors hindering the development of poultry cooperatives in Argentina and the advantages they would have.
- SCHNEIDER, ISRAEL. Nuevos rumbos debe tomar el cooperativismo agrario. *Chacra* 13(152): 54-55. June 1943. 9 C34
Discusses the fuller services which Argentine cooperatives should offer to the small farmer, particularly in giving technical assistance. Harvesting of fodder is used as an example of such aid.
- SHERMAN, V. C. Members help plan "production unlimited." *U. S. Farm Credit Admin. News for Farmer Coop.* 10(5): 8-9. Aug. 1943. 166.2 N47
Refers to Midland Cooperative Wholesale.
- SHERMAN, V. C. What about study-action groups. *U. S. Farm Credit Admin. News for Farmer Coop.* 10(4): 10-11, 18-19. July 1943. 166.2 N47

194

- LAS SOCIEDADES cooperativas en 1941-1942. Argentina Min. de Relac. Exteriores y Culto. Dir. de Inform. al Exterior, Inform. Argentinas, No. 72, p. 28. Mar. 15, 1943. 255.1 Ar37
Gives statistics on activities of Argentine cooperative societies for the year 1941-42. These include agricultural and rural cooperatives.
- TAVARES, DIRCEU. Cooperativismo em torno da avicultura pelotense. Rev. Agron. [Porto Alegre] 7: 221-222. Apr. 1943. 9.2 R325
Poultry cooperatives in Pelotas.
- TEAGUE, C. C. Fight for production with united front. Natl. Live Stock Prod. 21(12): 3. Sept. 1943. 280.38 N21
Emphasizes the need for cooperation of the major farm organizations.
- WARD, G. H. Post-war plans for co-ops. Coop. Digest 4(3): 34-35. Sept. 1943. 280.28 C7896

RURAL SOCIAL PSYCHOLOGY

- AMORIM, GILBERTO. Padronização e defesa da produção. Coop 2(15): 13. Nov. 1942. 280.28 C7842
A brief discussion of the farmers' attitude toward standardization.
- SKOTT, H. E. Attitude research in the Department of Agriculture. Pub. Opinion Quart. 7: 280-292. Summer 1943. 280.8 P962
Tells about the development and activities of the Division of Program Surveys.

TRADE, FOREIGN AND INTERNATIONAL

- EL COMERCIO exterior de Haiti. Mex. Sec. de Relac. Exteriores. Rev. del Com. Exterior 8(6): 5-8. June 1943. 286.8 M575
Analysis of Haiti's foreign trade including agricultural products, such as coffee and bananas.
- MACFIE, A. L. The British way in world trade. British Way - Pam. 5, 64 p. Glasgow, Clark and Wilson, 1943. 286 M163
A survey of the British system of international trade before and since the first World War.
- MARCAL, HEITOR. Política aduaneira do Brasil. Observador Econ. e Financ. 8(88): 95-97. May 1943. 280.8 Ob72
Historical summary of Brazil's tariff policy.
- MELLO, J. C. Intercâmbio Brasil-Canadá. São Paulo. Superintendência dos Serviços do Café. Bol. 18: 82-86. Feb. 1943. 68.29 Sa63
Trade between Brazil and Canada, with particular attention to exports of coffee from Brazil to Canada. Includes a table showing exports of all products (including agricultural ones) from Brazil to Canada, 1939-1941.
- SHEPHERD, J. Post-war prospects of our export trade. Textile Weekly 31: 480, 483. Apr. 2, 1943. 304.8 T3127
Abstract of an address before the Textile Institute, March 20, 1943.
- SKINNER, M. M. Economy and trade of Brazil. Northwest Indus. 2(11): 4-9, processed. Aug. 1943. 280.8 N812
General, descriptive, and includes post-war outlook.
- U. S. TARIFF COMMISSION. Comercio exterior de la América Latina. Informe sobre el comercio de la América Latina con referencia especial a su comercio con los Estados Unidos. (En tres partes.) Parte II. Política y relaciones comerciales de cada uno de los países latinoamericanos. T. 1. - Las Repúblicas Sudamericanas, 354 p.; Parte III. Principales productos de exportación de la América Latina, 247 p. Informe 146, 2. ser., Washington, U. S. Govt. print. off., 1943. 173 T17Rs
Spanish translation of U. S. Tariff Commission. The Foreign Trade of Latin America, Pt. II, v. 1 and Pt. III.

195;M17

- U. S. TARIFF COMMISSION. Foreign-trade and exchange controls in Germany; a report on the methods and policies of German foreign-trade control, with special reference to the period 1931 to 1939. U. S. Tariff Comm. Rpt. 150, 2d ser., 294 p. Washington, 1942. 173 T17Rs
Contains data on German trade with other countries, including trade in agricultural products.
- WATSON, SIR ALFRED. Trade with India after the war: 2-3. Gt. Brit. and the East 60(1678): 21-23; (1679): 21-22, 28. July 24, 31, 1943. 286.8 N27

Trade Agreements

- ANDRADE, THEOPHILO de. A execução do acordo de outubro. DNC; Rev. do Depto. Nac. do Café 11: 503-505. Apr. 1943. 286.83 D44
Discusses an exchange of notes in March 1943 relating to the carrying out of the coffee agreement signed October 1942 between Brazil and the United States. Brings out the importance of the agreement for the coffee market.
- LINDER, TOM. Reciprocal Trade Agreements are one-sided. Farmers Guild News 2(2): 1. May 1943. 281.8 F228
Opposes extension of the Reciprocal Trade Agreements.
- TRATADOS comerciales; convenio de comercio celebrado entre los Estados Unidos Mexicanos y la República de Chile. Mex. Sec. de Relac. Exteriores. Rev. del Com. Exterior 8(6): 29-32. June 1943. 286.8 M575
Documents concerned with the trade agreement signed between Mexico and Chile.

U. S. D. A. Miscellaneous Publication 337, Abbreviations Used in the Department of Agriculture for Titles of Publications, is followed in this publication.

Items marked with an asterisk (*) are ordinarily available in microfilm or photoprint only. Items marked with two asterisks (**) have not been verified.

Except for printed publications of the Department of Agriculture, which are usually available in limited supply for free distribution, the publications listed herein are not available for free distribution from the Department. However, photoprint or microfilm copies of any publication listed may be obtained from the Library at the following prices:

MICROFILMS: 50 cents for any single article, from any single volume of a periodical. Books and Serial Publications.—50 cents for each 50 pages or fraction thereof.

PHOTOPRINTS: 10 cents for each page of text, with a minimum charge of 50 cents per item.

I. PUBLICATIONS OF THE UNITED STATES DEPARTMENT OF AGRICULTURE, STATE AGRICULTURAL EXPERIMENT STATIONS, STATE AGRICULTURAL EXTENSION SERVICES, AND BOOKS AND PAMPHLETS FROM OTHER SOURCES

A71

U. S. D. A. PUBLICATIONS

Includes printed and processed publications of the Department, received in the library during the preceding month, except classified publications, forms, and periodical articles, such as those in the Agricultural Situation and Journal of Agricultural Research which are listed under subject in the section on Periodical and Serial Literature.

Printed publications may be obtained free upon application to the Office of Information, United States Department of Agriculture, Washington 25, D. C., as long as the Department's supply lasts. After this supply is exhausted, publications may be obtained from the Superintendent of Documents, Government Printing Office, Washington 25, D. C., by purchase.

Processed publications may ordinarily be obtained free of charge from the issuing bureau as long as the supply lasts.

Publications preceded by an asterisk (*) are ordinarily available only in microfilm or photostat.

Agricultural War Information

AGRICULTURAL war information. 3 nos. 1943.

1 Ag84Aw

AWI-62. Forage for fall feeding. 5 p. folder.

AWI-66. Cut victory timber but cut it wisely; a productive wood-land is a valuable farm asset in war or peace. 4 p. folder.

AWI-67. Legume cover crops to boost production in the South, by Roland McKee. 11 p. folder.

Circulars

BATJER, L. P. Harvest sprays for the control of fruit drop. U. S. D. A. Cir. 685, 16 p. 1943. Ref., p. 15-16. 1 Ag84C

CHRISTIE, J. R. Spring dwarf and summer dwarf of strawberries. U. S. D. A. Cir. 681, 10 p. 1943. 1 Ag84C

Spring dwarf caused by the nematode, *Aphelenchoides fragariae*, and summer dwarf, by *A. besseyi*.

HARDY, J. I., and WOLF, H. W. Sampling fleeces for determining average wool fineness. U. S. D. A. Cir. 680, 8 p. 1943. 1 Ag84C

MERZ, A. R., and BROWN, B. E. Production and fertilizer use of urea. U. S. D. A. Cir. 679, 18 p. 1943. 1 Ag84C

Farmer and the War

AMERICAN farmers and the United Nations Conference on Food and Agriculture. U. S. D. A., The Farmer and the War - No. 5, 12 p. 1943. 1 Ag84FW
Prepared in the Bureau of Agricultural Economics. Analyzes "some of the possible effects on agriculture in the United States if the recommendations of the...Conference...are carried out."

Farmers' Bulletins

ETCHELLS, J. L. Preservation of vegetables by salting or brining. U. S. D. A. Farmers' Bul. 1932, 14 p. 1943. 1 Ag84F

HAMILTON, C. L. Terracing for soil and water conservation. U. S. D. A. Farmers' Bul. 1789, rev., 60 p. 1943. 1 Ag84F

HOLBROOK, H. S., and KREWATCHE, A. V. Sewing machines: cleaning and adjusting. U. S. D. A. Farmers' Bul. 1944, 24 p. 1943. 1 Ag84F

A72

HOWARD, N. F., BRANNON, L. W., and MASON, H. C. The Mexican bean beetle [*Epilachna varivestis*], in the East and its control. U. S. D. A. Farmers' Bul. 1624, slightly rev., 20 p. 1943. 1 Ag84F

SCOTT, C. L., and MORRISON, B. V. ABC's of mending. U. S. D. A. Farmers' Bul. 1925, rev., 23 p. 1943. 1 Ag84F

General Departmental Circulars

GENERAL departmental circular. 5 Nos., processed. 1943. 1.90 A2G28

No. 6, Sup. 1. Designation of administrative or supervisory employees of the Department to administer oaths... 1 p. Sept. 25; 9. Fire prevention week. 2 p. Sept. 8; 10. Secretary's memoranda, circulars, and regulations [clearance by the Executive Secretary to the Administrative Council], 1 p. Sept. 10; 11. Committee on honor awards for employees of the Department. 1 p. Sept. 16; 12. Appointment of T. Swann Harding as Editor of USDA. 1 p. Sept. 24.

Leaflets

SARLES, M. P., and FOSTER, A. O. Nodular worm [*Oesophagostomum columbianum*], disease of sheep. U. S. D. A. Leaflet 228, slightly rev., 6 p. 1943. 1 Ag84L

THOMPSON, R. C. Production of pumpkins and squashes. U. S. D. A. Leaflet 141, slightly rev., 8 p. 1943. 1 Ag84L

Climatic and soil requirements; varieties; culture; curing and storage.

Miscellaneous Publications

BROWN, C. B. The control of reservoir silting. U. S. D. A. Misc. Pub. 521, 166 p. 1943. Ref., p. 159-166. 1 Ag84M

CHANGES in the national poultry improvement plan. U. S. D. A. Misc. Pub. 300, Sup., 7 p. 1943. 1 Ag84M

CRAFT, W. A. Swine breeding research at the Regional Swine Breeding Laboratory. U. S. D. A. Misc. Pub. 523, 14 p. 1943. Ref., p. 13-14. 1 Ag84M
In cooperation with 13 agricultural experiment stations.

DROWN, M. J. Commercial dehydration of vegetables and fruits in wartime. U. S. D. A. Misc. Pub. 524, 29 p. 1943. 1 Ag84M

Periodicals

AGRICULTURE decisions. Monthly. 1943. 1 Ag84Ad

Issue received: v. 2, No. 7, July.

Decisions under the regulatory laws administered in the U. S. Dept. of Agriculture.

JOURNAL of agricultural research. Semimonthly. 1943. 1 Ag84J

Issues received: v. 67, No. 6, Sept. 15; 7, Oct. 1.

USDA. Semimonthly. 1943. 1 Ag84U

Issues received: v. 2, No. 16, Sept. 4; 17, Sept. 18; 18, Oct. 2.

Radio Broadcasts, National Farm and Home Hour (Processed)

BECKER, J. A. Crop reports in the war. 2 p. Sept. 23, 1943. 1.941 A2R11

DUMARS, M. L. Irish potato problem. 1 p. Sept. 14, 1943. 1.914 R2R11

Explanation of the potato loan program.

DUMARS, M. L. Labor-saving ways to handle livestock. 1 p. Sept. 15, 1943. 1.914 R2R11

A73

- HARDIGG, C. A. Last minute appeal for turkeys for holiday dinners for the armed forces. 2 p. Sept. 22, 1943. 1.914 R2R11
- KADDERLY, W. L. Conserve electricity. 1 p. Sept. 21, 1943. 1.914 R2R11

- M. L. DuMars, V. R. Boswell, and Josephine Hemphill, joint authors.
- MOORE, ERNEST, DuMARS, M. L., and HEMPHILL, JOSEPHINE. Fall clean-up in the Victory Garden. 6 p. Sept. 27, 1943. (Victory Gardens 34) 1.965 A2R11
- MOORE, ERNEST, and DuMARS, M. L. Simple ways to store vegetables. 5 p. Sept. 20, 1943. (Victory Gardens 33) 1.965 A2R11

Technical Bulletins

- BLACK, W. H., and others. Effects of phosphorus supplements on cattle grazing on range deficient in this mineral. U. S. D. A. Tech. Bul. 856, 23 p. 1943. 1 Ag84Te
- L. H. Tash, J. M. Jones, and R. J. Kleberg, Jr., joint authors.
- KIMMEY, J. W., and FURNISS, R. L. Deterioration of fire-killed Douglas-fir *Pseudotsuga taxifolia*. U. S. D. A. Tech. Bul. 851, 61 p. 1943. 1 Ag84Te
- RICHARDSON, H. H., and others. Studies of methyl bromide in greenhouse and vault fumigation. U. S. D. A. Tech. Bul. 853, 20 p. 1943. 1 Ag84Te
- A. C. Johnson, J. W. Bulger, A. H. Casanges, G. V. Johnson, joint authors.

U. S. D. A. War Board

- USDA war boards. 3 p., processed. Sept. 1943. 1.90 A5Un32
- Origin, membership, functions, and operations.
- WAR BOARD memorandum. 27 Nos., processed. 1943. 1.90 A5W19
- Construction:
27. Copper wire. (Memo. 428). 3 p. Sept. 24; Correction to Form CMPL-361, rev. 1 p. Sept. 30.
- Cooperation:
24. Restrictions on the transfer of turkeys. (Attached is list of the names of processors authorized to buy turkeys for offer to the Army.) (Memo. 424). 16 p. Sept. 17; 25. Victory scrap bank campaign. (Memo. 425). 2 p. Sept. 18; 26. Nomination for Army "A" awards. (Memo. 426). 3 p. Sept. 18; 27. Agricultural achievement "A" awards. (Memo. 436). 2 p. Oct. 5.
- Information:
73. Dollar-and-cent price ceiling list. (Memo. 420). 1 p. Sept. 11; 74. Distribution of informational booklet to promote utilization of farm property, machinery, equipment, structures. (Memo. 432). 1 p. Oct. 2; 75. Survey of civilian family incomes, savings and expenditures. (Memo. 435). 2 p. Oct. 6; 76. Legume and grass seed price ceilings. (Memo. 438). 2 p. Oct. 6.
- Machinery rationing:
114. 1944 farm machinery rationing and distribution program. (Memo. 427). 2 p. and 9 p. attached; Sept. 23; 115. Supplementary Order no. 5. Farm scales. (Memo. 429). 1 p. Sept. 27; 116. Food production order 14 new farm machinery and equipment. (Memo. 431). 1 p. Sept. 27; 117. Correction in Exhibit B, Food Production Order 14, Sup. Order No. 1. (Memo. 440). 1 p. Oct. 7.
- Production:
- 53X, Revised. Certification of processors for payment under CCC vegetable purchase program. (Memo. SD). 2 p. Sept. 16. (Supersedes War Board Memo. SD, Production 53X, dated Aug. 19, 1943); 55. Program for increased production of forest products by farmers. (Memo. 409). 3 p. Aug. 25; 58. Food production goals for 1944. (Memo. 421). 1 p. Sept. 16; 59. Late potato support program. (Memo. 434). 2 p. Oct. 5; 59X. Apple programs. (Memo. SD). 2 p. Oct. 5; 60. 1943 Sweetpotato loan program. (Memo. 441). 1 p. Oct. 6.
- Reports:
37. Monthly reports covering July and August War Board Activities. (Memo. 408). 1 p. Aug. 24; 38X. Report on well casing and pumping equipment needed for replacement or maintenance of irrigation and drainage facilities. (Memo. SD). 1 p. Sept. 14; 39. Food distribution order No. 69 (Re: State War Board authorizations of fruit). (Memo. 422).

A75

1 p. Sept. 16; 40. 1944 State production goals report. (Memo. 433). 2 p. Oct. 2.

Supplies:

41. New procedure for handling applications for crawler-type tractors. (Memo. 423). 6 p. Sept. 17; 42. Use of ammonium nitrate as substitute for cyanamid. (Memo. 430). 1 p. Sept. 27; 43. Provisions for supplies of anthracite coal for brooders and hatcheries for 1943-44 season. (Memo. 439).

1 p. Oct. 6.

Transportation:

44. Movement of livestock by rail. (Memo. 437).

1 p. Oct. 6.

WAR BOARD summary. 1 No., processed. 1943. 1.90

A5D36

For administrative use.

Issue received: No. 73, Sept. 14.

Unnumbered Publications

ARENT, ARTHUR. It's up to you. 11 p., processed. 1943. 1.90 A2It6

Film script prepared by U. S. Dept. of Agriculture with the cooperation of the American Theatre Wing, the Skouras Theatres, and the Food Industries. Released through Div. of Educational Services, Office of War Information.

Food production and rationing.

ARENT, ARTHUR. It's up to you. 74 p., processed. 1943. 1.90 A2It62

Radio script prepared by U. S. Dept. of Agriculture with the cooperation of the American Theatre Wing, The Skouras Theatres, and the Food Industries. Released through Marketing Reports Div., Food Distribution Administration.

COTTON goes to war. 4 p. 1943. 1.90 A2C82

Illustrations of uses of cotton in wartime.

FARM FLASHES. 34 Nos., 1 p. each, processed. n.d.

1.9 In3F

For broadcast use only.

Army needs turkeys now; Boneless beef for fighters; Burn garden refuse carefully; Chicken-egg outlook; Conserve electricity; Don't shoot insulators; Fall and winter grazing; Fats and oils outlook; Feeding scabby grain; Fire tips for electrified farms; Grains for forage; Home made electric equipment; How wash corduroy? How stretch butter? Use sorghum in cookies?; It wasn't the bees fault; Livestock and local feed; Making poultry feed count; Mixed cotton warning; New idea on storing sweetpotatoes; Order fertilizer now; Order R.O.P. chicks; Plant early onions now; Play safe with fuses; Post-war farm planning; Prompt picking of cotton; as war aid; Question box: How dry wet shoes? How care for over-shoes, rubbers? How waterproof shoes?; Saves on dairy chores; Saving steps in hog care; Sewing machine care; Short-cuts in dairy barn; To raise better turkeys; Treat diseased grain; Unusual yeast breads; Wartime fish story; Woods fire danger.

FOOD and home notes. Weekly. Processed. 1943.

1.90 A5F73

Issues received: Sept. 11, 18, 25, Oct. 2.

HOMEMAKERS' chat. 15 Nos., 3 p. each, processed.

1943. 1.9 In3Hh

For use in noncommercial broadcasts only.

Fighting foods from victory garden. Sept. 22; Invisible waste. Sept. 27; Pare down food waste. Oct. 4; Question box: How avoid home fires? Fire-proof ironing board cover? Open stairway fire hazard? Oct. 5; Question box: How heat in Indian summer? Vegetable barrel for ground storage? Cereals cause gain in weight? Oct. 7; Question box: How make salt-rising bread? How use wood in furnace? How store pumpkins and squash? Sept. 30; Question box: How store Kleffer pears? Any grape desserts? Why uneven cooked rice? Sept. 13; Question box:

A76

How use culled apples? Replace liquid lost in canning? How long keep home-canned food? Sept. 28; Question box: How use frozen foods? Can in pressure saucepan? How store pressure canner? How plan school lunches? Sept. 21; Ration rules for home-canned foods. Sept. 20; Save the green tomatoes. Sept. 29; School lunch volunteers. Oct. 6; Warmer clothes for colder houses. STATE AGRICULTURAL EXTENSION SERVICE PUBLICATIONS

Includes State Agricultural Extension Service publications received in the library during the preceding month, except periodical articles which are listed under subject in the section on Periodical and Serial Literature.

Printed publications issued by the State Agricultural Extension Services are not available from the U. S. Department of Agriculture but are often available from the publishing State Extension Service.

Mimeographed or processed material issued by the State Agricultural Extension Services is not available from the U. S. Department of Agriculture but in some cases may be secured from the publishing institution.

Material not available from the various State institutions may be secured in microfilm or photostat form from the U. S. Department of Agriculture Library for the cost of reproduction.

Arizona University, College of Agriculture, Agricultural Extension Service, Tucson

- DRYDEN, LORENE. Mending made easier. Ariz. Agr. Col. Ext. Cir. 119, 16 p. 1943.
BALLANTYNE, A. B. Stop farm fire losses. Ariz. Agr. Col. Ext. Folder W-24, 8 p. 1943.

Arkansas University, College of Agriculture, Agricultural Extension Service, Little Rock

- BETTER eggs mean more money. Ark. Agr. Col. Ext. Leaflet 38, rev., 6 p. 1943.
FALL sown oats is good feed insurance. Ark. Agr. Col. Ext. Leaflet 4, rev., 4 p. 1943?

California University, College of Agriculture, Agricultural Extension Service, Berkeley

BOOKS AND PAMPHLETS

Includes books and pamphlets on agriculture and closely related subjects, except classified publications, not included in the foregoing sections, which have been added to the library during the preceding month. Numbered serial publications are listed in the section on Periodical and Serial Literature.

AGRICULTURAL ECONOMICS AND RURAL SOCIOLOGY

- AMERICAN MARKETING ASSOCIATION. Minutes of discussion group of the American Marketing Association; "population shifts - income shifts - changes in occupation." Meeting held September 21, 1942. 19 p., processed. n.p., 1942. 280.12 Am346
- BARTON, G. H. S. 1942 agricultural position and production. 7 p., processed. n.p., 1942. 281.13 B28
Address delivered in Toronto before the Ontario Crop Improvement Association.
- BEERS, H. W. Farm population changes in Eastern Kentucky 1940-1942. (Progress report) 18 p., processed. Lexington, Ky., Agr. Expt. Sta., 1943. 281.2 K41
- BELLERBY, J. R. Economic reconstruction, a study of post-war problems. V. 1. National, industrial and regional planning. 396 p. London, Macmillan, 1943. 280 B41E
Has chapters entitled Cotton and Agriculture and scattered references to agriculture and food industries.
- BULL, HANS. Economic and technical problems for post-war recovery of Norway. 12 p., processed. Washington? 1943? 280.173 B87
Brief suggestion for reconstruction of agriculture.
- CALIF. UNIV. HELLER COMMITTEE FOR RESEARCH IN SOCIAL ECONOMICS. Quantity and cost budget for dependent families or children. Prices for San Francisco, March 1943. 57 p., processed. Berkeley, Calif., 1943. 284.4 C122Qd
App. A is Wartime Food by Ruth Okey and M. G. Luck.
- CALIF. UNIV. HELLER COMMITTEE FOR RESEARCH IN SOCIAL ECONOMICS. Wartime budgets for three income levels ... Prices for San Francisco, March 1943. 106 p., processed. Berkeley, 1943. 284.4 C122Q
App. A: Wartime Food, by Ruth Okey and M. G. Luck (also issued as a reprint. 284.4 C122W)
- CANADA. DEPT. OF LABOUR. Wartime Orders in Council affecting labour. Rev. ed., 111 p. Ottawa, Cloutier, 1943. 283 C16W
Contains a brief section on farm labor, with references to employment of prisoners of war, Japanese, other enemy aliens, and other Asiatics.
- CANADA. DEPT. OF TRADE AND COMMERCE. Export permit regulations (sixth rev.) with list of commodities for which an export permit is required as of September 1, 1943 and shipping priority information. 52 p. Ottawa, 1943. 286.9 C163
- CANADA. WARTIME PRICES AND TRADE BOARD. Statement on import policy, January 1, 1942. 10 p., processed. Ottawa, 1942. 284.3 C167S
List goods excluded from subsidy, including agricultural products.
- DUTT, R. P. The problem of India. 224 p. N.Y., Internat'l. pub., 1943. 280.182 D95
Contains a chapter on the agrarian problem.
- ELLIOTT, E. C. Utilization of facilities of the Land Grant colleges and universities. 5 p., processed. Lexington, Ky., Assoc. Land-grant colleges and univ., 1942. 276 E15U
Deals mainly with use of trained manpower.
- FABRA RIBAS, A. La cooperación en Venezuela. Edición del Instituto de Estudios Cooperativos del Cauca. 17 p. Popayán, Castillo, 1942. (Bibliot. Amer. de Econ. Ser. C. no. 1) 280.2 F11

D74

- FARM CREDIT ADMINISTRATION OF WICHITA. Wheat in the ninth farm credit district. 16 p., processed. Wichita, Kans., 1943. 252.003 F22
- FLENLEY, R. Post-war problems - a reading list; a select bibliography on post-war settlement and reconstruction. 62 p. Toronto, Canad. inst. internatl. aff., 1943. 241.3 F63
A few references to agriculture.
- FOOD: the forgotten front; an analysis and a program for the United States and the United Nations. 7 p., processed. n.p., 1943? 389 F735
Charges failure of the United States to plan food production adequately, and to make wise use of agricultural resources and manpower, and suggests a program for stabilizing the cost of living and bring about full war food production.
- GATES, P. W. The Wisconsin pine lands of Cornell University, a study in land policy and absentee ownership. 265 p. Ithaca, N.Y., Cornell univ. press, 1943. Ref., p. 251-257. 282 G22
- GIANNINI FOUNDATION OF AGRICULTURAL ECONOMICS. LIBRARY. Important sources of information for work in agricultural economics with special emphasis on California. 77 p., processed. Berkeley, Univ. Calif. Col. agr. and Agr. expt. sta., 1943. 241.3 G34
- GREAT BRITAIN. LAWS, STATUTES, ETC. Agriculture (miscellaneous provisions) a bill to amend the law relating to agriculture, agricultural land and the drainage of land, and to amend the Corn Returns Act, 1882. 18 p. London, H. M. stationery off., 1942. (Parliament, 1942. H. of C. bills, 6) 30.5 G79AGm
- GREAT BRITAIN. LAWS, STATUTES, ETC. Town and country planning (interim development) act, 1943. 6 & 7 Geo. 6 Ch. 29. 16 p. London, H. M. stationery off., 1943. 98.5 G796
- GREAT BRITAIN. SCOTTISH OFFICE. COMMITTEE... IN REFERENCE TO THE RECOMMENDATIONS OF THE COMMITTEE ON LAND UTILISATION IN RURAL AREAS IN ENGLAND AND WALES. Utilisation of land in the rural areas of Scotland. 4 p. Edinburgh, H. M. stationery off., 1943. (Parliament Papers by command, Cmd. 6440) 282.171 G792
- GRULIOW, LEO, and LEDERER, S. K. Russia fights famine, a Russian war relief report. 12 p. N.Y., Russian war relief, 1943. 281.179 G92
Tells the story of Russia's agricultural production today, the concrete results in terms of food rations, the contributions of Victory Gardens, and the need for seeds.
- HUGGINS, H. D. An economic survey of dairy-farming in East Demerara. 40 p. Georgetown, Brit. Guiana Dept. of agr., 1943. Ref. 281.344 B77
- LEVIN, D. R. Public land acquisition for highway purposes. 32 p. Washington, U. S. Pub. roads admin., Fed. works agency, 1943. 177.7 P96
- LYON, MARGUERITE. And green grass grows all around. 307 p. N.Y., Bobbs-Merrill, 1942. 280.047 L99G
Life and customs in the Ozarks.
- McCONNELL, J. W. The basic teachings of the great economists. 367 p. N.Y., New home libr., 1943. 280 M138
Chapters containing references to agriculture are Land, Private Property, and Rent, Foreign and Domestic Trade, Distribution of Wealth and Income, and Economic Planning.
- McMILLEN, WHEELER. The American way; an address. 6 p.-folder. Columbus, O., Natl. farm chemurg. council, 1943. 386 M22
Applies chemurgy's concept of maximum production for maximum utilization to agriculture, industry, and science.
- MIDDLE AMERICA INFORMATION BUREAU. Middle America and the United States. Proceedings of the one day institute, Apr. 12, 1943, to signalize Pan-American week and keynote the interdependence of the United

D75

- States and Middle America... Held under the joint auspices of the Middle America Information Bureau (conducted by United Fruit Company) and the Latin-American Section, New York Board of Trade. 101 p., processed. N.Y., 1943. 280.16 M58M
- Partial contents: What Middle America offers the United States, by W. K. Jackson, p. 9-16; Middle America after the war, by D. A. del Rio, p. 33-39; Middle America as a source of essential agricultural crops for the U.S., by C. M. Wilson, p. 40-49; Middle America as a source of strategic materials, by J. B. Glenn, p. 61-71; Bananas and their significance to Middle America, by J. N. Kelley, p. 76-90; Handicrafts of Middle America: Their significance today, by Fred Leighton, p. 91-96.
- MIDDLE AMERICA INFORMATION BUREAU. Background, information on Middle America, Mexico, Guatemala, El Salvador, Honduras, Nicaragua, Costa Rica, Panama, Cuba, Haiti, Dominican Republic. 32 p., processed. N.Y., 1943. 280.16 M58
- Has a section on Middle American agriculture.
- NASH, WALTER. New Zealand's experience with land-value taxation, and how that nation is planning for improved public and private housing in the post-war years. 22 p. N.Y., Citizens' housing council of N.Y., 1943. 284.5 N17
- NATIONAL INDUSTRIAL CONFERENCE BOARD. DIVISION OF INDUSTRIAL ECONOMICS. Economic background for postwar reconstruction. 34 p. N.Y., 1943. 280.12 N2132E
- Charts show wartime employment in agriculture, shifts in employment, production of major crops in 1942, new foodstuffs development (soybeans, oleomargarine), and production of basic commodities (wheat, cotton).
- PAN AMERICAN UNION. Panama. 39 p. Washington, 1943. 150.91 P195
- Section on agriculture.
- PAN AMERICAN UNION. Report on the proposed Inter-American Agricultural Credit Bank. Resolution IX of the Second Inter-American Conference of Agriculture, México, D. F., México, July 6-16, 1942. 15 p., processed. Washington, 1942. 150.91 In87
- Ann. is Preliminary List of Governmental and Publicly Sponsored Agricultural Credit Institutions in the American Republics and Dates of Establishment.
- PARRY, ALBERT, ed. What women can do to win the war. 64 p. Chicago, Consolidated book pub., 1942. 280.12 P24
- Farm work is included.

- STOCKER, H. E. Transportation and the public welfare in war and in peace. 51 p. Washington, Natl. highway users conf., 1943. 289 St6
- Contains a section on uses of land and community service roads.
- TOLLEY, H. R. Agriculture and industrial employment; an address...at the third of the first series of conferences on full employment and minimum living standards. 16 p. N.Y., Inst. on post-war reconstr., 1943. 280.12 T57
- U. S. BUREAU OF THE CENSUS. 16th Census of the United States: 1940. Agriculture. Abandoned or idle farms. Number and acreage, with classification of those reporting acreage by cause of nonoperation and by year of abandonment. Statistics for counties and a summary for the United States. A special study. 201 p. Washington, U. S. Govt. print. off., 1943. 157.4 C163Ab
- U. S. BUREAU OF THE CENSUS. 16th Census of the United States: 1940. Agriculture. Handbook. Descriptions and illustrations of the uses of agriculture. Census statistics in education, business, research, and visual analysis; with explanations of the technique of tabulation and procedures. 245 p. Washington, U. S. Govt. print. off., 1943. 157.4 C163H

D76

- U. S. BUREAU OF THE CENSUS. 16th Census of the United States: 1940. Agriculture. Ranking agricultural counties. The rank of the leading counties in the United States in agriculture and agricultural products, 1940 and 1939, with comparisons, 1930 and 1929. 85 p. Washington, U. S. Govt. print. off., 1943. 157.4 C163Ar
- U. S. BUREAU OF THE CENSUS. 16th Census of the United States: 1940. Housing. V.2, General characteristics... Pt. 1: United States Summary. 200 p. Washington, U. S. Govt. print. off., 1943. 157.9 C169H
- Covers rural and farm units.
- U. S. BUREAU OF THE CENSUS. 16th Census of the United States: 1940. Housing. V.2, General characteristics...Pt.2: Alabama-Indiana; Pt.3: Iowa-Montana. Comprising the second series of housing bulletins for the States. 2 V. Washington, U. S. Govt. print. off., 1943. 157.4 C169H
- References to rural-farm dwelling units.
- U. S. BUREAU OF THE CENSUS. 16th Census of the United States: 1940. Population. V.2, Characteristics of the population...Pt.3: Kansas-Michigan. Comprising the second series of population bulletins for the states. 934 p. Washington, U. S. Govt. print. off., 1943. 157.4 C162
- Includes farm population.
- U. S. BUREAU OF THE CENSUS. 16th Census of the United States: 1940. Population. The labor force (sample statistics). Wage or salary income in 1939. 194 p. Washington, U. S. Govt. print. off., 1943. 157.4 C162Lw
- Includes rural regions.
- U. S. CONGRESS. HOUSE. COMMITTEE ON AGRICULTURE. Farm Security Administration. Hearings before the Select Committee...to investigate the activities of the Farm Security Administration...78th Cong., 1st sess. pursuant to H. Res. 119...Pt. 1, May 11 to 28, 1943. 413 p. Washington, U. S. Govt. print. off., 1943. 148.9 Ag78F
- U. S. CONGRESS. SENATE. COMMITTEE ON AGRICULTURE AND FORESTRY. Inclusion of the cost of farm labor in determining the parity price of agricultural commodities. Hearings...78th Cong., 1st sess., on H. R. 1408...Apr. 6, 8, 12, and May 4, 1943. 122 p. Washington, U. S. Govt. print. off., 1943. 148.7 Ag78
- Includes a statement by Secretary of Agriculture Wickard.
- U. S. NATIONAL RESOURCES PLANNING BOARD. Industrial location and national resources, December 1942. 360 p. Washington, U. S. Govt. print. off., 1943. 173.2 N214In1
- The first part of the report "is concerned with the relation between the distribution of the basic resources of the Nation and the locational patterns of industry." Headings under Nonmineral Resources are Food, The Producing Machine, Fibers, Furs, and Hides; Lumber and Other Wood Products; and Organic Oils, Chemicals, and Miscellaneous Products. Agriculture is classified as one of the major economic groups, and the report gives data on labor, location pattern, prices and price policy, regional specialization, and transportation.
- U. S. OFFICE OF PRICE ADMINISTRATION. CAMPAIGNS DIVISION. DEPT. OF INFORMATION. Information program book for the home front pledge. 17 p., processed. Washington, 1943. 173.403 In3
- Information on price control and rationing.
- U. S. OFFICE OF PRICE ADMINISTRATION. Manual of digests of interpretations of specific price schedules and regulations. 264 p. Washington, U. S. Govt. print. off., 1943. 173.403 M313

D77

Includes interpretations of the following price schedules: Cotton and synthetic textiles products; grains and fertilizers; grocery products and tobacco; leather, wool and miscellaneous fiber products; lumber; meats, fish, fats and oil; paper and paper products; rubber and rubber products; sugar, imported foods, dairy products, and wholesale and retail distributors.

U. S. OFFICE OF PRICE ADMINISTRATION. Maximum Price Regulation No. 165, Manual No. 2. Pt. one: How the service price regulation...applies to the service trades; Pt. two: Maximum Price Regulation No. 165 as amended--services... Rev. supplementary regulation No. 11. 61 p. Washington, U. S. Govt. print. off., 1942. 173.403 M31

Among services covered in the regulations are farm equipment, feed and grain, food locker service, fruit or vegetable handling and processing, handling of hops, insecticide processing, lumber handling and processing, processing of mint oil, nuts, and sweet potatoes; and weighing.

U. S. OFFICE OF PRICE ADMINISTRATION. Supplement to Directory of Commodities and Services; an index to price and rationing regulations and jurisdiction of operating units, July 15, 1943. 81 p., processed. Washington, 1943. 173.403 D62

U. S. OFFICE OF THE COORDINATOR OF INTER-AMERICAN AFFAIRS. Guide to the inter-American cultural programs of non-government agencies in the United States. 181 p., processed. Washington, 1943. 173.3 In8Gu

Agricultural programs of universities are listed.

U. S. WAR MANPOWER COMMISSION. List and index of essential activities. 22 p., processed. 1942. 173.4 W193L

Includes agricultural activities essential to the war program.

UNITED STATES CODE CONGRESSIONAL SERVICE; laws of 78th Cong. 1st sess., July 7, 1943 to September 14, 1943. v. 365-527. St. Paul, West Pub. co., 1943. 274 Un395

Secretary of Agriculture - land titles, p. 365; Rural post roads - government aid, p. 519-522.

UPGREN, A. R., and WAINES, W. J. The midcontinent and the peace; the interests of western Canada and central northwest United States in the peace settlements. A joint preliminary report prepared under the auspices of the University of Manitoba and the University of Minnesota. 43 p. Minneapolis, Univ. of Minn. press, 1943. 280 M314

Suggests a program for supplying Europe with agricultural products supplemented by any desirable adjustment between the United States and Canada.

WAKEFIELD, A. J. Report on agricultural development in the Bahamas. 55 p. Nassau, Nassau guardian, 1942. 31.7 W13

Stresses the importance of developing a system of mixed farming and discusses it in relation to land tenure and land settlement. Touches on agricultural education and cottage industries. An appendix deals with 4-H clubs.

YATES, P. L., and WARRINER, D. Food and farming in post-war Europe. 118 p. London, Oxford univ. press, 1943. 281.17 Y2

ZIEGLER, J. H. A socio-psychological study of a changing rural culture. 190 p. Washington, Catholic univ. press, 1942. Ref., p.179-184. 281.2 Z63

Thesis (Ph.D) - Catholic Univ. of America, 1942.

A study of the Dunkers or the Church of the Brethren.

AGRICULTURAL ENGINEERING

D78

ALDRICH, DARRAGH. The story of John Deere; a saga of American industry. 140 p. Minneapolis, Webber, 1942. 120 D362A
Shows his contribution in the development of agricultural machinery.

AGRICULTURAL PRODUCTS: PROCESSING, DISTRIBUTION, AND STATISTICS

BARRO Y SEGURA, ANTONIO. The truth about sugar in Cuba; corrections to and explanations of the pamphlet entitled: "The Sugar Industry and its Future," by Herminio Portell Vilá. 45 p. Havana, Ucar, García, 1943. 286.365 B27

CALIF. BUREAU OF MARKET ENFORCEMENT. California milk industry brief...relating to conditions affecting the production of milk in the State of California. 16 p., processed. Sacramento, 1943. 281.344 C122
Main topics are scarcity of protein concentrates and increasing feed costs.

CANADA. WARTIME PRICES AND TRADE BOARD. Order No. 308, respecting rationed foods. 29 p. Ottawa, Edmond Cloutier, 1943. (Canad. War Orders and Regulation. Extr.) 284.39 C1670

This order supersedes and revokes the Board orders regarding sugar, tea and coffee, butter and meat rationing, and "establishes a general system for the rationing of all foods which are declared to be rationed foods and deals with their supply, sale, buying and use and consumption in Canada under the system of rationing. This Order does not apply to Commodity Prices Stabilization Corporation, Ltd."

In addition to the foods specified above, the order declares preserves as a rationed food.

CANNING PEACH ADVISORY BOARD. The receiving and grading of California cling peaches for canning. 31 p. San Francisco, 1943. 280.393 C164

CARBIDE AND CARBON CHEMICALS CORPORATION. Butadiene and styrene for Buna S synthetic rubber from grain alcohol. 44 p. New York, 1943. 305 C17

CHAMBER OF COMMERCE OF THE U. S. OF AMERICA. WAR COUNCIL. Supplies for the home front; forum discussion, Apr. 28, 1943. 24 p., processed. N.Y., 1943. 280.12 C3522

Partial contents: The Program of OPA, by A. M. Palmer, p. 6-10; Food to Win the War, by R. F. Hendrickson, p. 12-17; The Plight of Food Retailers, by C. W. Dipman, p. 18-20.

FEDERAL-STATE CONFERENCE ON WAR RESTRICTIONS. Federal-State conference on war restrictions, Department of Commerce, Washington, D. C., May 5-7, 1942. 172 p., processed. Washington, 1942. 157.1 F31

Partial contents: Nutrition and State Cooperation, by M. L. Wilson, p. 32-39; Restrictions on Interstate Trade in Milk and Milk Products, by A. W. Fuchs, p. 40-48; Administering Price Control, by Leon Henderson, p. 59-62; Speeding up Food for Freedom, by C. R. Wickard, p. 63-66; Transportation and City Marketing Problems, by W. C. Crow, p. 67-70; Obstacles to Trade in Fruits and Vegetables, by W. G. Neal, p. 71-74; Egg Laws and Regulations that Interfere with the War Effort, by E. L. Burtis, p. 75-77; Seed Regulations and Production Goals, by W. A. Wheeler, p. 78-80; and Dairy Products and the War, by O. M. Reed, p. 81-82.

FEDERAL TRADE MANUAL; a reference work for all engaged in the manufacture, mixing and handling of commercial feeds. Ed. 3, 1942-44, 230 p. Chicago, Natl. miller pubs., inc., 1942. 389.7 F322
Pub. by American Miller.

E136

PLANT SCIENCE

GENERAL

AMERICAN POMOLOGICAL SOCIETY. The burial place of John Chapman (Johnny Appleseed). Committee report ...December 14, 1942. Ill.State Hort. Soc. Trans. (1942) 76: 124-130. 1943. 81 I16
Also in Amer. Pomol.Soc. Proc. (1942) 58: 29-35. 81 Am33

ANDERSON, H. W. Clavacin and the press. Science 98: 282. Sept. 24, 1943. 470 Sci2
Refers to a report of the work of S. A. Waksman, with *Aspergillus clavatus*, concerning which "misleading statements were made regarding the possibility of clavacin as a powerful new remedy for human diseases."

ARMITAGE, F. D. Further uses for chlorazol black E and a new stain for botanical sections. Roy. Micros. Soc. Jour. 63: 14-19. Mar./June 1943. 440.9 R81J

Chlorazol azurine G.200, which, the author suggests, fulfills the requirements of a simple double stain for ordinary plant tissues to be used for routine elementary class work.

BORDEN, R. J. Replication: the safeguard for uncontrolled variation. Hawaii. Planters Rec. 47: 135-153. 1943. 25 H311

From an analysis of variation in sugarcane experiments, the author points out that the most effective way to obtain greater accuracy is to increase the number of replications of samples.

BROWN, C. A. Opportunities for paleobotanical research in Louisiana. La. Acad. Sci. Proc. (1942) 7: 36-38. Apr. 28, 1943. 500 I932

BUTTERFIELD, H. M. John McLaren of Golden Gate Park (Dec. 20, 1846 - Jan. 12, 1943). Calif. Hort. Soc. Jour. 4: 86-89. July 1943. 81 C1293

CHESTER, K. S. "Chemical" seed treatments. Science 98: 261. Sept. 17, 1943. 470 Sci2

Use of the term chemical seed treatment indicates need for more explicit references to the type used. Several types, such as treatment for disinfection, for promoting germination or growth, for repelling rodents or increasing resistance to insects, and for leguminous seed inoculation, should be clearly differentiated.

CLUTE, W. N. Meaning of plant names XCII. Willows and poplars. Amer.Bot. 49:78-84. July 1943. 450 Am33

Discusses vernacular names applied to species of *Salix* and *Populus*.

CONSTANCE, LINCOLN. William Albert Setchell. Wash. Acad. Sci.Jour. 33: 288. Sept. 15, 1943. 500 W276J

Biographical sketch.

DEMING, W. C. Finished lives. North. Nut Growers' Assoc. Ann. Rpt. (1942) 33: 81-86. 94.69 N81
Biographical notes of members of the Northern Nut Growers' Association.

DUNHAM, W. B. Vitamin C from evergreens. Science 98: 325. Oct. 8, 1943. 470 Sci2

Reference to the recent discovery of vitamin C in pine needles by Soviet botanists, and to a historical account by Francis Parkman of the cure of scurvy with spruce needles.

EVANS, HUGH. University of California Botanical Garden, West Los Angeles. Calif. Hort. Soc. Jour. 4: 107-108. July 1943. 81 C1293
